Uniting Families to Strengthen our School

We're excited to introduce the Parent Anchor Initiative (PAI)—a new parent organization at District #32 dedicated to supporting students, staff, and families in every building. Our goal is to strengthen the partnership between home, school, and community by creating traditions, supporting teachers, and providing opportunities that leave a lasting impact on our Pirates.

Meet our board and learn their "why":
President: Liz Meyr
Liz, a 2008 Perryville High School graduate, is the proud mom of three daughters—one in the primary building and one in elementary. She has poured years into the district through coaching volleyball, volunteering at field days, and helping with book fairs. Liz also serves on the Alumni Association Board. Her goal is to bring small-town pride to District #32 by creating traditions and memories that last a lifetime for our students.
Vice President: Suzanne Schamburg
Suzanne is a lifelong Perry County resident and a 2006 PHS graduate who proudly calls herself a Pirate through and through. As her children entered District #32, she felt called to give back to the school that gave her so much. Suzanne believes public schools are the cornerstone of a strong community and is passionate about ensuring teachers and staff have the support and resources they need to educate the next generation. She's excited to help make a lasting impact for District #32 and keep Pirate pride thriving for years to come.
Secretary: Megan Streiler
Megan, a 2012 PHS alumna, is a mom of two little Pirates and thrilled to serve on the PAI board. Her passion for supporting teachers began when her son attended Little Pirates, and she made a hobby of "spoiling" his teachers. Megan believes in giving back to the backbone of our school system—teachers—and is eager to help provide opportunities for students while building stronger relationships across the district.
Treasurer: Kelli Behrle
Kelli, a 2005 graduate of Jackson High School, is a proud parent of two Pirates. She believes strong schools build strong communities and that parents play a vital role in creating opportunities that leave a ripple effect for years to come. Kelli is committed to modeling community pride, volunteerism, and teamwork for her children, knowing that the work parents do today will strengthen families and future generations.
Fundraising Coordinator: Shelby Brewer
Shelby, a 2012 PHS graduate, is the mom of two and passionate about building strong connections between families, teachers, and schools. She believes that when parents show up and get involved, it strengthens the entire community and sets a powerful example for children. Shelby hopes to use her role to amplify parents' voices, ensure every student has the resources they need, and create programs and events that make school the best experience possible for all Pirates.

Pirate Pride Fundraiser

Our first ever PAI fundraiser has launched and will be closing soon! Don't forget to order your yard sign before it's too late! All proceeds go to activities for students and staff.
Order Here $20/sign
