A Note from the Principal

Dear Lake City Elementary Families,

We had a great week here at Lake City Elementary. Our students experienced a full and engaging schedule that included both Conservation District lessons, first grade Art Club, and M-STEP testing. It was wonderful to see their enthusiasm for learning and the effort they are putting into all that they do.

Our students continue to show their best each day and demonstrate strong Trojan pride throughout the building. We are proud of their focus, perseverance, and positive attitudes.

As we look ahead to next week, we will continue with additional testing. Please help support your child by ensuring they get a good night of sleep and come to school ready to do their best.

Thank you for your continued support. I hope everyone has a great weekend.

Trojan Pride,

Principal Hamilton

Proud to be a Trojan

Hello Trojan Families! 

Ready to make a splash this summer?

If you have a 5–17 year-old who wants to learn to swim or build their skills, we've got the perfect opportunity!

On May 1st, keep an eye on your child's go-home folder for a flyer about the Lake Missaukee Swim Program. There you'll find all the details, along with a QR code to register when enrollment opens on **May 4th at 8:00 AM**.

You can also dive in online by visiting our Facebook page, *Missaukee Swim*, where you'll find updates, summer info, and the registration link.

Questions? We're happy to help—just email us at missaukeeswim@gmail.com.

We can't wait to partner with our community to help kids grow into safer, stronger, and more confident swimmers! 

See you at the lake!
