A Brief History of North Desoto High School

In 1980 the citizens of District II had a vision and sought to make their vision a reality by launching and successfully passing a bond election. North DeSoto High is the result of that vision. The late Mr. Dave Means, a District II school board representative, was instrumental in providing for the construction of NDHS. Second Ward and Stonewall High Schools combined to form the student body of North DeSoto High School (NDHS) in the fall of 1982.

The official open house for NDHS was August 1, 1982. On August 26, 1982, the students in grades 7-12 from Stonewall and Second Ward Schools embarked upon a new institution in which to pursue their studies. The first school year was underway!

Students began to come up with all kinds of ideas for a mascot. Ben Walker, a junior yearbook staff member, came up with the idea and asked, "What about a Griffin?" Ben explained that the Griffin is a mythological creature with the body of a lion and the head and wings of an eagle. Encyclopedia sources reported that according to mythology, the Griffins were known for vigilance and strength and guarded the treasure of gold in the country of Scythia, far north of Greece. Ben's idea was that the Griffin would combine the mascot of Stonewall's Panthers and Second Ward's Eagles.

North DeSoto High School students have shown great loyalty, and the Griffin has proved vigilant and strong at the northern part of DeSoto Parish. The Griffin has proudly combined the Power of the Panther and the Spirit of the Eagle.

Discipline Policy

MINOR DISCIPLINARY INFRACTIONS – POSITIVE BEHAVIOR SUPPORT PROGRAM (PBS)

Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs.

When a student violates a major school rule (drugs, fighting, etc...) or is disrupting the class to the point that the teacher can no longer teach, the student is immediately removed and sent to see the Administration. The teacher completes the Louisiana Department of Education School Behavior Report at this time.

When students violate minor school rules (tardy to class, dress-code, chewing gum, etc...) their teachers follow the following process to help the student correct the behavior and encourage a positive behavior instead.

1. **First Offense** – the teacher/staff member will have a small conference/talk with the student and explain the negative behavior they exhibited and provide guidance to the student as to what they should have done in that situation.
2. **Second Offense** – the teacher will call the parent/guardian of the student and explain the types of negative behaviors exhibited and what has been done to correct those behaviors.
3. **Third Offense** – the teacher refers the student to the Administration. The Administration will make a phone call home and inform the parent of the severity of situation at this point.
4. **Fourth Offense (and additional offenses)** – the student will receive a major referral for repeated minor infractions. Discipline will be assigned by Administration per the discipline policy.

MAJOR DISCIPLINARY INFRACTIONS

It is each student's responsibility to report to school administration or bus operators any problem encountered with another student or any problem observed between other students that may need administrative attention.

It should be noted that students with disabilities may require additional procedures and accommodations as provided by Federal Law.

Please refer to the school district policy manual for the Code of Conduct which is relative to student behavior.

FIGHTING

The DeSoto Parish School Board, recognizing the importance of the safety and welfare of students, teachers, and staff, enact the following guidelines concerning discipline for students who instigate or participate in a fight while on a school campus, while on their way to or from school, or at any school sponsored activity. **Fighting and disturbing the peace at school may result in arrest by the SRO.**

If there is no school or district assertive discipline policy on the number of days for a suspension, the number of days for a suspension shall be at the principal's discretion. The principal should evaluate the circumstances involved with the incident, the age of the students and the grade, and set the number of days of suspension accordingly.

DeSoto Parish Schools

Clay J. Corley, Superintendent

Dear DeSoto Parish Family,

It is with great pleasure that I welcome you to the 2021-22 school year!

I am excited to welcome students and staff back to what we all hope to be a normal school year. That being said, it is up to us all to take the challenges and lessons learned over the past 18 months and create a new normal that is even more amazing than we could ever imagine.

Our mission statement, *Desoto Serves to care for our students, ensure their learning, and celebrate their graduation as citizens prepared to transform their dreams into realities*, is our overarching purpose of our organization. It frames our work for each day and it is why we exist as an educational system. It's why we have hope for a better tomorrow.

Service is a fundamental trait we must practice in our DeSoto schools. We are all called to the purpose of serving mankind and must encourage and help one another to work hard to reach our goals and beyond.

Our purpose is to "care for our students." This means providing safe environments, ensuring attendance, and nurturing positive relationships among our students. Students need to know we care so they can trust and understand that they are surrounded by people who care for them as both students and future leaders.

Our mission is to "ensure their learning." Student learning is the reason schools were created and it is our professional and moral obligation to make this happen. We have hired the best teachers to teach the best students and we are very strategic in our efforts to provide targeted instruction to all students. We monitor the progress of every student on an individual basis and provide intervention when students are behind level and extensions when they are above level.

Our ultimate goal is to "celebrate their graduation as citizens prepared to transform their dreams into realities." From the moment a student enters our system, we view them as a future graduate. During their time with us, we must do everything within our power to ensure they walk across the stage at commencement ready to transform their dreams into realities as they enter college or the workforce. Our students, educators, parents, Board, and community work together diligently to prepare our students well - to be good citizens of our great country.

We must continue to do our jobs well and meet the needs of those we serve in order to accomplish these goals. I am very honored to serve as your Superintendent and look forward to seeing you all soon.

Clay J. Corley

DESOTO PARISH SCHOOLS ACCEPTABLE USE POLICY FOR STUDENTS FOR COMPUTER USE, INTERNET SAFETY, AND DISTRICT NETWORK

Introduction:

The DeSoto Parish School Board believes it is necessary for all persons to become aware of acceptable use of computers. Any person using computers or other electronic information resources shall be required to use such equipment and resources in a responsible, legal manner. The School Board retains the right to monitor all computer usage and files for compliance to all regulations and/or procedures. Any usage of computers not in accordance with district regulations and procedures shall subject the user to appropriate disciplinary action up to and including termination. The School Board shall establish appropriate guidelines for exploring and using Internet resources within the school district to enhance learning and teaching activities. The Board shall incorporate the use of computer-related technology or the use of Internet service provider technology designed to block access or exposure to any harmful materials

or information, such as sites that contain obscene, pornographic, pervasively vulgar, excessively violent, or sexually harassing information or material. Sites which contain information on the manufacturing of bombs or other incendiary devices shall also be prohibited. However, the School Board does not prohibit authorized employees or students from having unfiltered or unrestricted access to Internet or online services, including online services of newspapers for legitimate scientific or educational purposes approved by the Board.

Internet Usage

Exploration of the Internet is encouraged, but with rights and privileges come responsibility. Any use of the Internet that adversely affects its operation in pursuit of teaching and learning or jeopardizes its use or performance for other community members is prohibited and may result in loss of Internet privileges, suspension or other appropriate disciplinary actions. The DeSoto Parish School Board does not condone the use of the Internet for any illegal or inappropriate activities and shall not be responsible for any such use by staff or students. Accordingly, regulations for participation by anyone on the Internet will include, but are not limited to the following:

1. Users must demonstrate honesty, integrity, and respect for others at all times. Appropriate manners and language shall be required.
2. Photographs, personal addresses, personal phone numbers, last names or any other personal information will not be disseminated/distributed in student use of the Internet.
3. Illegal activities, including copyright or contract violations shall not be permitted.
4. The Internet shall not be used for financial or commercial gain.
5. Threatening, profane, or abusive language/messages shall be forbidden. Suspension shall automatically result for a user who accesses, sends, receives, or configures electronically any profane or obscene language or pictures.
6. Activities shall not be allowed which may damage equipment or interrupt any networking system. Any attempt to alter, harm or destroy the data of another user of the Internet, or any network on the Internet shall be forbidden.
7. Users are not permitted to download, upload, or create, a computer virus on the Internet or any networking system.
8. Resources offered by the Internet and paid for by the School Board may not be willfully wasted.
9. A user shall not attempt to access any Internet resources or entities not previously authorized by the teacher.
10. Sending or posting anonymous messages shall be forbidden.
11. Product advertising, political lobbying, or sending messages involving illegal activities shall not be permitted. Violations shall be reported to the teacher when evidence of such is encountered on the Internet.
12. When a security problem is detected, it shall be reported immediately to the teacher, the school technology coordinator and the principal. The problem shall not be demonstrated to other users.
13. Suspension shall automatically result for a user who accesses, sends, receives, or configures electronically any profane or obscene language or pictures.
14. Students may have their pictures/videos posted on the official school web site or used relative to any educational matter. Last names will not be used. School group names or classes may be used.

