A Note from the Principal

Dear Lake City Elementary Families,

We had a great week at Lake City Elementary. Our students showed tremendous pride and effort during both NWEA and MSTEP testing, and we are incredibly proud of the focus, perseverance, and positive attitudes they demonstrated throughout the week.

We also had wonderful opportunities to strengthen our partnerships with our Partners in Education through a variety of activities that helped connect our students with our local community. These experiences continue to remind us how fortunate we are to have such strong support for our students and school.

Thank you for your continued encouragement and partnership in helping our students succeed each and every day.

I hope everyone has a great weekend.

Trojan Pride,

Principal Hamilton

If you are interested in improving the well-being of students at Lake City Area Schools consider volunteering for the District's Wellness Committee. We are seeking one or two parents or community members willing to work with staff to review and assess the goals of our Local Wellness Policy. Please contact Central Office at 231-839-4333 or email jrockey@lakecitytrojans.org if interested by May 15, 2026.

P.E. News 🙂
In P.E., we are working on our footwork skills through activities like soccer and kickball.
So *please, please, please*, have your child(ren) wear athletic shoes for P.E. class to keep them and everyone else safe and successful.
Sandals, flip-flops, slide-on shoes are **not** safe for P.E. class, *especially* during this unit.

Thanks for your understanding and help with this!
