Parent Pick-Up Line

Please be prepared for QR code scanning at 3:10 PM. This helps ensure a smooth and efficient check-in process for everyone.
If you have your QR code, please have it ready for scanning at the scheduled time.
If you do not have a QR code, please make sure you are in your vehicle at 3:10 PM.
If you need a replacement QR code, feel free to reach out to the office.
Thank you for your cooperation!

A Note from the Principal

Dear Lake City Elementary Families,

We had another fantastic week at Lake City Elementary filled with learning, experiences, and memories that our students will carry with them for years to come.

This week also marked the completion of our spring testing season. I want to commend our students and staff for the hard work, perseverance, and positive attitudes they demonstrated throughout the process. Our students showed great effort and represented our school well.

In addition to wrapping up testing, students had the opportunity to enjoy several meaningful hands on learning experiences. Classes visited the county park where students were able to explore nature, learn outdoors, and enjoy time together as a school community. Each grade level also had the chance to experience the Farm Science Lab, which gave students an engaging opportunity to connect agriculture, science, and real world learning in a fun and interactive way.

One of the highlights of the week was our third grade field trip to Mackinac Island. Students had an incredible experience learning about the history, culture, and unique environment of one of Michigan's most special places. We are grateful to our staff and families who helped make this opportunity possible.

As we head into the holiday weekend, I hope everyone has a safe, relaxing, and enjoyable Memorial Day weekend with family and friends. We are thankful for those who have served and sacrificed for our country.

We look forward to seeing all of our students back at school on Tuesday as we continue to finish the school year strong together.

Trojan Pride,

Principal Hamilton

Proud to be a
Trojan

P.E. News

Coming soon... our Elementary Field Day is Wednesday, June 3rd! The students are so excited and are looking forward to it.

We will be outside most of the day and will be very active, so please make sure your child is prepared and successful by:

- wearing appropriate clothing for weather (and school)
- wearing sunscreen
- wearing tennis shoes (*flip flops, Crocs, slides, sandals are **not** safe!!)*

We will be moving a lot that day and we want everyone to be safe and have fun!!

Thanks in advance for your help with this.

Music Note

We've been busy this week in Music Class! Kindergarten is learning about high and low sounds, first grade is learning about rhythm and solfege (sol, mi, and la), and second grade has been working on 4/4 meter. Third, fourth, and fifth grade continue to work on learning the ukulele and applying the rhythms and solfege they have learned this year. They have also been learning about new musicians each week. This month we have listened to Bono, Adele, and Billy Joel. Next week, we will listen to Stevie Nicks! It has been fun introducing them to different musicians. Looking forward to the next few weeks of school, and all the fun we will have!

In song,

Mrs. Jessica Wall
Preschool-5th Grade Music Educator