Safety and security of users when using electronic mail, chat or other direct communications

Student e-mail accounts may be issued by DeSoto Parish School Board. Additionally, two-way, real-time electronic communication technologies such as Internet-based instant messaging and Internet chat will not be allowed within the District.

Furthermore, the participation by users in asynchronous electronic forums or bulletin boards that are not exclusively of educational nature is prohibited. The School Board may suspend or terminate any privilege to use the Internet at any time solely at the School Board's discretion. Any policies and/or regulations of the School Board defining use of the Internet serve as guidelines but do not warrant or guarantee access to or use of the Internet. Consequently, the School Board may, at any time and in its sole discretion, end the privilege of any individual to use the Internet without notice, cause, or reason.

Internet Protection

A *technology protection measure* is hardware and/or software technology that restricts or filters access to specific areas or sites on the Internet. It provides a measure of protection against access by minors or adults to Internet resources that are obscene, contain child pornography, contain material harmful to minors (with respect to Internet access by minors), or are otherwise inappropriate in an educational environment. While the Internet filter is very effective in blocking inappropriate content, the Internet is a rapidly expanding resource and no filtering or blocking technology is 100% effective. The possibility exists that all inappropriate content may not be blocked or that a determined person may find a method to partially or completely circumvent the filtering or blocking method.

As a matter of policy, all Internet access from within DeSoto Parish School District will be filtered. There is no exception to this policy. In the case of Internet access by minors, the filtering mechanism may not be disabled for any reason. If a person feels an Internet site has been blocked in error, an online written request from the school or central office department head must be submitted to the Technology Department who will review the site in question. If it is deemed that the site is wrongly blocked, the site will be opened. If there is any question about the appropriateness of the site, the Technology Department will make a recommendation to the Superintendent or designee for a final decision.

ACCOUNTABILITY

Student use of school computers or the Internet shall be reserved for academic purposes and the conducting of business aspects of the school system. All students using a school computer or a computer network located on school property, or computers accessing the Internet shall be accountable for its use. This includes but is not limited to:

- Equipment damage
- Use of unauthorized software
- Privacy and copyrights
- Accessing obscene or objectionable materials
- Sending or soliciting inflammatory, abusive, harassing, vulgar, or obscene messages or language
- Any action that is deemed inappropriate by the supervisory personnel

Student or class files on the network shall be treated as district property subject to control and inspection by School Board personnel. Access codes or passwords shall be kept on file by the principal or his/her designee in case an inspection is warranted. Use of the Internet and/or any computers shall be considered a privilege and any inappropriate use may result in appropriate disciplinary action and loss of privileges to use district computers or the Internet.

All web pages or electronic publications created by any organization, staff, student, or other person that are housed on the District's computer systems shall be subject to treatment as district-sponsored publications. Therefore, the district reserves the right to exercise editorial control over the content of these web pages or publications. Only content that supports the administrative, instructional, or other legitimate mission of the school or department will be allowed on District web sites. Additionally, no web page that represents any school, department, organization, or person of the DeSoto Parish School Board may be published on a web server that is outside of the District network without written permission of the Superintendent.

District sponsored web sites may contain links to web sites that are outside of the District site. While district personnel will make every reasonable effort to research links for appropriateness, these third party sites are not under the control of the District and the DeSoto Parish School District is not responsible for the contents of any linked site, any link contained within the linked site, or any changes or update to the linked site that may change its appropriateness. These links are provided as a convenience to users and their inclusion does not imply endorsement of these sites by DeSoto Parish School Board.

Games and other software that is not of specific educational or administrative nature should not be placed on any District computer. All software that is installed on District computers must be for a specific educational or administrative purpose. Acceptable educational games must be primarily marketed for instructional purposes. Educational software must address a benchmark, standard, or lesson plan. Excluded from this are programs that are packaged with computer operating systems, utility programs such as anti-virus software, or utility software that enhances access to a computer's resources such as

multimedia utility software. If there is a question about the appropriateness of particular software title, a request in writing should be made to the Technology Department.

UNAUTHORIZED AND ILLEGAL USE

Tampering with selection menus, procedures, or icons for the purpose of misleading or confusing other users shall be prohibited. Any use by any person of the district's internal network that incurs expenses to the school other than the monthly user fees and rates shall be strictly prohibited. Furthermore, the district's computer system shall not be used for commercial, political or religious purposes. Use of the network for any illegal activities shall also be prohibited. Illegal activities shall include but not be limited to

- tampering with computer hardware or software,
- unauthorized entry into computers and files,
- knowledgeable vandalism or destruction of equipment, and
- deletion of computer files.

Such activities may be considered crimes under state and federal law.

COPYRIGHTS

All students must adhere to the Copyright Law of the United States (17 U.S.C. '101-810) and the Congressional Guidelines that delineate it regarding software, authorship, and copying information. The unauthorized copying or transfer of copyrighted materials may result in the loss of network privileges. All persons who willfully violate copyright laws do so without the sanction of the Board and at their own risk and will assume all liability and responsibility.

VANDALISM

Vandalism will result in cancellation of privileges or other disciplinary action, up to and including termination. *Vandalism* is defined as any attempted or actual harm or destruction of the data of another user or other networks connected to the Internet. This includes, but is not limited to, the uploading or creation of computer viruses, attempts to tamper with any programs, applications, files, etc.

It shall be the policy of the Board to take positive action aimed at preventing the use of behavior affecting substances through education, counseling, parental engagement, and medical and law enforcement referrals in the handling of incidents in the schools involving the possession, sale, use, and/or being under the influence of behavior affecting substances. The DeSoto Parish School Board directs that each student shall be specifically prohibited from being under the influence of, bringing on, consuming, or having in one's possession on a school bus, on school premises, or at a school function away from the school, any alcoholic beverages or intoxicating substances, including look alike drugs, marijuana, or other controlled substances as defined by state statutes. The principal shall immediately notify by telephone the parents of any student found to be in violation of this policy. If a parent cannot be reached by phone, the principal shall notify parents by letter sent within twenty-four hours of the incident.

The Board authorizes the principal of each school to automatically suspend and recommend expulsion for any student being under the influence of alcohol and/or drugs on school property, on school buses, and/or at any school-sponsored event, at any time, during or after regular school hours. "Use" and/or "under the influence" means a student has smoked, ingested, imbibed, inhaled, drunk, or otherwise taken internally a prohibited substance recently enough that it is **detectable** by the student's actions, breathe, speech, and/or physical evidence.

DIRECTORY INFORMATION

Information classified as directory information may be disclosed from a student's record without the written consent of the parent or eligible student. Directory Information that has been designated by the School Board include the student's name, address, telephone number, date and place of birth, grade level, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended and photograph or video. A parent or eligible student may refuse to allow the School Board to designate any or all of the types of information about the student as directory information thus prohibiting its release to the public. After proper notice, a parent or eligible student shall have thirty (30) days in which to notify the School Board as to which types of information about the student shall not be designated as directory information.

BULLYING AND HARASSMENT

The DeSoto Parish School Board is committed to maintaining a safe, orderly, civil, and positive learning environment so that no student feels threatened while in school or participating in school-related activities. Students and their parents/guardians shall be notified that the school, school bus, and all other school environments are to be safe and secure for all. Therefore, the School Board prohibits and shall not tolerate bullying or harassment on school property, at a school-sponsored or school-related activity or function, on any school bus or van, at any designated school bus stop, in any other school or private vehicle used to transport students to and from school or any school-sponsored activity or event, or otherwise in a manner or by a method which operates to disrupt the educational process.

The DeSoto Parish School Board does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities, including all academic, extra-curricular and school-sponsored activities. Equal educational opportunity is a priority for all students and harassment of any kind is strictly prohibited.

Any student who believes he or she has been subjected to harassment or a hostile environment based on race, color, national origin, sex, disability, or age has the right to report any such incident(s) and to have the alleged harassment or hostile environment investigated. The school board is committed to conducting a prompt investigation of formal and informal complaints of harassment. Any student found to have engaged in acts of harassment or other acts that create a hostile environment based on race, color, national origin, sex, disability, or age will be appropriately disciplined, which may include suspension or expulsion. The DeSoto Parish School Board encourages students, parents, and district staff to work together to prevent acts of harassment of any kind.

