Field day was a huge success! A shout out to the amazing volunteers who helped make it a fun-filled day of physical activity and movement for our students. It takes a lot of help to make it happen and we couldn't have done it without you. Thank you, thank you, thank you!

I hope you and your family have a safe, healthy summer!

Blessings-
Mrs. Rozeveld

A Note from the Principal

Dear Lake City Elementary Families,

As we reflect on the past week, we are grateful for the many opportunities our students had to learn, connect, and have fun.

Our third-grade students started the week with an exciting trip to Missaukee County Park, while several other classes enjoyed a fun-filled day at Kenwood Heritage Park. Throughout the week, we were also fortunate to welcome visits from our Partners in Education, whose support and involvement continue to enrich our students' educational experiences.

In addition to these special opportunities, students had a wonderful time participating in Carnival Day, Field Day, and Missaukee Mountain Picnic Day. These events provided opportunities for fun, friendship, and the creation of lasting memories.

Our entire school community had a fantastic time, making it a truly memorable week for our students. I would like to extend a heartfelt thank you to our PTO, volunteers, and staff members who went above and beyond to make these events such a success. Their dedication, enthusiasm, and hard work are greatly appreciated and played an important role in creating these meaningful experiences for our students.

Thank you for your continued support. We are proud of our students and grateful for the wonderful community that helps make opportunities like these possible.

As we head into the final days of the school year, we wish everyone a wonderful weekend and look forward to celebrating a great year together with a full day of school on Monday and our final half day on Tuesday.

Trojan Pride,

Principal Hamilton
