A Note from the Principal

Lake City Elementary Families,

What a wonderful week at Lake City Elementary! Although it was a short week, we still made the most of our time together. With the beautiful fall weather, our students enjoyed some extra time in the sunshine and opportunities to get outside and enjoy the fresh air. It is always nice to take advantage of these sunny days as we move further into the fall season!

Next week, we are looking forward to some Halloween fun! Our annual Halloween Parade is Friday, and we can't wait to see our students show off their creative costumes. Families are welcome to come and watch the parade! Doors will open at 1:50 p.m., and the parade will begin at 2:00 p.m.

Following the parade, students will return to their classrooms to enjoy Halloween parties with their classmates. If you plan to pick up your student after the parade, please let the office know ahead of time and stop by to sign them out.

We hope everyone enjoys a wonderful weekend!

Trojan Pride,

Principal Hamilton

P.E. News

Third through fifth graders have completed their fall fitness assessments and set their *OWN* personal fitness goal. Coming home today is your child's Friday folder are their fitness assessment scores and personal goals. Stapled to that assessment sheet is a page with the *national* and *presidential fitness levels* to give you an idea of the expectations.

Please ask your child about their goal and encourage, help, or even join them in working consistently toward their goal. Thank you in advance for helping set your child up for success!
