P.E. News

It's finally here!!!! ***No Sugary Drinks November*** is back and kicks off this Sunday, November 1st. Coming home today is a bright yellow ***No Sugary Drinks November*** tracking calendar. For every day your child (or family) drinks water instead of sugary drinks, put a smiley face on that day. At the end of the month, your child(ren) can return their tracking calendar to put on our *Wall of Fame* and receive a prize.

Feel free to join in and make it a family challenge, and take charge of your health!

LEGO Club

Calling all LEGO Enthusiasts! Please join us for the next LEGO Club event at the Ardis Missaukee District Library, Monday, November 2, at 330pm.

A Note from the Principal

Lake City Elementary Families,

What a wonderful and exciting week at Lake City Elementary! This week was filled with memorable moments and engaging experiences for our students. From visits with our Partners in Education to important safety lessons and fun Halloween festivities, it has been a week full of meaningful experiences and special memories!

Our Partners in Education continue to make a positive impact on our students. We are grateful for the time, support, and dedication they share with our school community. These partnerships provide valuable opportunities for our students to learn from and connect with others beyond the classroom.

Bus Safety Training was another important part of our week. Our students had the opportunity to review essential bus safety procedures and expectations. The ability to provide students with focused, age-appropriate, one-on-one instruction is crucial to keeping our children safe. A special thank-you to our transportation team for all they do and for their continued dedication to our students' safety. We truly appreciate the care and attention they give to helping our students travel safely each day!

Our kindergarten students also participated in oral health assessments, helping reinforce the importance of taking care of their teeth and developing healthy habits at a young age. We appreciate the time and support of the health department for helping provide these valuable experiences for our students.

To wrap up the week, we enjoyed our annual Halloween Parade and classroom parties! It was wonderful to see the students dressed in their creative costumes and excited to share the fun with their classmates, teachers, and families. Thank you to all the parents and families who donated supplies, treats, and other items to help make our classroom parties special. We are also so grateful to everyone who came out to watch the parade and celebrate with us. Your support and involvement help make these school traditions so memorable for our students!

As always, thank you for being such an important part of the Lake City Elementary community. We appreciate your continued support, generosity, and partnership in making our school a wonderful place for students to learn and grow. We hope everyone has a safe and happy Halloween weekend!
