Teachers will be encouraged to update google classroom regularly with information on curriculum, upcoming assignments, and contact information. Students and parents will be able to access information from teachers using Google Classroom and student Gmail accounts. Parents may sign up for Remind to receive reminders from teachers about assignments and upcoming events in the classrooms.

Flyers and newsletters will go to parents on an as needed basis which includes, but is not limited to, Annual Report to the Public meeting, Parent/Teacher Conferences, PTO nights, Kittens Conferences, and other special events. A BJHS newsletter "The Kitten Chronicle" will be produced by the student media classes and distributed to students to take home to parents. Letters will be sent home to parents announcing dates of standardized testing with tips for helping students perform to the best of their abilities on tests as well as information on after-school tutoring.

The school operates a Facebook account to communicate with students and parents about events throughout the year.

Parents will access student grades through the internet using Home Access Center (HAC). Codes for HAC are given to all students at the beginning of the school year. Parents can also use HAC to email teachers.

A Barton Remind will be developed to notify parents of emergency school dismissal, newsletters, and tips for parents through Eschool.

Teachers will keep contact logs documenting all communication with parents during the school year and will turn them into the Principal's office every nine weeks.

Students will use a planner for assignments and events at Barton.

Students and parents may also receive information on college preparation.

An academic parent night will be scheduled for the Spring semester. Parents will be able to choose from a variety of sessions to attend to best help their child's academic progress, including their performance on tests. PTO and faculty are collaborating together on Parent Parties.
