Kittitas Elementary School

At Kittitas Elementary School, our mission is to cultivate a welcoming and supportive environment where every student feels safe, valued, and empowered to grow academically and personally, preparing them for future success.

Leader of the Week 10/5-10/9 Wyatt Bandy!

Leader of the Week for 9/28-10/2 Adrianna Moe!

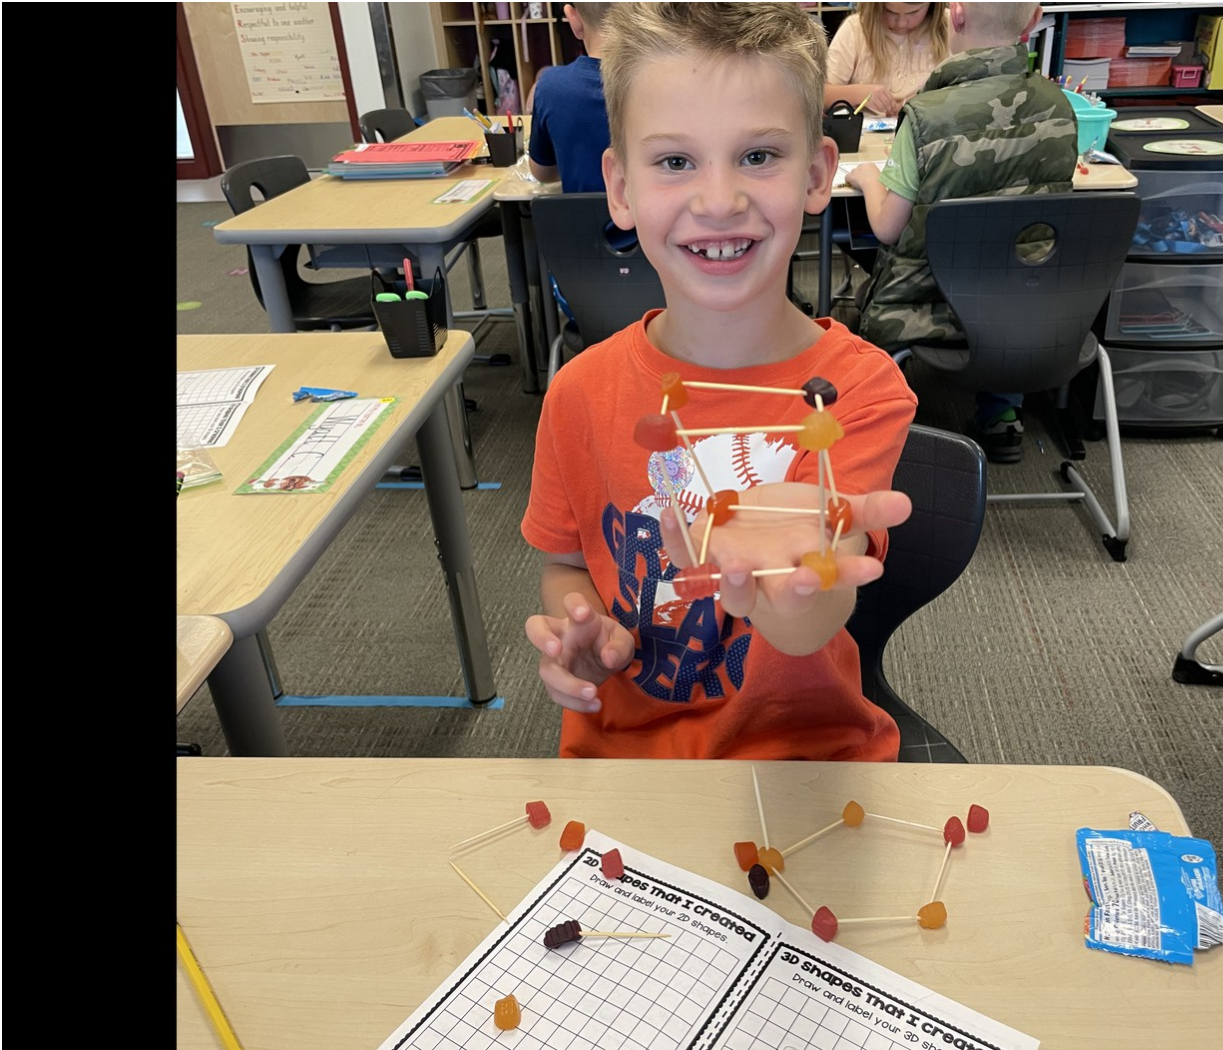

Mrs. Taylor's Second Grade Architects!