The DeSoto Parish School Board adheres to the equal opportunity provisions of federal civil rights laws and regulations applicable to this agency. The School Board will not tolerate acts of harassment, including but not limited to acts of harassment based on race, color, or national origin pursuant to Title VI of the Civil Rights Act of 1964. The following person has been designated to handle inquiries regarding non-discrimination policies:

CLOSED CAMPUS

In order to comply with federal, state, and local regulations governing total operations of each school site, the DeSoto Parish School Board has decreed that all schools in DeSoto Parish is a “closed campus.” Neither students, staff, nor teachers shall leave the campus after arrival in the morning until school is dismissed in the afternoon. Students can be checked out only by parent/guardian in person. Faculty and staff must receive approval from the principal to leave campus for any reason.

EMERGENCY CARE

In the event a student requires emergency care, all pertinent health issues/concerns on file for the student will be provided to the Emergency Personnel. In addition, individual child-specific health assistance plans may be shared with the student’s direct school staff to provide a safe environment regarding the student’s health issues/concerns in the school setting.

EMERGENCY CLOSING OF SCHOOLS

The Board authorizes the Superintendent/designee to close any and all schools when prevailing or potential hazards threaten the safety and well-being of students, staff, or school property. Whenever practical, the Superintendent makes the decision to close school(s) after consulting with appropriate community agencies. Announcements and news releases to the media concerning such closing(s) are made by the Superintendent/designee.

In the event of any early closure, bus students will be bused home. Students that arrive at school by car will contact their parents by phone to arrange to be picked up.

EMERGENCY DRILLS

Special drill activities are planned by the principal and faculty of each school to ensure the orderly movement/evacuation of students and staff to the safest area, in the event of an emergency. Students and staff are informed of escape routes. A map is displayed in each room specifying the routes and procedures for evacuating the building.

EVACUATION OF SCHOOLS

The DeSoto Parish School Board provides a comprehensive plan for evacuation of schools in the event of a disaster. Disaster may come in many forms such as chemical spills, bomb threats, and/or a state of National Emergency. In cooperation with the local police and fire departments, 911 Call Center, and the DeSoto Office of Emergency Preparedness, the plan includes all centers and schools located in DeSoto Parish.

All Principals and Center Directors are responsible for informing their teachers and staff of the details and procedures of the evacuation plans. A map and details of the evacuation plan are kept in the office of the Principal and/or Student Services Supervisor, and a copy is given to the law enforcement officer that arrives for the escort of the evacuation. Also, the administrator assigned to the lead bus will have on board a copy of the plan.

(FERPA) FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) is a federal law enacted in 1974 that protects the privacy of student education records. FERPA applies to any public or private elementary, secondary, or post-secondary school and any state or local education agency that receives funds under an applicable program of the US Department of Education. The Act serves two primary purposes. It gives parents or eligible students more control over their educational records, and it prohibits educational institutions from disclosing “personally identifiable information in education records” without the written consent of an eligible student, or if the student is a minor, the student’s parents (20 U.S.C.S. § 1232g(b)). An eligible student is one who has reached age 18 or attends a school beyond the high school level.

Parents’ or Eligible Students’ Rights

Parents or eligible students have the right to take the following actions:

- Inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the original records (e.g., they live far away).
- Request that a school correct records they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Halt the release of personally identifiable information.
- Obtain a copy of the institution’s policy concerning access to educational records.

Schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. Schools that fail to comply with FERPA risk losing federal funding. Because parochial and private schools at the elementary and secondary levels generally do not receive funding under any program administered by the US Department of Education, they are not subject to FERPA. Private postsecondary schools, however, generally do receive such funding and are subject to FERPA.

Permitted Disclosures

FERPA allows schools to disclose information from a student’s education record, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest
- Other schools to which a student is transferring
- Specified officials for audit or evaluation purposes
- Appropriate parties in connection with financial aid to a student
- Organizations conducting certain studies for, or on behalf of, the school
- Accrediting organizations
- Appropriate officials in cases of health and safety emergencies
- State and local authorities, within a juvenile justice system, pursuant to specific state law
- To comply with a judicial order or lawfully issued subpoena

DESOTO PARISH HOMELESS PLAN

It is the policy of the DeSoto Parish School Board to assure that each child or youth residing within its jurisdiction has access to the same, free appropriate public education on the same basis as children and youth with established residences.

Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (per Title IX, Part A of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act) defines homeless as follows:

The term "homeless children and youths"--

(A) means individuals who lack a fixed, regular, and adequate nighttime residence (within the meaning of section 103(a)(1)); and

(B) includes--

- (i) children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;*
- (ii) children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings (within the meaning of section 103(a)(2)(C));
- (iii) children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- (iv) migratory children (as such term is defined in section 1309 of the Elementary and Secondary Education Act of 1965) who qualify as homeless for the purposes of this subtitle because the children are living in circumstances described in clauses (i) through (iii).

We provide services to children and youth living in homeless and domestic violence shelters, motels, campgrounds, cars, those living with family or friends, those living on the streets or in substandard housing and runaway/throwaway youth (unaccompanied youth).

Whether to provide enrollment assistance, school supplies, tutorial services or enrichment activities are based on educational principles. All educational programs are designed to have the common purpose of contributing to the positive physical, emotional, social and academic growth of each child.

The Title I program provides services to all homeless children and youth attending school in DeSoto Parish. The parish has policies that could be considered barriers for homeless children to access school services. All students identified as experiencing homelessness are given equal and full access to school enrollment and equal opportunity to succeed in DeSoto Parish schools.

Public notice of the educational rights of students is disseminated to all schools in the form of posters and brochures. In addition, school personnel, homeless shelters and community agencies working with the homeless population are in-serviced on the educational rights of homeless students and receive awareness materials explaining these educational rights.

DeSoto parish ensures that homeless children and youth are identified by school personnel and through coordination with other entities and agencies. We have a designated staff person as the liaison for homeless students. Through awareness in-services and materials, the parish homeless liaison keeps schools and programs aware of the definition of homeless children and youth and the procedures for identifying and providing

assistance to homeless students. The parish ensures that school personnel, service providers and advocates who work with families in homeless situations know the duties of the homeless liaison.

Homeless students are given immediate access to school even when required documentation such as school records, medical records, proof of residency or any other document required by this parish is not readily available at the time of initial enrollment. Children are enrolled based on the area in which they are presently living or in their school of origin. School of origin is defined as the school that the child or youth attended when permanently housed or the school in which the student was last enrolled. Students are permitted to remain in school of origin when feasible, unless it is against the parent or guardian's wishes. Students remain in the school of origin for the duration of their homelessness or until the end of the academic year in which they move into permanent housing. The parish will provide transportation to the school of origin when possible, at the request of the parent or guardian or the district homeless liaison in the case of unaccompanied youth.

Any school in the parish that disputes the enrollment of a homeless student, must provide a written explanation of its decision and the right to appeal if a student is sent to a school other than that requested by the parent or guardian, or, in the case of an unaccompanied youth, at the request of the homeless liaison. The choice regarding placement shall be made regardless of whether the child or youth lives with the homeless parents or has been temporarily placed elsewhere.

If the homeless child or youth needs to obtain immunizations, medical records, the school obtains the necessary documents. If the school cannot get necessary records, they may notify the homeless liaison for assistance. In the interim, the student is enrolled in school.

Each homeless student in DeSoto parish is provided with services comparable to services offered to other students in the school selected, including transportation, educational services for which the student meets the eligibility criteria including Title I, preschool programs, educational programs for children with disabilities, students with limited English proficiency, programs in vocational and technical education, programs for gifted and talented students, and school nutrition programs.

DeSoto parish informs parents or guardians of the educational and related opportunities available to their children. The parish also provides meaningful opportunities for the parents to participate in the education of their children.

If you have questions regarding our homeless program, please contact our office at 872-1198.

- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act. If you believe your children may be eligible, contact the local liaison at (318) 872-1198 to find out what services and supports may be available.

ATTENTION PARENTS: IMPORTANT INFORMATION ABOUT INTERNET SAFETY FOR YOUR CHILD

As access to technology and the Internet continues to grow, children are increasingly interacting with strangers online, accessing Internet pornography, and experiencing cyberbullying. This is extremely dangerous. Most parents routinely warn their children not to talk to strangers, but did you know that many video games have chat features that allow your child to converse and share images with strangers? Children may think they're playing with other children, but the person on the other computer could be anyone.

