A Note from the Principal

Dear Lake City Elementary Families,

It was a great, short week back after much-needed time with our families over Thanksgiving break. It was so fun listening to students talk about all the food they ate and the gatherings they attended.

Winter has arrived, and so have the cold temperatures that come with it! PLEASE be sure that your students are dressed appropriately for the weather. It is essential that they have coats, boots, hats, and gloves with them every day to safely enjoy recess.

We encourage you to also pay attention to newsletters from your children's teachers to stay up to date on any holiday activities before Christmas break. You can find the upcoming Spirit Days on the back page!

As always, we appreciate your partnership and cooperation. Have a great and safe weekend!

Trojan Pride,

Principal Hamilton

Music Note

We've been having so much fun in Music Class! Kindergarten just finished up their unit on Tempo. The students listened, sang, and played instruments to songs in various tempos. We learned the music terms presto (fast) and largo (slow). In the new year, Kindergarten will begin a new unit on musical form (patterns in music). First Grade is continuing to work on rhythm. They are practicing quarter notes (ta) and eighth notes (ti-ti). We have also been starting to learn about melody. Second and Third Grade students have been learning more about rhythm and melody. We are practicing our new solfege, do. We have also been discussing 2/4 meter. Fourth and Fifth grades are still learning to play the bucket drums and recorder. They are continuing to learn about 4/4 meter. Third, Fourth, and Fifth Graders are continuing to learn about a different musician each week. In November we listened to Bonnie Raitt, Miranda Lambert, and Tina Turner. We started December with Ozzy Osbourne. We've been having a blast!

We can't wait to sing for you at next week's Christmas Concerts!
