Canisteo-Greenwood High School Tiered System of Student Privileges (2026-2027)

The Canisteo Greenwood High School is proud to offer its students the opportunity to earn privileges based on academic and behavioral standards. Students who are meeting our expectations begin each year with the following privileges depending on grade level (please see below). If a student fails to maintain academic or behavioral standards, their privileges will be revoked. The student will have to correct the problem and successfully demonstrate progress to regain their privileges. After the start of the school year, privileges are granted and/or reinstated on the Monday following report card mailings. **If you do not want your child to be given one or more of these privileges, please contact the Main Office.**

Privilege Schedule by grade level is as follows:

7th Grade – Lunch Recess

8th Grade – Lunch Recess

9th Grade – Friday Dismissal after the first twelve weeks, Honors Lunch/Study Hall

10th Grade – Friday Dismissal, Honors Lunch/Study Hall

11th Grade – Friday Dismissal, Early Dismissal, Off Campus Lunch, Honors Study Hall

12th Grade – Friday Dismissal, Early Dismissal, Off Campus Lunch, Senior Lounge/Open Campus, Late Arrival

Lunch Recess: Students who are demonstrating success are permitted to go outside during their lunch period after eating. Students may socialize and play in a school appropriate and safe manner while being monitored by staff.

Friday Dismissal: Students in grades 9-12 who are demonstrating success and who have not been on the Guided Study Hall list throughout the week may be dismissed on Friday after reporting to their regularly scheduled advisement for attendance.

Early Dismissal: 11th and 12th grade students who are passing all courses have the privilege of early dismissal. If the student has not been on the Guided Study Hall list that day, does not have a scheduled advisement/class, has maintained good behavior, and is not requested by a teacher for extra help during afternoon advisement, the student may leave at the end of 9th period. If a student has a scheduled advisement, they must check in prior to leaving campus. It is the student's responsibility to be present for meetings of clubs, activities, and for athletic policies.

Honors Lunch: 9th and 10th grade students with high academic marks are provided an opportunity to have lunch in a more independent and less restrictive setting.

Honors Study Hall: 9th, 10th, and 11th grade students with high academic marks are provided an opportunity to have study hall in a more independent and less restrictive setting.

Off Campus Lunch: 11th and 12th grade students in good academic standing and with a clean disciplinary record are given the privilege of leaving the campus for their full lunch period. The student must be back to school prior to the start of their next class period.

Senior Lounge/Open Campus: 12th grade students in good academic standing and with a clean disciplinary record who have no class scheduled may utilize the senior lounge and/or sign out and leave campus so long as they are on time for their next assigned class period.

Late Arrival: 12th grade students in good academic standing and with a clean disciplinary record may arrive to school in time for their first class of the day instead of 8:00 a.m. The student is responsible for being at school on time for meetings of clubs, activities, and for athletic policies.

Other privileges that are contingent on behavior and academic success such as the use of school technology, the use of school resources such as the library, art rooms (pending teacher approval) and music rooms (pending teacher approval) and eating lunch or breakfast in the cafeteria are the sole rights of the school administration to grant and rescind as befitting. Any teacher request for a student to stay during advisement for extra instruction shall overrule a student's early dismissal privilege.
