MOTT COMMUNITY COLLEGE

SUMMER YOUTH PROGRAMS

This summer, we're opening the doors to discovery for students ages 7–18. Whether your child is an aspiring chef, a future astronaut, a budding entrepreneur, or a tech innovator, our 2026 Summer Youth Activities offer a pathway to new skills and lifelong friendships.

Dining Etiquette 101 for Teens

DATE: May 20, 2026
TIME: 5:30pm - 7:30pm
LOCATION: MCC Culinary Arts Institute
AGES: 12 - 17
COST: $89

Whether you're heading to prom, a scholarship interview, or a fancy family celebration, knowing your way around a dinner table is next level. This course is designed to equip teens with the social graces and dining skills necessary for the transition into adulthood. Through a multi-course dinner, students will learn the do's and don'ts of formal and casual dining, and gain confidence in any social setting. Please list any food allergies or dietary restrictions upon registration.

Culinary Explorers Kids Cooking Camp

DATES: June 17 - 18, 2026
TIME: 5:30pm - 7:30pm
LOCATION: MCC Culinary Arts Institute
AGES: 8 - 12
COST: $89

Prepare for a delicious adventure!
This two-day cooking camp introduces children to the world of culinary arts. Young chefs will learn fundamental kitchen skills, food safety, and basic nutrition while gaining confidence and having fun. Each day includes a hands-on cooking activity, age-appropriate lessons, and a take-home recipe. Your culinary explorer will earn a certificate of achievement at the end of the adventure.

Teen Chef Workshop

DATES: June 27 - 28, 2026
TIME: 5:30pm - 7:30pm
LOCATION: MCC Culinary Arts Institute
AGES: 8 - 12
COST: $89

If you've been watching the Food Network and you're ready to level up in the kitchen, then this workshop is for you! Join our Teen Chef two-day workshop, a fun and interactive experience for ages 13–17 who love to experiment and want to learn how to cook like a pro. This hands-on workshop explores both savory dishes and sweet treats, giving young chefs a well-rounded taste of the culinary world. Come hungry to learn and leave with new friends, new skills, and a new level of kitchen confidence!

Upward Bound Summer Program

DATES: June 22 - July 31, 2026 (Mon. - Fri.)
TIME: 8am - 3:30pm
LOCATION: Mott Memorial Building, RM 2005
COST: Free to eligible participants

This six-week academic summer program immerses students in the vibrant MCC campus culture while strengthening core competencies in science, math and language arts. Participants will engage in hands-on science experiments, design and create projects, and interact with professional scientists and researchers. To ensure personalized growth, every student receives an individual skill assessment. The curriculum also offers advanced mathematics including calculus and computer-based modeling alongside language arts featuring creative writing, critique techniques, and foreign language skills. Beyond the classroom, students will experience MCC campus life firsthand through workshops, guided tours and being on campus.

Who Can Participate?

Students who:

- Are enrolled/enrolling in Flint Southwestern or Mott Middle College
- Have completed the 8th grade but not yet 10th grade
- Have at least a 2.5 GPA
- Meet the low-income eligibility guidelines of the program and/or whose custodial parent (s) have not received a bachelor's degree

Teen CEO

DATES: June 29 - August 14, 2026
TIME: 9am - 3pm
LOCATION: Regional Tech. Center, RM 3119
AGES: 14 - 18 (in Flint & Genesee County)
COST: Free to eligible participants

Have a business idea you want to bring to life? Join the Teen Creating Economic Opportunities Program (Teen CEO) a seven-week summer program for ages 14-18. This allows Flint & Genesee County youth to take a business idea and develop it into a business plan. The teens will learn to write a business plan, market their business, have financial literacy, and present their business idea in a " Teen Tank" format. They will network with local business professionals for mentoring and job shadowing experiences. The teens will receive a stipend for successfully meeting the program requirements.

Go for Launch

DATES: July 23 - 25, 2026
TIME: 8am - 5pm
LOCATION: Regional Tech. Center, RM 1301
AGES: 14 - 18
COST: Free to eligible participants

Students are immersed in the wonder of Human Spaceflight through a variety of talks delivered by experts in the fields of space and STEM: such speakers have included an astronaut, former International Space Station (ISS) and space shuttle flight controllers, astronaut instructors, scientists, and engineers. Students get insight and feedback from experienced space and STEM professionals whose goals are to illustrate the numerous possibilities that exist in the world of STEM. A unique facet of Go For Launch! is that the students will work with an astronaut throughout each day of the event.
