News

If you would like to make any changes to your child's end of day plan, please call the office by 2:30pm.

A student is missing their hearing aid along with the band. Both are blue in color. If you have seen or found them, please notify the office.

A Note from the Principal

Dear Lake City Elementary Families,

We had a wonderful first week back to school! Even with several days of inclement weather, our students showed incredible resilience, positivity, and flexibility. It was truly refreshing to see our hallways filled once again with smiles, laughter, and the energy that makes Lake City Elementary such a special place to learn and grow.

As we move through the winter season, please remember that students go outside daily whenever conditions allow. We ask that families ensure students come to school prepared for the weather with appropriate coats, hats, gloves, boots, and snow pants so they can safely enjoy outdoor recess.

Thank you for your continued partnership and support. We hope everyone has a safe and restful weekend, and we look forward to seeing our students back at school on Monday.

Trojan Pride,

Principal Hamilton

P.E. News

With boot season here, *please, please, please* send athletic shoes with your child(ren) for P.E. class. This helps keep our equipment and gym floor dry and clean, which keeps everyone safe and successful. Thank you for your help with this!

This month:

- *Kindergarten through 2nd grade* are working on fundamental jumping and landing skills which will eventually lead into jumping rope.
- *Third through fifth grade* are completing fitness assessments to see the growth and progress they are making. They will be applying throwing and catching skills in game situations. They will also focus on jumping rope.
