P.E. News

In P.E., we are working on our footwork skills through activities like soccer and kickball.
So *please, please, please*, have your child(ren) wear athletic shoes for P.E. class to keep them and everyone else safe and successful.
Sandals, flip-flops, slide-on shoes are **not** safe for P.E. class, *especially* during this unit.
Thanks for your understanding and help with this!

A Note from the Principal

Dear Lake City Elementary Families,

What a wonderful week we have had at Lake City Elementary. Our students continue to make us proud in so many ways.

Our kindergarten through second grade students put on an outstanding spring concert filled with energy, excitement, and joy. It was a great opportunity to see their hard work and enthusiasm on display. We also hosted a fantastic STEAM Night, featuring projects from our third through fifth grade students. It was wonderful to see the variety of projects on display, as students and families engaged in hands-on learning experiences that sparked curiosity and creativity.

In addition, our students enjoyed several memorable field trips this week. Our first graders visited the John Ball Zoo, kindergarten classes explored the Mt. Pleasant Discovery Museum, and some of our second and fourth grade students had the opportunity to tour the Cadillac Airport. These experiences help bring learning to life and create lasting memories.

Thank you for your continued support and partnership. We truly appreciate all that you do to help make our school community so special.

We hope you have a great weekend.

Trojan Pride,

Principal Hamilton

Music Note

Thank you to everyone who came out to support our students at the kindergarten, first, and second grade concerts. Thank you for coming to STEAM Night as well! I hope you all enjoyed seeing the amazing things your children can do. Your support is greatly appreciated!

In song,
