A Note from the Principal

Lake City Elementary Families,

We had a wonderful week here at Lake City Elementary. Even with some wild and rainy Michigan weather, our students made the most of it and embraced opportunities to get outside when they could. There is something special about seeing students laugh, move, and enjoy fresh air together even if it comes with a little extra mud on their boots.

Our fourth grade students wrapped up their swimming sessions at the YMCA this week. They had an incredible experience building confidence, strengthening skills, and supporting one another in the water. We are grateful for the partnership and proud of how our students represented our school throughout the program.

As we move into the coming weeks, please continue to pay close attention to the weather forecast and send students prepared for outdoor recess each day. Coats, boots, hats, and gloves make a big difference in helping students stay comfortable and enjoy their time outside. We aim to get students outdoors whenever possible, and being dressed appropriately helps us do that safely.

Thank you for your continued partnership and support. We hope you have a wonderful weekend, and we look forward to seeing everyone back on Monday.

Trojan Pride,

Principal Hamilton
