P.E. News

We're working on jump rope skills this month. Boots make it much more difficult for students to be successful at jumping rope, so it's especially important and helpful for students to wear athletic shoes for P.E. class. Please remind and help your child(ren) pack and wear athletic shoes on P.E. days. Thank you for your help with this!

A Note from the Principal

Dear Lake City Elementary Families,

What a crazy cold week we experienced! Despite the shortened week, our students still found ways to have fun, stay engaged, and make the most of every opportunity. Their positive attitudes and resilience truly continue to impress us.

We were especially excited to see our fourth grade students begin their swim program at the YMCA, along with our fourth and fifth grade students starting their ski program at Caberfae. These experiences provide wonderful opportunities for learning, growth, and building confidence beyond the classroom.

We hope everyone has a warm, safe, and relaxing weekend. We look forward to welcoming our students back on Monday and continuing all the great learning and adventures ahead.

Trojan Pride,

Principal Hamilton
