P.E. News

February is **Heart Health Month**!
❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️
This week we began talking about being kind, what that looks like and sounds like.
We also tied it into our Love Your Neighbor Food Drive which starts next week!
So all next month in P.E., we will be taking a few moments during class to talk about healthy heart habits. Coming home today are 2 sheets. One is a two-sided sheet explaining *Life's Essential 8 For Kid*s and *Balanced Bodies*.
The other is a two-sided sheet with ideas on *15 Ways To Be Kind* and *15 Ways To Be Well*. I encourage you and your family to choose one idea each day to implement!

A Note from the Principal

Lake City Elementary Families,

We had a great week here at Lake City Elementary. Despite the extremely cold temperatures that kept us inside for much of the week, our students did an outstanding job staying engaged, positive, and flexible. When we were able to get outside, it was exciting to see students enjoying the fresh air and movement.

Our fourth-grade students have continued their visits to the YMCA, where they are learning important water safety skills. This experience has been a valuable opportunity for students to build confidence, responsibility, and lifelong safety awareness.

Thank you for your continued support and partnership. I hope everyone has a wonderful and restful weekend. We look forward to welcoming students back next week.

Trojan Pride,

Principal Hamilton

Love Your Neighbor Food Drive
📍 Lake City Elementary
📅 February 2–February 10

Lake City Elementary is partnering with Community Hope and other community members in the Love Your Neighbor Food Drive. All the food collected during the food drive will be distributed in Missaukee county. Please join in on this community focused food drive. Lake City Elementary is one of many locations collecting food items.

All non-perishable food items are welcomed. Lake City Elementary will be focusing on boxed and bagged items (lighter to carry to school than can goods). Items like pasta, flavored rices, cereal, cake mixes, jello mix, pudding mix, pancake mix. Donation items can be dropped off each morning to the boxes on the stage.

If you have any questions please contact Holly Helsel. Thank you for your support!
