A Note from the Principal

Dear Lake City Elementary Families,

We had a great week here at Lake City Elementary! Thank you to everyone who joined us for Mathopoly Night. Your involvement and support made the evening a meaningful learning experience for our students. We truly appreciate you taking the time to be part of their education.

We also loved seeing so many students visit the Book Fair throughout the week! A special thank-you goes out to our amazing volunteers who made the fair possible. Your time, energy, and dedication help create lasting opportunities for our students, and we are incredibly grateful.

Wishing all of our families a wonderful weekend, we look forward to seeing everyone back on Monday!

Trojan Pride,

Principal Hamilton
