P.E. News
A **HUGE** thank you to the *Cadillac Area Bowling Association* who loaned us bowling equipment this week in P.E.
All the students had a really fun time practicing bowling skills and saw a lot of improvement!

A Note from the Principal

Lake City Elementary Families,

What an incredible week at Lake City Elementary. Our days were filled with field trips, hands-on learning, and fun outdoor experiences that brought so much energy and excitement to our students. It is always special to see learning come to life beyond the classroom, and this week was a great example of that.

I also want to extend a sincere thank you to all of our families for the tremendous support at Literacy Night. The turnout was outstanding, and it was a great reminder of how strong our school community is when we come together around learning. Thank you as well for supporting our Book Fair. Your support helps us continue to put great books into the hands of our students.

As we head into Spring Break, I hope your family has time to rest, recharge, and enjoy time together. Please stay safe, and we look forward to welcoming everyone back on April 6th ready to finish the year strong.
