A Note from the Principal

Lake City Elementary Families,

We had another great week at Lake City Elementary! Our students had the opportunity to experience so many different things across the building and beyond. Three grade levels spent time at our Adventure Learning Center, giving students the chance to learn, explore, and challenge themselves in a different environment.

We are grateful for the energy and enthusiasm our students and staff bring to Lake City Elementary each day. There is so much great learning happening, and it is exciting to see our students growing through new experiences both inside and outside of the classroom.

Permission slips for our fall field trips have been sent home in your child's red folder. Please sign and return the permission slip along with $5.00 as soon as possible. Thank you for helping us get everything ready for our upcoming field trips!

I hope everyone has a wonderful weekend! Enjoy some time with family and friends, get outside, and take advantage of the great events happening throughout our community. We look forward to seeing everyone back at school on Monday to kick-off our Spirit Week! Please see the back of the newsletter for the Spirit Week flyer!
