

## **PART-TIME, HOME-BASED, OR OFF-CAMPUS STUDENTS**

### **Part-time students:**

Part-time students are permitted to enroll and receive ancillary services, provided that such students are otherwise eligible for full time enrollment in the school district and such courses or services are not available in the student's private school or an approved extension thereof. Part-time status also includes: any student, not enrolled in a private school, who is receiving home-based instruction and taking courses at or receiving ancillary services from the district or both, or any student involved in an approved work training program.

### **Home-based instructions:**

Home-based instruction may be provided by a parent who has filed a declaration of intent with the superintendent. Parents may file their declaration of intent with the school district in which they reside or in a school district that has accepted their student pursuant to RCW 28A.225.225, Choice. All decisions relating to philosophy or doctrine, selection of books, teaching materials and curriculum, and methods, timing, place, and provision for the evaluation of home-based instruction shall be the responsibility of the parent. Failure of a parent to comply with the standards as specified in the law shall constitute a violation of the compulsory attendance law.

### **Off-Campus Instruction:**

A student may be enrolled in an off-campus instruction program provided that such experiences have been approved by the superintendent, or designee.

The superintendent is directed to establish procedures that define the district's responsibilities for home-based and off-campus instruction.
