

Rocky Ford

Graduates Are:

Academically Prepared

Academic skills in reading, writing, and math are essential foundations for life readiness, enabling graduates to succeed in the workforce, pursue further education, and actively contribute to their communities.

Creative Thinkers

- Innovative
- Curious
- Lifelong Learning
- Problem-Solving
- Resilient

Creative Thinkers will...

Use creative thinking to solve problems, make connections, and face challenges with new ideas. **Creative thinkers** combine curiosity with different approaches to find solutions and inspire progress.

Collaborative Communicators

- Open-Minded
- Actively Listening
- Respectful
- Inclusive
- Team-Oriented

Collaborative Communicators will...

Communicate effectively by listening actively, encouraging inclusive dialogue, and working collaboratively. **Collaborative communicators** adapt to different audiences and build connections to support teamwork in any situation.

Responsible Leaders

- Accountable
- Proactive
- Adaptable
- Honest
- Self & Globally Aware

Responsible Leaders will...

Show leadership by being accountable, adaptable, and proactive in personal and professional settings. **Responsible leaders** are honest, ethical, and emotionally intelligent, inspiring trust and creating positive change in their communities.

Future Ready

- Financially & Technologically Literate
- Upstanding
- Confident
- Self-Reliant
- Postsecondary Aware

Future Ready Graduates will...

Navigate life with confidence, using career awareness, financial and technological skills, and a strong work ethic. **Future-ready** students are independent, goal-driven, and prepared to make smart decisions and seize opportunities.

Community-Connected

- Culturally Responsive
- Socially Responsible
- Engaged
- Volunteerism
- Empathetic

Community Connectors will...

Build meaningful connections through cultural awareness, social responsibility, and active participation. **Community-connectors** show empathy, respect diverse perspectives, and understand community needs to make a positive impact.
