GoFan All Sport Passes

Who is eligible? Anyone attending Alex School Sporting Events

My child is an athlete, they don't have to pay? If a student is playing that event, they do not have to pay. If they are there to support their friends on nights they are not playing, they are expected to pay.

Does the pass work at other schools? Alex Student Passes are for Alex home events only.

How does it work? Download the GoFan app to your phone. Click on "All-Sport Pass Options" and choose what you would like to purchase.

What options for passes are there? You can still purchase a $25 ($28.25 with fees) pass for your student. You can now purchase an adult pass for one for $100 ($107 with fees) or a family pass for 2 adults and 2 students for $200 ($212 with fees).

How do I give my child their pass after I purchase it? Student passes can be transferred one time (from parent to student) from the GoFan app. Your student will need to download the GoFan app to their phone.

What if my child doesn't have a phone? Parents can keep the student pass on their phone through the GoFan app and show it to the gate worker at the time of entry. More than one pass can be stored on the GoFan app at a time.

Can I purchase with cash or checks? At this time this is a credit or debit card only purchase through the GoFan app.

Can I purchase for my kids that go to another school? At this time, this is being offered to Alex Public School Students only.

Can parents purchase a student pass? Student passes are for students only.

Once I purchase a pass for my student can they go right in? Please ask your student to stop at the gate workers booth and show them their pass during entry.

I thought students were free? Student rate is $5 for all home events. Student passes work out to less than a dollar a game.

Here is a QR code to where the purchase can be made online, but you will need a phone with the GoFan app to show to gate workers at events:

If you have any questions, you can reach out to Mrs. Loggins at 405-785-2264 ext 233 or aloggins@alex.k12.ok.us