Children also have greater access to pornography, particularly on the Internet, than ever before. Research has shown that pornography can harm children for many years through adulthood. The effects of pornography can be addicting, traumatizing, and lead to unhealthy or abusive sexual relationships as children grow up.

Cyberbullying also becomes a real issue as children begin using social media. Louisiana state law defines cyberbullying as "the transmission of any electronic textual, visual, written, or oral communication with the malicious and willful intent to coerce, abuse, torment, or intimidate a person under the age of eighteen", and also includes sexually charged content such as revealing photos and messaging of a sexual nature. Louisiana has enacted strong laws to address bullying and cyberbullying by public school students (R.S. 17:416.13, Act 369 of the 2018 Regular Session, R.S. 17:100.7).

WHAT CAN PARENTS DO?

KNOW what technology your child uses and how it works. Does the device connect to the Internet? Does game or app allow for online upgrades or purchases, or include a chat feature or multiple players? Is your child required to have an account to play the game or use the app that will include their personal information?

MONITOR how your child uses technology and restrict the time they spend on the Internet by establishing ground rules. If your child interacts with strangers or accesses inappropriate material online, talk to them about the dangers of doing so and take steps to prevent it from happening again.

TALK regularly with your child about how he/she uses technology and how to do so safely. Tell your child what to do if contacted by a stranger, if inappropriate materials are accessed, or if your child feels bullied. Tell your child to never share personal information or photos with stranger, and encourage open communication so that he/she feels comfortable coming to you with questions or concerns.

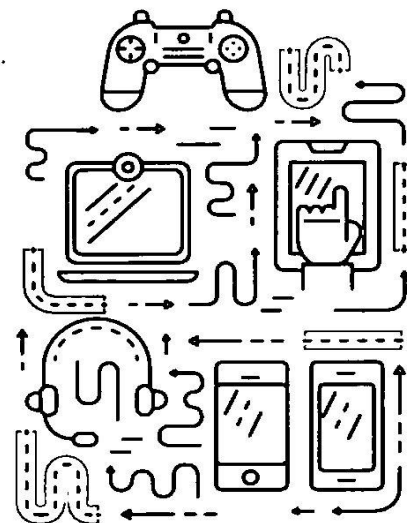

REPORT any suspicious communications to the police and speak with school administrators about possible cyberbullying so that action can be taken.

WHAT RESOURCES CAN HELP?

There are many resources to support parents in protecting their child from dangerous online content and communications, including:

- NetSmartz.org offers information, tips, and advice for parents and educators on safe technology use.
- Louisianabelieves.com, the Louisiana Department of Education's website, contains information and procedures to follow in the event that your child is experiencing bullying. (Type "bullying" in the search box.)
- Stopbullying.gov offers tips on how to identify and safely stand up to bullying
- www.fbi.gov/resources/parents, FBI resources for parents that address cyberbullying, advice for kids, social networking sites, child sexual exploitation, missing children, and more.
- Free Internet filters you can install at home: cleanbrowsing.org, OpenDNS Family shield (<https://www.opendns.com/home-internet-security/>), K9 Web Protection (<http://www.k9webprotection.com/>), and Windows Live Family Safety (account.microsoft.com/family).

STUDENT PAYMENT FOR CERTAIN EQUIPMENT AND SUPPLIES

Fees for equipment and supplies are determined by individual schools. The school principal may be contacted about fees assessed at each school. Students are responsible for paying the fees established by the school. Students are responsible for every textbook issued to them. If a textbook is lost or damaged, the student pays the replacement cost of the book. Students are also responsible for payment for lost or damaged library books, media, and equipment.

STUDENT PARTICIPATION IN GRADUATION/ACADEMIC/EXTRACURRICULAR ACTIVITY

Participation in graduation exercises or any other academic or extracurricular activity is a privilege. The principal has the right to restrict participation or not grant participation outright if the student's behavior or actions will have a negative impact on the school or event. This includes behavior that may have occurred at both school sponsored and non-sponsored activities and events.

STUDENT USE OF TOBACCO

Students are not permitted to possess tobacco/tobacco products or to smoke on school property during the school day, at school activities held after school hours, or when riding school buses to/from school. Parental permission to smoke does not exempt a student from this policy. Students who violate the policy are suspended. This includes e-cigarettes and vapor smoke. Students who violate the policy are suspended.

WEAPONS

The Board authorizes the principal of each school to automatically suspend and recommend expulsion for any student found in possession of a dangerous weapon on school property, on school buses, and/or at any school-sponsored event, at any time, during or after regular school hours. **A dangerous weapon is any gas, liquid or other substance or instrument that, in the manner used, is likely to produce death or great bodily harm. All vehicles located on school property are subject to search by school officials under the "special needs" doctrine. The basis for this search shall be reasonable suspicion.**

MEDICATION IN SCHOOL

Dear Parent/Guardian:

We would like to inform you of the guidelines that have been put into place to ensure the health and safety of children needing medicines during school hours.

School medication orders shall be limited to medications which **CANNOT** be given before or after school hours.

The parent/guardian who wishes to have medication administered to his/her student shall provide the following:

1. **Parent Consent Form** – signed by the parent/guardian.
2. **Medication Order Form** – This must be completed and signed by a Louisiana or adjacent state licensed physician or dentist. Dosage changes must be in writing from the doctor. Orders must be renewed at the beginning of each academic year and with any dosage or medication change during the academic/school year.
3. **Arrangements for the safe delivery of the medication to and from school in the original labeled container as dispensed by the pharmacist.** Please ask the pharmacist to provide separate bottles for school and home use. The correct dosage should be provided by the pharmacist so that the tablets do not have to be broken or crushed. No more than a 25-day supply of medicine should be delivered to the school. **Medication must be delivered to the school by an adult. Do Not Send Medication To School With Your Child.**

All aerosol medication (inhalers) should be delivered to the school in pre-measured dosage with the pharmacy label.

It is required that the first dose of any new medication be given at home. Adequate time, (one week), must be allowed for the parent to observe the child for possible reactions to the medication before it can be administered at school.

Medication forms may be obtained from your school office or the school nurse. After all forms are complete, **please make an appointment to meet with the school nurse**, prior to bringing medication to school. Medication **will not** be administered until a health plan and an authorization plan have been completed by the parent and nurse.

All medication that is not picked up from school a week after school closes for the summer will be destroyed.

Thank you for your cooperation. If you have any questions, please contact the nurse at your child's school.

GUIDELINES FOR SCHOOL ATTENDANCE

Dear Parents,

The school has a responsibility to maintain a healthy environment for **all students**. School attendance is important; however, sending sick children to school promotes the spread of infections.

Here are some guidelines to consider when deciding whether your child should attend school.

1. **FEVER** is a sign of illness or infection. If your child has a temperature of 100* or above, he/she **should remain at home. Children must be free of fever for 24 hours without fever medication before returning to school.** Evidence of infection – red, sore throat, swollen glands, drainage of pus, or green/yellow nasal discharge – please keep your child at home.
2. **VOMITING and DIARRHEA are often contagious.** Your child should be watched closely for dehydration and/or bloody stools. **Children must be free of diarrhea and vomiting for 24 hours before returning to school.**
3. Children often have runny noses and coughs during cold and allergy seasons. These should be watched carefully. **Your child should remain at home if he/she is too uncomfortable to benefit from instruction, has a frequent cough and/or thick green or yellow nasal discharge. If these symptoms persist, a doctor should be consulted.**
4. **ASTHMA** is a chronic inflammatory lung disease characterized by recurrent attacks of breathing problems. Keep your children home and seek medical advice when they have a fever, signs of infection, wheezing which continues to increase one hour after medication is taken, they are too weak/tired to take part in routine daily activities or breathing is labored, irregular or rapid.
5. **PINKEYE** is contagious and must be treated. Symptoms include redness, itching, swelling, drainage and excessive matter upon awakening in the morning. (Eye lids may be “stuck” together). **Do not send student to school with these symptoms.** Student may return to school after being on medication for 24 hours, and if symptoms have disappeared.
6. **RINGWORM** is a fungal infection of the skin and may be spread from one child to the other. There are two types:
 - a) **RINGWORM OF THE SCALP** – the student must be seen by a doctor and be on medication for 24 hours before returning to school. A note from the doctor is required.
RINGWORK OF THE SKIN may be treated with special over-the-counter medications.

