A Note from the Principal

Lake City Elementary Families,

We had a fantastic week here at Lake City Elementary! Our classrooms were filled with learning, laughter, and great energy as students continued to grow both academically and socially. It is always exciting to see the engagement and enthusiasm our students bring to school each day.

As we move into the coming weeks, we have many exciting opportunities ahead in March is Reading Month. Please be sure to check your child's folder regularly for important information about upcoming Adventure Learning Center days and other fun activities happening throughout the school. These experiences are a special part of what makes learning at Lake City Elementary memorable and meaningful for our students.

Thank you for your continued partnership and support. We hope you all have a wonderful and relaxing weekend, and we look forward to seeing everyone back on Monday ready for another great week!

Trojan Pride,

Principal Hamilton

PTO NEWS

Dear Parents and Guardians,

It is time for our annual **Sponsor My Reading** fundraiser hosted by the Lake City Elementary PTO! From 2/27/26 to 3/20/26, our students will be diving into books to help raise funds for important school events and activities.

Our goal is to raise funds to support enriching student experiences, such as field trips, assemblies, playground improvements, student success incentives, the end-of-year carnival, and so much more!

Students will pledge to read daily during the fundraiser. Family members and friends can sponsor their reading by making a donation to their reading calendar.

ALL PROCEEDS directly benefit the students of Lake City Elementary.

We are excited to foster a love of reading while supporting our school. Thank you for your generosity and support!

Sincerely,

Lake City Elementary PTO

Proud to be a Trojan

P.E. News

This week, we wrapped up **February's Heart Health** with our final two heart-healthy habits:

- drinking water
- saying **NO** to tobacco and vaping.

Coming home today is a two-sided sheet with information about *It's Great to Hydrate* and *Clear the Air*. Check it out for some cool facts and helpful information!

Throughout all of February, students from kindergarten through fifth grade worked on their jumping rope skills. Wow, it was so exciting to see the improvement in their rope jumping over the month!! In addition to learning heart healthy habits and jumping rope:

- Kindergarten through second grade also focused on improving their catching and throwing skills.
- Third through fifth grade learned how to pass volleyball-style and applied those skills in game situations.