We have some future architects in 2nd grade! After reading "Iggy Peck, Architect" Mrs. Taylor's 2nd graders used fruit snacks and toothpicks to build a variety of 2-D and 3-D shapes.

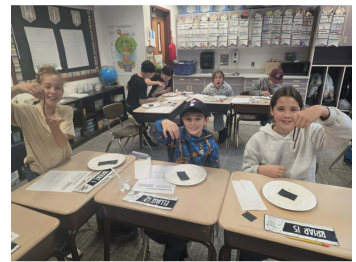

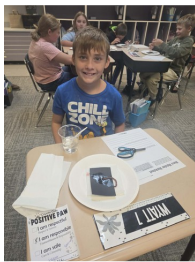

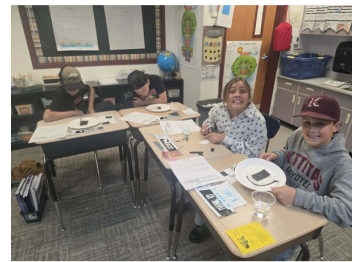

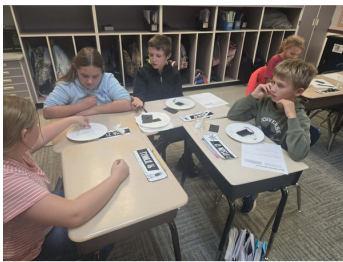

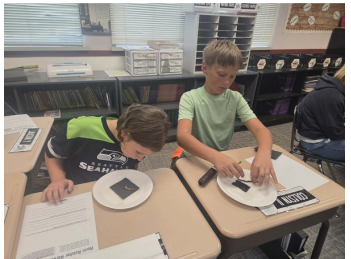

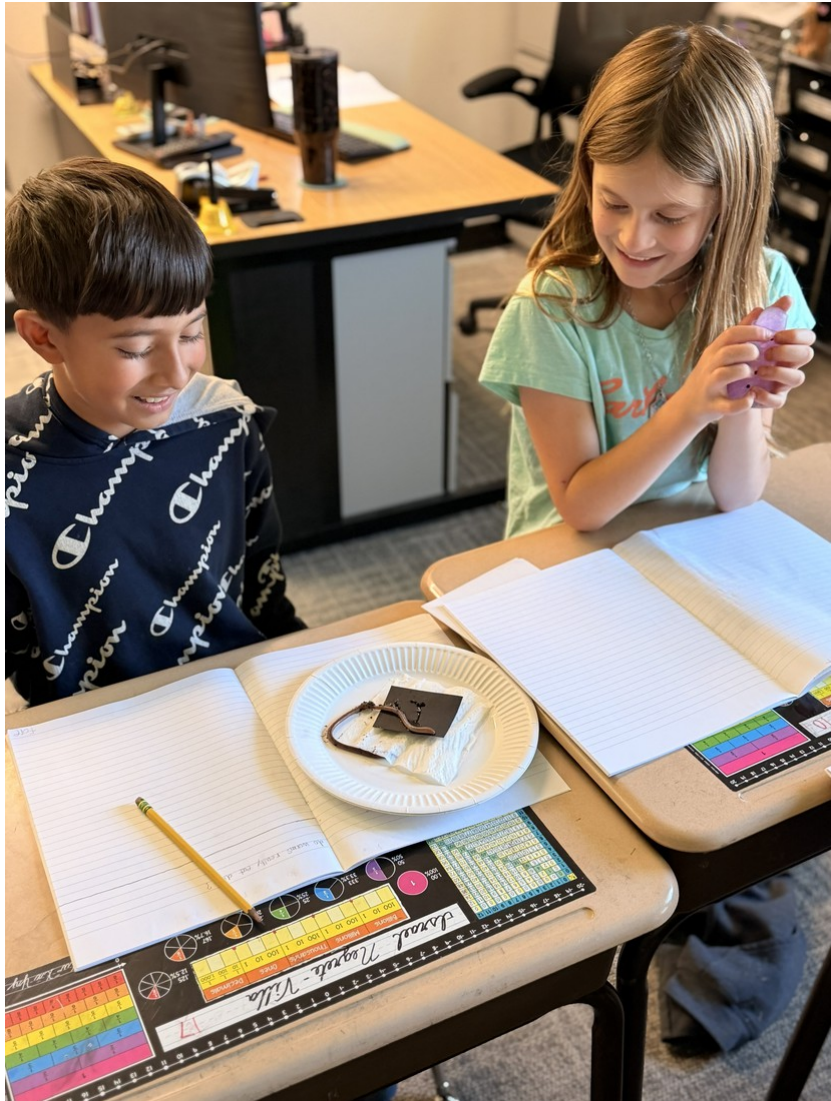

Fifth Graders in Mrs. Perez and Mrs. Wallace's Classes Wriggle into Science!

