## A Note from the Principal

Dear Lake City Elementary Families,

We had a great week at Lake City Elementary filled with exciting learning opportunities and memorable experiences for our students. Our second grade students enjoyed a wonderful trip to the Discovery Museum in Mount Pleasant, where they were able to explore, learn, and engage in hands-on activities.

Our fifth graders also had the opportunity to visit the middle school as they begin preparing for their next chapter. It was a great experience for them to learn more about what lies ahead and build excitement for the future.

In addition, our third through fifth students did an outstanding job wrapping up MSTEP testing this week. We are incredibly proud of the effort, perseverance, and pride they showed throughout the testing process.

Thank you for your continued support and partnership. I hope everyone has a great weekend.

Trojan Pride,

Principal Hamilton

**P.E. News**
**Parents of third through fifth grade students**... coming home today is a half-sheet with your child(ren)'s fitness data.

The top chart will show their progress over the year(s) in push-ups, curl-ups, and the Pacer test (running laps).

The bottom chart is the Standards for Healthy Fitness Zone. This allows you to identify the target fitness range so that you have an idea of your child(ren)'s progress in relation to national standards.

We're continuing our footwork skills in activities like soccer and kickball. So *please, please, please* have your child(ren) wear athletic shoes for P.E class to keep them and everyone else safe and successful. Sandals, flip-flops, slide-on shoes are **not** safe for P.E., especially during this unit.

Thanks for your understanding and help with this!

**Lake Missaukee Summer Swim Program Registration**

Hello Trojan Families!

At this time, both swim sessions for the Lake Missaukee Summer Swim Program are full; however, we will continue accepting waitlist registrations. Please note that the waitlist does not guarantee placement, but we will make every effort to accommodate as many participants as possible.

How to Register:

- Scan the QR code found below
- Visit the Lake Missaukee Library to access the QR code
- Visit our Facebook page, Missaukee Swim, for the direct registration link

Questions? Email us at: missaukeeswim@gmail.com

We're excited to work with our community and help our kids build lifelong water safety skills!