7. **INJURIES**: When a student is hurt, minor injuries will be treated at the office by the school nurse/office staff. Some injuries may require parental attention; therefore, you may be notified by the school and asked to come assess the injury. For this reason, PLEASE be sure to keep all your information and numbers current. Inform your child's teacher or the office of changes immediately (in person with ID or by sending signed note with your child) as you are legally responsible for keeping the school updated with contact information.
8. **CHRONIC HEALTH CONDITIONS**: Parents are responsible for providing health documentation and updates for students with chronic health conditions to the school nurse at the beginning of each school year or upon entering the DeSoto Parish School system.

Thank you for helping us to keep your children healthy!

HPV Vaccine for Preteens and Teens

Last updated JULY 2015

Why does my child need HPV vaccine?

This vaccine is for protection from most of the cancers caused by human papillomavirus (HPV) infection. HPV is a very common virus that spreads between people when they have sexual contact with another person. About 14 million people, including teens, become infected with HPV each year. HPV infection can cause cervical, vaginal, and vulvar cancers in women and penile cancer in men. HPV can also cause anal cancer, throat cancer, and genital warts in both men and women.

When should my child be vaccinated?

The HPV vaccine is recommended for preteen boys and girls at age 11 or 12 so they are protected before ever being exposed to the virus. HPV vaccine also produces a higher immune response in preteens than in older adolescents. If your teen hasn't gotten the vaccine yet, talk to their doctor about getting it for them as soon as possible.

HPV vaccination is a series of shots given over several months. The best way to remember to get your child all of the shots they need is to make an appointment for the remaining shots before you leave the doctor's office or clinic.

What else should I know about HPV vaccine?

Girls need HPV vaccination to prevent HPV infections that can cause cancers of the anus, cervix, vagina, vulva, and the mouth/throat area. Boys need HPV vaccination to prevent HPV infections that can cause cancers of the anus, penis, and the mouth/throat area. HPV vaccination can also prevent genital warts.

HPV vaccines have been studied very carefully. These studies showed no serious safety concerns. Common, mild adverse events (side effects) reported during these studies include pain in the arm where the shot was given, fever, dizziness and nausea.

Some preteens and teens might faint after getting the HPV vaccine or any shot. Preteens and teens should sit or lie down when they get a shot and stay like that for about 15 minutes after the shot. This can help prevent fainting and any injury that could happen while fainting.

Serious side effects from the HPV vaccine are rare. It is important to tell the doctor or nurse if your child has any severe allergies, including an allergy to latex or yeast. HPV vaccine is not recommended for anyone who is pregnant.

HPV vaccination is recommended by the Centers for Disease Control and Prevention (CDC), the American Academy of Family Physicians, the American Academy of Pediatrics, and the Society for Adolescent Health and Medicine.

How can I get help paying for these vaccines?

The Vaccines for Children (VFC) program provides vaccines for children ages 18 years and younger, who are not insured, Medicaid-eligible, American Indian or Alaska Native. You can find out more about the VFC program by going online to www.cdc.gov and typing VFC in the search box.

Where can I learn more?

For more information about HPV vaccines and the other vaccines for preteens and teens, talk to your child's doctor or nurse. More information is also available on CDC's Vaccines for Preteens and Teens website at www.cdc.gov/vaccines/teens.

Meningococcal ACWY Vaccines—MenACWY and MPSV4: *What You Need to Know*

Many Vaccine Information Statements are available in Spanish and other languages. See www.imzmmine.org/vis

Hojas de Información Sobre Vacunas están disponibles en español y en muchos otros idiomas. Visite www.imzmmine.org/vis

1 Why get vaccinated?

Meningococcal disease is a serious illness caused by a type of bacteria called *Neisseria meningitidis*. It can lead to meningitis (infection of the lining of the brain and spinal cord) and infections of the blood. Meningococcal disease often occurs without warning—even among people who are otherwise healthy.

Meningococcal disease can spread from person to person through close contact (coughing or kissing) or lengthy contact, especially among people living in the same household.

There are at least 12 types of *N. meningitidis*, called “serogroups.” Serogroups A, B, C, W, and Y cause most meningococcal disease.

Anyone can get meningococcal disease but certain people are at increased risk, including:

- Infants younger than one year old
- Adolescents and young adults 16 through 23 years old
- People with certain medical conditions that affect the immune system
- Microbiologists who routinely work with isolates of *N. meningitidis*
- People at risk because of an outbreak in their community

Even when it is treated, meningococcal disease kills 10 to 15 infected people out of 100. And of those who survive, about 10 to 20 out of every 100 will suffer disabilities such as hearing loss, brain damage, kidney damage, amputations, nervous system problems, or severe scars from skin grafts.

Meningococcal ACWY vaccines can help prevent meningococcal disease caused by serogroups A, C, W, and Y. A different meningococcal vaccine is available to help protect against serogroup B.

2 Meningococcal ACWY Vaccines

There are two kinds of meningococcal vaccines licensed by the Food and Drug Administration (FDA) for protection against serogroups A, C, W, and Y: meningococcal conjugate vaccine (MenACWY) and meningococcal polysaccharide vaccine (MPSV4).

Two doses of MenACWY are routinely recommended for adolescents 11 through 18 years old: the first dose at 11 or 12 years old, with a booster dose at age 16. Some adolescents, including those with HIV, should get additional doses. Ask your health care provider for more information.

In addition to routine vaccination for adolescents, MenACWY vaccine is also recommended for certain groups of people:

- People at risk because of a serogroup A, C, W, or Y meningococcal disease outbreak
- Anyone whose spleen is damaged or has been removed
- Anyone with a rare immune system condition called “persistent complement component deficiency”
- Anyone taking a drug called eculizumab (also called Soliris®)
- Microbiologists who routinely work with isolates of *N. meningitidis*
- Anyone traveling to, or living in, a part of the world where meningococcal disease is common, such as parts of Africa
- College freshmen living in dormitories
- U.S. military recruits

Children between 2 and 23 months old, and people with certain medical conditions need multiple doses for adequate protection. Ask your health care provider about the number and timing of doses, and the need for booster doses.

MenACWY is the preferred vaccine for people in these groups who are 2 months through 55 years old, have received MenACWY previously, or anticipate requiring multiple doses.

MPSV4 is recommended for adults older than 55 who anticipate requiring only a single dose (travelers, or during community outbreaks).

Centers for Disease Control and Prevention

3 Some people should not get this vaccine

Tell the person who is giving you the vaccine:

- **If you have any severe, life-threatening allergies.**
If you have ever had a life-threatening allergic reaction after a previous dose of meningococcal ACWY vaccine, or if you have a severe allergy to any part of this vaccine, you should not get this vaccine. Your provider can tell you about the vaccine's ingredients.

- **If you are pregnant or breastfeeding.**

There is not very much information about the potential risks of this vaccine for a pregnant woman or breastfeeding mother. It should be used during pregnancy only if clearly needed.

If you have a mild illness, such as a cold, you can probably get the vaccine today. If you are moderately or severely ill, you should probably wait until you recover. Your doctor can advise you.

4 Risks of a vaccine reaction

With any medicine, including vaccines, there is a chance of side effects. These are usually mild and go away on their own within a few days, but serious reactions are also possible.

As many as half of the people who get meningococcal ACWY vaccine have **mild problems** following vaccination, such as redness or soreness where the shot was given. If these problems occur, they usually last for 1 or 2 days. They are more common after MenACWY than after MPSV4.

A small percentage of people who receive the vaccine develop a mild fever.

Problems that could happen after any injected vaccine:

- People sometimes faint after a medical procedure, including vaccination. Sitting or lying down for about 15 minutes can help prevent fainting, and injuries caused by a fall. Tell your doctor if you feel dizzy, or have vision changes or ringing in the ears.
- Some people get severe pain in the shoulder and have difficulty moving the arm where a shot was given. This happens very rarely.
- Any medication can cause a severe allergic reaction. Such reactions from a vaccine are very rare, estimated at about 1 in a million doses, and would happen within a few minutes to a few hours after the vaccination.

As with any medicine, there is a very remote chance of a vaccine causing a serious injury or death.

The safety of vaccines is always being monitored. For more information, visit: www.cdc.gov/vaccinesafety/

5 What if there is a serious reaction?

What should I look for?

