2025 STATE ASSESSMENT

ATLAS 3-10

Arkansas Teaching & Learning
Assessment System

SMART CORE CURRICULUM

Smart Core is Arkansas's college and career ready curriculum for high school students.

College- and career-readiness in Arkansas means that students are prepared for success in entry-level, credit-bearing courses at two-year and four-year colleges and universities, in technical postsecondary training, and in well-paid jobs that support families and have pathways to advancement. To be college- and career ready, students need to be adept problem solvers and critical thinkers who can contribute and apply their knowledge in novel contexts and unforeseen situations. *Smart Core is the foundation for college-and career-readiness. All students should supplement with additional rigorous coursework within their career focus.*

Successful completion of the Smart Core curriculum is one of the eligibility requirements for the Arkansas Academic Challenge Scholarship. *Failure to complete the Smart Core curriculum for graduation may result in negative consequences such as conditional admission to college and ineligibility for scholarship programs.*

Parents or guardians may waive the right for a student to participate in Smart Core and to instead participate in the Core curriculum. The parent must sign the separate Smart Core Waiver Form to do so.

RTI, INTERVENTION, ENRICHMENT, AND EXTENSION

- All students have access to tier 1 instruction daily in all classrooms
- All students have access to Tier 2 instruction/intervention through RTI (Intervention) 4 days a week
- Students who are 2 years or more below grade level have access to Tier 3 instruction/intervention built into their daily schedule
- Students on or above grade level are provided time for enrichment and extension throughout the school day

PROFESSIONAL LEARNING COMMUNITIES

- Teachers meet weekly to identify essential standards, plan lessons, create common assessments
- Student achievement data from common assessments is reviewed collaboratively and interventions are planned accordingly
- ATLAS Interim assessments are given during fall/winter & spring in order to monitor student progress

FAMILY & PARENTAL INVOLVEMENT

Compact

Family & Community Engagement Plan

Parent Involvement Packet

(Copies are available in our counselor's office)

Scarlett Gulley – El Dorado School District's Digital Media and Marketing Manager

Christa Lyons - BJH Parental Involvement Coordinator

Remember to follow our BJH Homepage, Facebook Page and ESD Facebook, Twitter and Instagram.

STUDENTS RECEIVING SERVICES

Parents/Guardians of students who are receiving services have the right to ask for regular meetings to help formulate suggestions and participate in the decisions made about the education of their children.
