News

P.E. News

In April, we are wrapping up our hand-eye coordination focus in P.E. for Kindergarten through fifth grade.

Third through fifth grade will also be completing our final fitness assessments of the year! Please remind your child(ren) to pack athletic shoes for P.E. class. Sandals, flip-flops, and slide-on shoes are **not** safe... especially as we prepare to begin our soccer unit next month.

Summer Ball

We are in need of 4-6 more 5th, 6th, or 7th grade softball players to complete on our two teams!! If you or anyone you know has a daughter who might be interested in playing summer softball, please reach out!! You do not have to go to Lake City Schools to play! Come, have some fun and make new friends this summer! Please reach out to missaukeeareaballassociation@gmail.com to sign up!

A Note from the Principal

Dear Lake City Elementary Families,

We had a great week here at Lake City Elementary. While the rainy weather kept our students indoors for much of the week, we were able to take advantage of the opportunities we did have to get outside, and those moments were truly enjoyable for everyone.

Our students also had the opportunity to engage in meaningful learning experiences with visitors from the conservation district and the humane society. These lessons provided valuable, real-world connections that our students found both engaging and memorable.

It was wonderful to welcome and meet our incoming kindergarten students and their families during Kindergarten Round Up. We are excited to have them join our school community and look forward to the year ahead.

We also wrapped up the week by conducting some great interviews for our open teaching positions. We are excited about the strong candidates and what they will bring to our school.

Thank you for your continued support. Have a great weekend.

Trojan Pride,

Principal Hamilton

Proud to be a Trojan

Hello Trojan Families! 

Ready to make a splash this summer?

If you have a 5–17 year-old who wants to learn to swim or build their skills, we've got the perfect opportunity!

On May 1st, keep an eye on your child's go-home folder for a flyer about the Lake Missaukee Swim Program. There you'll find all the details, along with a QR code to register when enrollment opens on **May 4th at 8:00 AM**.

You can also dive in online by visiting our Facebook page, *Missaukee Swim*, where you'll find updates, summer info, and the registration link.

Questions? We're happy to help—just email us at missaukeeswim@gmail.com.

We can't wait to partner with our community to help kids grow into safer, stronger, and more confident swimmers! 

See you at the lake!

Leslie Hejnal & the Lake Missaukee Summer Swim Crew

Lake City Elementary School Invites You To The
3rd Annual
