Welcome to a meeting of the Rocky Ford School District Board of Education!

Some quick notes: • The board's meeting time is dedicated to the mission and top-priority focus areas. • Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person. • "Audience" is an opportunity to present brief comments or pose questions to the board for consideration or follow-up. Each person is asked to focus comments to five minutes. We must request that you do not use specific names or titles that make it obvious who you are referring to, since personnel have legal protections in this area. The boundaries are designed to help keep the meeting focused and in no way should limit conversations beyond the board meeting. • If you are interested in helping the Rocky Ford School District efforts, please talk with any member of the leadership team or call the district office at 254-7423. Opportunities abound. Your participation is highly desired.
