A Note from the Principal

Dear Lake City Elementary Families,

We had another fun and busy week at Lake City Elementary. It was filled with exciting learning opportunities and memorable experiences for our students.

Throughout the week, several classes enjoyed visits to the Missaukee County Park, where students were able to explore and learn outdoors. Our 4th grade students had an incredible trip to Sleeping Bear Dunes, while our 5th graders traveled to the State Capitol for an unforgettable educational experience. Our kindergarten students enjoyed a special visit to the library, helping foster a love for reading and learning.

We also celebrated an important milestone as our 5th grade students participated in their graduation ceremony. It was wonderful to recognize their accomplishments and celebrate all they have achieved during their elementary years.

Thanks to our PTO, many classes enjoyed trips to Tasty Treat, creating even more special memories as we near the end of the school year.

With school wrapping up on June 9th, we still have many exciting activities and events coming up. Please make sure students are dressed appropriately each day for both indoor and outdoor activities, including comfortable shoes and weather-appropriate clothing.

Thank you for your continued support throughout the school year. We appreciate all you do to help make Lake City Elementary such a positive and caring school community.

Have a wonderful weekend.

Trojan Pride,

Principal Hamilton

P.E. News

Our Elementary Field Day is **Wednesday, June 3rd**! The students are so excited and are looking forward to it. We will be outside most of the day and will be very active, so please make sure your child is prepared and successful by:

- wearing appropriate clothing for weather (and school)
- wearing sunscreen
- wearing tennis shoes (*flip flops, Crocs, slides, sandals are **not** safe!!*)

We will be moving a lot that day and we want everyone to be safe and have fun!! Thanks in advance for your help with this.
