A Note from the Principal

Lake City Elementary Families,

We had a great week at Lake City Elementary and wanted to take a moment to share a few highlights with you.
Several of our classes had the opportunity to visit our Adventure Learning Center at Missaukee Mountain this week. Students engaged in a variety of outdoor winter activities and had an absolute blast learning and exploring in the snow. Experiences like these continue to be a special part of what makes Lake City Elementary unique and help create memorable learning moments for our students.

We also hosted an engaging assembly focused on animals that live in our local area. Students enjoyed learning about wildlife found right here in our region and asked some great questions throughout the presentation.
March is Reading Month is officially underway and there are many fun literacy activities planned throughout the month. Please be sure to check the schedule that was sent home so you and your child can stay informed about the upcoming events and special themed days.

We are also excited to share that Lake City Elementary has once again received Evergreen Status from Michigan Green Schools, which is the highest level of recognition. This honor reflects the outstanding efforts of our students and staff to care for our environment and promote sustainability.
Thank you for your continued support of Lake City Elementary. We hope everyone has a wonderful weekend.

Trojan Pride,

Principal Hamilton