Students explored the important role earthworms play in breaking down dead material and releasing nutrients into the soil. After observing earthworms up close, students designed their own "fair test" investigations to learn more about earthworm behavior while practicing their scientific observation and investigation skills.

Miss Abby and Ms. LaFrenier Wish You All a Happy Homecoming!

No Personal Technology in School Reminder

Please remember that cell phones, ear buds, Smartwatches, tablets, etc. (any technology device not owned by the district) is prohibited from use on the school campus. If brought to school, it must be turned off and in the backpack. If student has the device out or on their person, it will be confiscated and submitted to the Principal or designee until the end of the day and will be required to be picked up by a parent or guardian. If you haven't seen it yet, we are also hoping our families will consider participating in the [Wait Until 8](#) program. Thank you!

Volunteer Form Reminder- Background Checks and Hall Passes Required

Hi all. If you plan on being in our building, we need volunteer background checks completed. Please pick one up from Miss Abby in the main office. She will need a copy of your driver's license/State ID to complete the process. Once she receives the form and driver's license/State ID, it is forwarded to the district office for the background check process. This is not instantaneous, so please allow ample time before you wish to participate in a classroom or field trip. Also, a big reminder, **ALL visitors, even before school dropping off your littles, MUST sign in and receive a visitor badge at the main office.** Thank you for helping keep our students safe and following basic safety procedures.

When is your child too sick for school?

School attendance is a powerful predictor of school success and on-time graduation. Research shows that when students miss fewer than 10% of their school days, they have much stronger success in school. Use these tips to tell when your child is too sick to attend school.

Send your child to school if they...  Don't feel great but are able to participate in normal activities.	Call a healthcare provider if they...  Have a fever of 100.4°F or higher for more than 2 days.
Keep your child home if they...  Feel sick and have a fever of 100.4°F or higher, test positive for flu or COVID-19, or can't participate in normal activities.  Have thrown up in the past 24 hours.  Have diarrhea and increased stool frequency.  Have a rash of unknown origin. They can return to school when a healthcare provider says it's okay.  Have an oozing sore or wound you can't cover or contain.	 Throw up or have diarrhea for more than 2 days.  Have the sniffles for more than a week and aren't getting better.  Have asthma symptoms after using asthma medicine. If they have trouble breathing after using an inhaler, call 911.  <i>This is general guidance. Schools, healthcare providers, or the Health Department may advise differently based on individual circumstances.</i>

Principal's Corner

Dear Coyote Families,

Fall is a wonderful time to celebrate the learning happening at Kittitas Elementary! From investigating how earthworms help our soil to sharing ideas with classmates, our students are practicing curiosity, problem-solving, and teamwork. These experiences help children connect classroom learning to the world around them.

We are also helping students recognize that leadership begins with everyday choices. Including a classmate, taking responsibility for a classroom job, and showing kindness are meaningful ways every Coyote can contribute to our school community.

Your partnership makes a difference. Arriving at school on time, reading together, and asking your child what they discovered each day support both learning and belonging. Try asking, "How did you help someone today?" or "What made you curious?"

Thank you for helping us make Kittitas Elementary a place where every student feels safe, valued, and empowered to grow.

Have a great weekend everyone.

Childfind

Are you worried about your child's development?

Parents or caregivers who think their child may be developmentally delayed in one or more areas (adaptive, motor, concepts, language/articulation, and/or social emotional) can contact their local district to receive a free Child Find Screening. Children ages 3-5 are eligible for a screening.

Complete a screening request here or call Abby at 509-955-3120, Option 2.

Nuts and Bolts of our Days!

Drop off/Pick up: We want your children to be safe. Please do not drop off or allow students to walk to school before we have supervision out. No earlier than **8:45am** on Mondays and no earlier than **7:45** Tuesday through Friday. Additionally, please use the crosswalks and do not walk children out between the cars.

PTO- Please consider joining the Parent teacher organization. All money raised by this organization is meant to benefit the students, staff, and families of KES students. PTO meetings are the first

Tuesday of every month at 6:30pm in our library (No meeting in January.) Come join us to plan fundraisers and great events for our students.

Box Tops- If you sign up for the Box Tops app, you can scan your receipts for money sent in to our school. The funds go directly to Kittitas Elementary School's ASB account and our Student Leadership Council gets to determine how to spend the money.
