

HILLSBORO R-3 SCHOOL DISTRICT

100 Leon Hall Parkway Hillsboro, MO 63050 636-789-0060

July, 2026

The Hillsboro R-III School District has received the Individual Student Reports (ISRs) for students who participated in the Missouri Assessment Program (MAP) during the 2025–2026 school year. In accordance with guidance from the Missouri Department of Elementary and Secondary Education (DESE), we are notifying families of our plan for distributing these reports.

Individual Student Reports will be distributed to students upon their return to school in August, along with a letter explaining how to interpret the assessment results. We encourage you to review your child's report carefully and discuss the results together. If you have questions about your child's assessment results or would like additional information, please contact your child's school.

The Missouri Assessment Program is one of several measures used to monitor student progress and inform instructional planning. When considered alongside classroom performance, local assessments, and teacher observations, these results provide valuable information to support your child's continued academic growth.

Thank you for your continued partnership and support of your child's education

Sincerely,

A handwritten signature in blue ink that reads 'Melissa Hildebrand'.

Melissa Hildebrand
Associate Superintendent
Hillsboro R-III School District
