

DIRECTOR ORIENTATION

The board will help newly-elected or appointed directors to understand the policies and procedures of the board. To facilitate this process, new directors will be provided with:

- WSSDA publications (e.g., Evaluation of School Personnel, Parliamentary Procedure)
- Selkirk School District School Board Member Handbook
- Goals for the school district and strategic plan, if developed
- Board policies and administrative procedures
- Student rights, responsibilities and conduct
- Available handbooks (District staff and student handbooks)
- Collective bargaining agreements (current versions)
- School budget
- Financial status reports (most recent copies)
- Board minutes (past year)
- Achievement test results
- Staff member job descriptions
- Calendar of anticipated board attended events
- Teacher roster
- Election and filing requirements
- Given a tour of all school facilities

The superintendent will assist each new director in the review of these materials and will review the role and function of the various administrators employed by the district. The superintendent will also clarify how to:

- (1) Arrange for visits of school or administrative offices
- (2) Request information regarding school operations,
- (3) Respond to a complaint concerning staff or program, and
- (4) Handle confidential information.

Directors will be encouraged to attend meetings, workshops and conferences to increase their knowledge and competencies.
