Picture Retake Day

Picture retake day is scheduled for November 18. If you would like to order photos, please visit mylifetouch.com and use Picture Day ID: CGNTPBTVE or scan the QR code below to place your order. If you would like a physical order form, please contact the front office at 231-839-2665.

A Note from the Principal

Lake City Elementary Families,

What a wonderful week at Lake City Elementary! Our students have enjoyed several exciting opportunities to learn, explore, and connect with others both inside and outside the classroom.

A big thank-you to our PTO for hosting another successful Book Fair! We appreciate the time and effort they put into creating this fun experience for our students and helping foster a love of reading.

Our third and fourth graders had the opportunity to visit Earthworks Farm School, where they explored the connections between nature, farming, music, and art. This hands-on field trip gave students a chance to discover new interests, learn beyond the classroom, and make meaningful connections to what they are learning at school. It was a wonderful experience for everyone! We also enjoyed visits from Junior Achievement, who provided our students with valuable lessons and real-world learning experiences.

We look forward to seeing our Lake City Elementary families tonight for Math Family Night from 5:00–7:00 p.m.! Join us for an evening of fun, learning, and engaging math activities to enjoy with your children. We hope to see you there!

We are also excited to watch our fourth and fifth graders perform in the Veterans Day Concert on Tuesday, November 10, at 6:00 p.m. We hope you can join us as we honor our veterans and celebrate our students!

A reminder that there is no school for students tomorrow, Friday, November 6.

Thank you for your continued support and for being such an important part of our Lake City Elementary community! We appreciate our wonderful families and hope everyone has a safe and relaxing long weekend!

Trojan Pride,

Principal Hamilton

P.E. News

Our first week of *No Sugary Drinks November* Challenge is in the books. This week we looked at nutrition labels where we learned how we can see what's in our drink as well as read the ingredients list looking for sneaky names of sugar and names of artificial sweeteners. Coming home today is a two-sided sheet with information about nutrition labels and sugars.
Here comes week two of our challenge!