- Look for anything that concerns you, such as signs of a severe allergic reaction, very high fever, or unusual behavior.

Signs of a severe allergic reaction can include hives, swelling of the face and throat, difficulty breathing, a fast heartbeat, dizziness, and weakness—usually within a few minutes to a few hours after the vaccination.

What should I do?

- If you think it is a severe allergic reaction or other emergency that can't wait, call 9-1-1 and get to the nearest hospital. Otherwise, call your doctor.
- Afterward, the reaction should be reported to the "Vaccine Adverse Event Reporting System" (VAERS). Your doctor should file this report, or you can do it yourself through the VAERS web site at www.vaers.hhs.gov, or by calling 1-800-822-7967.

VAERS does not give medical advice.

6 The National Vaccine Injury Compensation Program

The National Vaccine Injury Compensation Program (VICP) is a federal program that was created to compensate people who may have been injured by certain vaccines.

Persons who believe they may have been injured by a vaccine can learn about the program and about filing a claim by calling 1-800-338-2382 or visiting the VICP website at www.hrsa.gov/vaccinecompensation. There is a time limit to file a claim for compensation.

7 How can I learn more?

- Ask your health care provider. He or she can give you the vaccine package insert or suggest other sources of information.
- Call your local or state health department.
- Contact the Centers for Disease Control and Prevention (CDC):
 - Call 1-800-232-4636 (1-800-CDC-INFO) or
 - Visit CDC's website at www.cdc.gov/vaccines

John White
State Superintendent of Education
Louisiana Department of Education

Baton Rouge, LA 70802-5234

Dear Superintendent White,

Effective July 1, 2019, Louisiana law will require students entering 11th grade, or 16 years of age and entering any grade, to provide satisfactory evidence of current immunization meningococcal conjugate vaccine (MCV) against meningococcal disease as a condition of school entry. This requirement expands on the current requirement for students in 6th grade or that are 11 years of age.

This law originated from the passage House Bill No. 176, from the 2018 Regular Session by Representative Leger, which mandates this school entry requirement. Revised Statute 17:170 E continues to allow an exemption from this school entry requirement for medical reasons or written dissent.

Meningococcal vaccination is recommended for children at 11 and 16 years of age on the 2018-2019 Louisiana Immunization Schedule. The new requirement for two doses of the MCV will be added to the Schedule's section titled Louisiana State Law. Note that this requirement does not apply to the other meningitis vaccine, MenB.

This legislation requires the Louisiana Department of Education to notify each city, parish and other local school board, the governing authority of each nonpublic school system and the parent or legal guardian of students participating in an approved home study program.

The Louisiana Department of Health, Office of Public Health staff are available for further discussion of this legislative mandate.

Sincerely,

**DESOTO PARISH
TRANSPORTATION DEPARTMENT
Parent/Student Information**

Parents and Guardians:

Please discuss these bus passenger rules and procedures with your child. Your child should appreciate the important part he/she plays in accomplishing **SAFE** and **EFFICIENT** Parish transportation.

Your child should understand that riding a school bus is a privilege, conditioned on appropriate, safe and respectful behavior. Disorderly conduct on the bus is a very real risk to the safe operation of a school bus.

Your cooperation in communicating this very important message would be most appreciated.

Larry C. Hall Jr.
Transportation Coordinator
DeSoto Parish School Board

Bus Service Eligibility:

Bus service is provided for all Elementary age students (grades PREK-5); Middle school age students (grades 6-8) and High school age students (grades 9-12).

In order to change their normal bus and/or stop (based on the child's provided HOME address), student's must present written permission signed by their parent/guardian to the principal's office in order to obtain a bus pass from the school office to present to the bus operator.

Enroute to the Bus Stop:

Parents/guardians are encouraged to review their child's walking route to the bus stop, advising about safety concerns, and chaperone their child at the stop while waiting for the bus. Operators are encouraged whenever possible, to leave the BACK 2 SEATS on both sides of the bus empty to protect student safety in the event of rear impact.

Be Prompt:

Please arrive at the assigned bus stop AT LEAST five (5) minutes prior to the scheduled bus arrival time. For safety, once bus doors are closed, operator may not be able to stop for late-arriving students.

At the Bus Stop:

While waiting at the bus stop, students are expected to stand a safe distance from the street and avoid activities that could cause injury to themselves or others. Students are expected to respect the property of others. When the bus approaches, students must observe the instructions of the operator. This is particularly important in the winter months when slick road conditions exist.

Boarding/Departing Bus:

Students must wait for the bus to come to a complete stop before approaching the bus or leaving their seat. It may be necessary to cross the road to board/depart the bus. Students are expected to observe the operator's instructions and always cross in front of the bus with the aid of the flashing stop sign, lights and crossing arm. In this case make sure you **FOLLOW THE INSTRUCTIONS** of your bus operator to cross safely. Often times, they have a much better view from the operator's seat than the student has from the roadway.

Items Not Allowed on the Bus:

For reasons of safety and health; and in order to comply with state law and District policies, the following are not allowed on a school bus:

- Glass objects of any kind; (bottles, jars, etc.);
- Open containers of food, drink, etc.;

- Inflated balloons;
- Live animals, bugs, worms, etc.
- Plants, dirt, sand or other growing projects;
- Oversized objects or instruments that cannot fit safely in the seat with the student;
- Weapons of ANY kind (guns, knives, razor blades, lighters, etc.), real or toy;
- Sports equipment which could endanger others;
- Any item which cannot be transported safely in the seat with the student, or which creates a safety concern;
- Distractive electronic devices or trading cards.

Please arrange for your own transportation if any of the above items need to go to or from school.

Operator Authority:

The operator has full authority over students on the bus, and will have assigned seats on the bus to assure student safety or order. If a student demonstrates inappropriate behavior, the parent will be contacted to assist the student to modify the behavior of concern.

Student Conduct:

Being transported on a DeSoto Parish School bus is a privilege, not a right. The District must assure that proper conduct is maintained in all vehicles for the health, safety and welfare of all students. The responsibility for the proper conduct on the bus rests with the parents and students. Responsibility for the administration of the procedures listed below rests with the building principal to which the students are assigned. The operator is in complete charge of the bus.

Students who risk the safety of others or themselves may lose the privilege of riding the bus. Safe, respectful conduct is expected of all students to insure safety. Students being transported are expected to adhere to the following Code of Conduct & Safety:

Students Will:

- Arrive at the assigned bus stop approximately five (5) minutes prior to the scheduled bus arrival time.
- Wait to board the bus or leave their seat until the bus has come to a complete stop.
- Board and depart the bus in an orderly and safe manner – single file, with no running or pushing.
- Remain in their seats upon entering the bus and during the entire route until they are designated to depart by the bus operator.
- Ride only on their assigned bus – boarding and departing at their designated stop unless they have an approved bus pass from their school office.
- Maintain safe conditions within the bus at all times.
- Not extend hands, arms, etc. or objects out of the windows or door, or throw objects inside or from the bus.
- Not be allowed to use obscene or inappropriate language or any hurtful language directed at another student.
- Not be allowed to use electronic devices or radios that may be distracting to the operator.
- Not be allowed to transport large items that do not fit safely in the bus seat with them.
- Not be allowed to eat or drink on the bus.
- Obey the school bus operator at all times. In case of emergency, remain seated in the bus unless directed to do otherwise by the operator or individual in authority.
- **Be required to pay for damages or replacement if a student damages seats or other parts of the bus.**
- Not be allowed to transport live animals or other growing projects on the bus.

The Parish reserves the right to establish any other rules and regulations that protect the health, safety and welfare of the students.

If a student violates any of the above rules/regulations and loses their bus privilege, the student or his/her parents/guardians will be responsible for transportation to and from school during the time of the bus suspension. Even though bus privileges are lost/suspended, the law still required attendance at school per student attendance policy.

Certain activities may result in immediate suspension from bus riding privileges. These include but are not limited to:

- Fighting on the bus.
- Throwing objects in or out of the bus.
- Possession of weapons or dangerous articles.
- Destroying or defacing district or private property.
- Use of sparking devices.
- Smoking or use/possession of drugs, alcohol or any form of tobacco.
- Obscene gestures or profanity directed at the bus operator or others.
- Any part of the body extended outside of the bus.
- Assault on a bus operator will result in indefinite suspension and possible criminal charges.
- Pointing a laser pointer at a bus operator will result in suspension from the bus and possible criminal charges due to the extreme distraction that could result in an accident, and potential for eye injury caused by such devices.

Student Discipline:

The District has adopted a progressive discipline policy which emphasized logical consequences for inappropriate behavior. If warranted, your child will be issued a written notice for you to review and sign. All DeSoto Parish School buses are equipped with digital video and audio recording systems. Student behavior may be monitored or observed from the video system.

Parents are encouraged to contact the school any time they have concerns. If appropriate, a conference with other parties, including the student and operator may be arranged. The District reserves the right to suspend transportation privileges for any student who demonstrates behavior unreasonably distracting to the operator, which may contribute to an unsafe operation.

Disciplinary Procedures:

When, in the opinion of the operator, a serious rule violation occurs or when the operator's efforts to deal with less severe violations are unsuccessful or a pattern seems to have developed; a school bus incident report will be initiated. The intent is to maintain good order and a safe environment for students riding buses to and from school or school sponsored activities, as well as to notify parents of the misconduct of their children.

****The school bus environment is an extension of the classroom and the same consequences and violations flow charts will be used for infractions on the school bus.****

The following are standard actions that will generally be applied uniformly:

- 1) **The bus operator shall contact the parents and discuss the problem.**
- 2) **The student will be written up and referred to the office if misbehavior continues to occur.**
- 3) **The principal shall contact the parents, either by phone or through the referral form, and the student will be reprimanded. A warning will be given that any further referrals will result in suspension of bus riding privileges for a designated period of time.**
- 4) **If the student continues to misbehave on the bus, the privilege of riding the bus will be suspended for a designated period.**

The Administration reserves the right, depending on the seriousness of the offense, to move to any step in the above process (1-4).

Note: Serious offenses, such as fighting, flagrant displays of disrespect toward a operator or other, or possession of drugs or alcohol will result in an immediate bus suspension. Assault on a bus operator will result in a bus suspension and may result in possible criminal charges.

IMPORTANT NOTES

- Operators are instructed to discharge students only at designated bus stop.
- Operators are instructed that **NO STUDENT** under the age of 12 is to be left at a bus stop unless a visible parent/guardian is at the stop to receive the child.
- Operators are instructed **NOT** to leave students with a person other than the parent **UNLESS** they have a written note **SIGNED** by the parent.
- Operators are instructed to return students to their elementary school if there is not a parent at the stop to receive the child.

Please, do not put your child in this situation. Your help and cooperation are needed.

Alternate Busing Information: The DeSoto Parish School Board requires busing to be arranged to and from the student's residence to the student's home school of residence. However, the District recognizes it may become necessary to change busing to another address (example: childcare address; daycare address). The guidelines for alternate busing are as follows:

There will be only be one alternate address allowed, in addition to the student's home address. The alternate address must be within the boundary area of the student's current school, and there must be an existing stop for the alternate location.

If alternate busing is necessary and the above guidelines are met, please contact the Transportation Office to provide us the necessary information in order to properly assign your child's bus routes.

Bad Weather Days: Local radio, TV stations and/or School Messenger will provide up-to-date information in case of inclement weather.

Accidents/Breakdowns: Bus operators are thoroughly trained in defensive driving techniques and buses are carefully maintained. Yet, given thousands of miles travelled annually, breakdowns can happen. All the buses have two-way radios and help can be just minutes away. One of the most important things to a bus operator in the event of an accident or breakdown is passenger cooperation.

Code of Conduct

DeSoto Parish believes, as is stated in our mission statement, that our purpose is to care for our students, ensure their learning, and celebrate their graduation as citizens prepared to transform their dreams into realities.

In order for us to accomplish this mission, the conduct of students and the manner in which they discipline themselves is of vital importance.

Adhering to the expectations of a Code of Conduct will help provide a safe and wholesome environment for our students, they should follow this code:

1. Respect all school personnel and other students at all times.
2. Know the rules, policies, and procedures of the school as stated in the Student Handbook and follow them at all times.
3. Attend school each day and be on time where time is involved just as you will be expected to do in your future employment.

By following the above Code of Conduct, students will be conducting themselves in a manner that is educationally acceptable as well as acceptable to our society.

NOTICE

SCHOOL-WIDE POSITIVE BEHAVIORAL INTERVENTIONS SUPPORTS

DeSoto Parish School System encourages and rewards appropriate and positive behavior through the Positive Behavior Support program. Every student should know the theme for this program: RAP represents the key behavioral foundations we expect of our students: Respect, Accountability, and Pride. Our students should respect everyone. They should be accountable for all decisions they make and they should develop a deep sense of pride in themselves, their school, and their community.

School Wide Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occur.

When a student violates a **major** school rule (drugs, fighting, etc...) or is disrupting the class to the point that the teacher can no longer teach, the student is immediately removed and sent to see the Assistant Principal. The teacher completes the Louisiana Department of Education School Behavior Report at this time.

When students violate **minor** school rules (tardy to class, chewing gum, etc...) their teachers follow the following process to help the student correct the behavior and encourage a positive behavior instead. The teachers document the first two minor infractions on the Minor Infraction Document. The third offense is then documented on the Louisiana Department of Education School Behavior Report.

1. First offense – the teacher/or staff member will have a small conference/talk with the student and explain the negative behavior they exhibited and provide guidance to the student as to what they should have done in that situation.

2. Second offense – the teacher will call the parent/guardian of the student and explain the types of negative behaviors exhibited and what has been done to correct those behaviors.

3. Third offense – the teacher will refer student to counselor who will contact parent/guardian of the student and explain the types of negative behaviors and conduct some interventions. Counselor may refer for other interventions at district level.

4. Fourth offense – the teacher refers the student to the Assistant Principal. Further disciplinary consequences may be issued at this point, i.e. detention, suspension, etc... The Assistant Principal will also make a phone call home and inform the parent of the severity of situation at this point.

Students that are repeat offenders will be referred to the office after they have received 4 or more infractions for the week. This will be a combined list from all teachers.

DeSoto Parish School Board Discipline Policy and Louisiana State Law do give principals the authority to use corporal punishment with an exception: students with disabilities. This may be used, as indicated, as an alternative. ***If you do not wish corporal punishment to be used in such cases, send written notification informing us of your feelings.*** Those without written notification on file will receive a phone call before administering.

**NOTICE OF CHANGE CONCERNING SCHOOL ATTENDANCE FOR ALL STUDENTS IN THE DeSOTO
PARISH SCHOOL SYSTEM**

To All Parents and Students (Elementary, Middle and High School)

Due to the abuse and misunderstanding of the state attendance requirements for students in our schools, we feel it is necessary to implement the following change concerning student absences from school beginning **August 2010**. Please read the section below that applies to you.

No high school student shall accumulate more than a total of *five (5) absences* during a semester, EXCUSED AND/OR UNEXCUSED, as required by state law to be eligible to receive any grade earned that semester.

On ANY ABSENCE, after reaching a total of *five (5) absences*, the student and the parent will have to meet with the Student Services Officer and provide a justifiable excuse for that absence.

Students and parents can check in the student handbook to know what types of absences are considered justifiable. School administrators can also be contacted to get that information if you do not have a student handbook.

No elementary or middle school student shall accumulate more than a total of *ten (10) absences* during a school year, EXCUSED AND/OR UNEXCUSED.

STATE LAW REQUIRES THAT STUDENTS BE IN SCHOOL EVERY DAY THAT SCHOOL IS IN SESSION UNLESS AN ABSENCE IS DUE TO ONE OF THE JUSTIFIABLE REASONS ALLOWED BY LAW AND LOCAL SCHOOL BOARD POLICY.

Parents please do not allow your child to miss school for ANY reason other than those allowed by law and/or Board policy. Students who are in violation of the requirements stated above will be in danger of losing credits earned and/or retention in a grade.

Please understand that this change goes into effect on **August 2010**, and **affects every student in our school system.**

Statistics prove over and over that students who do not miss school learn much more than those who absent themselves from school. Thank you for your cooperation in this very important matter. We will be glad to answer any questions that you may have. Please feel free to contact your school or the Director of Student Services.

ATTENDANCE

PARENTS SHOULD CONTACT THE SCHOOL SECRETARY BEFORE SCHOOL WHEN THEIR CHILD IS ABSENT FROM SCHOOL.

ATTENDANCE REQUIREMENTS

A. To be eligible to receive grades, high school and junior high students shall be in attendance a minimum of 80 days per semester or 160 days a school year for schools not operating on a semester basis.

B. There is no "SKIP DAY." Students will receive an unexcused absence for that day.

TYPES OF ABSENCES

A. Excused

1. Upon returning to school following an absence, a student must present verification **within 48 hours in order for the absence to be considered excused.** Students will be given an opportunity to make up work missed.

2. Students may be excused from school for the following reasons:

- personal illness (with physician's verification – Xerox copies are not accepted) fraudulent excuses will be treated as unexcused and the student can be suspended or assigned in-school suspension
- serious illness in the family (with documented verification) – parent must contact school official
- death in the family (absence not to exceed one week) – parent must contact school official and present death notice or obituary
- recognized religious holidays of the student's own faith – parent must contact school official by phone or in person to verify
- school-sponsored activity or trip
- military procedure that requires students to miss class time – verification must be presented
- subpoenas requiring court appearances – parent must present school with documentation from appearance in court

B. Unexcused – Students will be allowed to earn 75% credit from missed work.

1. All absences other than the ones listed in #2 above

2. Suspensions

In accordance with Legislative Act 240, a student will be allowed up to 75% credit to be earned from student work and/or tests missed due to an out of school suspension.

EXTENUATING CIRCUMSTANCES

The only exception to the attendance regulation shall be the delineated extenuating circumstances that are verified by the Director of Student Services.

- extended personal physical or emotional illness as verified by a physician
- extended hospital stay as verified by a physician
- extended recuperation from an accident as verified by a physician
- extended contagious disease within a family as verified by a physician
- prior school system approved travel for education
- death in the family (not to exceed one week)
- natural catastrophe and/or disaster

POLICIES

A. The above regulations require that a student accumulate no more than ten absences, excused or unexcused, per semester in any class.

B. Attendance requirements shall be enforced on a class-by-class basis.

TARDIES

A tardy will be defined as not being in the classroom (or designated area) when the bell begins ringing to signify the end of a transition period. A student who is less than five minutes late to class for any period, including first period, should report directly to class.

A student who arrives more than five minutes late will be considered as skipping class and should be sent to the office. A student is not tardy when they have a signed pass from the previous teacher or an administrative pass. When a student has acquired a 4th tardy during a grading period a referral should be sent to the office showing the dates on which the student was tardy and the interventions (i.e. – parental contact) taken by the teacher.

Students will receive disciplinary action from the administration when they accumulate their 4th tardy during a nine-week grading period. The disciplinary action will be as follows:

Infraction Action Taken

- Tardy 1 * Warning from teacher and recorded
- Tardy 2, 3 * Parental contact with documentation from teacher
- Tardy 4 * Refer to administration for warning and parental contact
- Tardy 5 * After School Detention
- Tardy 6 * Saturday Detention
- Tardy 7, 8 * Out of School Suspension * Parent conference required*
- Tardy 9 * Expulsion Recommendation

TARDIES AND ABSENCES WILL ACCUMULATE ON A PER CLASS PER SEMESTER BASIS.

TRUANCY

DeSoto Parish Student Services department will assist the schools to help handle students who are having problems with absences and tardies. The school or parent may contact Student Services when help is needed in enforcing attendance.

DISCIPLINE POLICY

It is each student's responsibility to report to school administration or bus operator any problem encountered with another student or any problem observed between other students that may need administrative attention.

The following discipline policy is designed to coordinate with the school's mission statement. To help provide a classroom environment that is conducive to the student's ability to learn, the Consequences and Violations Flow Chart shown below will serve as a guide for disciplining all students at the school level. However, it should be noted that students with disabilities may require additional procedures and accommodations as provided by Federal Law.

The procedures and consequences are designed to be implemented in our schools. This code of conduct contains excerpts of the school district policy manual which are relative to student behavior. It is important to note that officials and principals have the discretion to impose a more or less severe penalty, unless prohibited by state law, at any time based on the student's past disciplinary record and the seriousness of the offense.

BUS DISCIPLINE

All disciplinary problems that develop on a school bus traveling to or from school shall be handled as follows:

- 1) The bus operator shall contact the parents and discuss the problem.
- 2) The student will be written up and referred to the office if misbehavior continues to occur.
- 3) The principal shall contact the parents, either by phone or through the referral form, and the student will be reprimanded. A warning will be given that any further referrals will result in suspension of bus riding privileges for a designated period of time.
- 4) If the student continues to misbehave on the bus, the privilege of riding the bus will be suspended for a designated period.

Because of our narrow, winding roads and long routes parents are reminded that riding the bus is probably one of the most dangerous activities a school child participates in each day. When students misbehave, the operator's attention is taken off the road. The operators must hold students strictly accountable for their behavior on the bus in order to insure a safe ride each day. The privilege of riding the bus is conditional to good behavior and observance of rules and regulations distributed at the beginning of each school year. Parents are to go over these regulations and sign and return the form indicating agreement to adhere to these policies. Failure to do this will also result in suspension of bus privileges.

****The school bus environment is an extension of the classroom and the same consequences and violations flow charts will be used for infractions on the school bus. ****

CELL PHONE/AUDIO EQUIPMENT /OTHER ELECTRONIC DEVICES

As outlined in Louisiana R.S 17:239, students are prohibited from using or operating cell phones or any electronic telecommunication device in any public-school building. On the grounds thereof, or in any school bus used to transport public students. Cell phone “use or operation” is defined for this policy as the cell phone being in the “on” position or mode. During regular school hours, student cell phones are required to be kept out of sight and turned “off” while in a school building, on school grounds, or on a school bus. This policy is inclusive of any electronic telecommunication device in a student’s possession. School administrators will use the following procedure as corrective action for any student who violates this policy:

- **First offense:** device is taken up and parent or guardian must come to review and sign electronic device receipt and return agreement.
- **Second offense:** device will be taken up and kept for 9 weeks along with 1 day after school or Saturday detention.

DESOTO SCHOOLS’ GRACE HOUSE

The DeSoto Schools’ Grace House serves as a short-term educational placement for students removed from the home campus for serious violations of the Student Code of Conduct. The DeSoto Schools’ Grace House provides an educational setting that is safe, secure, disciplined and respectful for students and staff.

*****Student placement at the DeSoto Schools’ Grace House can range from nine weeks to two years depending on the infraction. *****

OFF SITE SUSPENSION (OSS)

DeSoto Parish School Board is undertaking another approach for dealing with students being suspended out of school for inappropriate behavior or violations of school rules. The district implemented an off-site suspension program instead of the traditional out - of - school suspension program. This program will allow students that are suspended from school to attend a centrally located site and continue their studies rather than being sent home for the duration of the suspension.

Historically, out of school suspension programs were developed to remove students who were an immediate threat to the staff or other students. Over time, too many students were being removed from schools for reasons other than a threat. Many suspended students viewed out- of school suspensions as a “free day” off from school. By implementing an off-site suspension (OSS) program, the district will attempt to hold suspended students accountable for their behavior as well as their academics.

Students that are suspended from school will be sent to the DeSoto Schools’ Grace House for the duration of their suspension. They will be housed in a classroom that is separate from the rest of the students at the DeSoto Schools’ Grace House. These students will continue their studies while also receiving counseling to modify their behavior. The off-site suspension class will work as follows:

- On student’s first offense student will spend the number of days removed at site
- Second offense one day will be added to site stay and specific behavior modification issues reviewed.
- Third offense two days will be added to site stay with additional counseling and behavior plan in place or modifications and possible FINS referrals.
- Forth offense three days will be added to site stay with referrals to FINS, more counseling hours, and behavior plan modifications
- Fifth offense will be a recommendation for expulsion.

SEARCHES- STUDENTS AND SCHOOL PROPERTY

The Board is the exclusive owner of any public-school building, any desk or locker in the building, or any other area that may be set aside for the personal use of students. Any administrator, or school resource officer, or teacher may search any building, desk, locker, area or grounds for weapons, illegal drugs, alcohol, stolen goods, or other materials or objects for which possession is a violation of Board policy. This includes a random search with a metal detector or a search conducted when there is a reasonable belief that the items sought will be found. Any administrator, school resource officer, or teacher may search a student or the student's personal effects when, based on the attendant circumstances at the time of the search, there are reasonable grounds to suspect that the search will reveal evidence that the student has violated the law, Board policy, or a school rule.
