CLINTON COMMUNITY COLLEGE
STATE UNIVERSITY OF NEW YORK

Summer 2026 CAP: A fantastic opportunity for ambitious CAP students!

Clinton Community College is excited to offer CAP students the opportunity to take a summer session online course at the significantly reduced CAP tuition rate.

A student wishing to participate must meet the following criteria:

- Attends one of Clinton's ten CAP partner schools (AVCS, BCS, CCRS, CV-TEC, NAC, NCCS, PCS, PHS, SCS, Set)
- Is a current high school junior or senior (If seats are limited, seniors will receive priority.)
- Qualifies to participate in CAP (80% or higher cumulative high school average)
- Meets all prerequisites for the course in which the student wishes to be enrolled

Summer CAP Course Information:

- Courses in this pilot program will be offered **asynchronously online** through our Brightspace learning management system (This LMS is used throughout the SUNY system.)
- Courses run from **June 1 – August 14, 2026**
- The following SU-26 courses are available to eligible CAP students:
    - **BIO101-General Biology I** (4 cr) *Meets SUNY-GE Natural Sciences & Scientific Reasoning*
    - **BIO204-Microbiology I** (4 cr) *Meets SUNY-GE Natural Sciences & Scientific Reasoning*
    - **CHE100-Introduction to Forensic Science** (4 cr) *Meets SUNY-GE Natural Sciences & Scientific Reasoning*
    - **CHE101-Applied Chemistry** (4 cr) *Meets SUNY-GE Natural Sciences & Scientific Reasoning*
    - **CSC102-Introduction to Microcomputer Applications** (3 cr)
    - **ENG101-English Composition** (3 cr) *Meets SUNY-GE Written Communication*
    - **ENG102-Literature & Composition** (3 cr) *Meets SUNY-GE Diversity and Humanities*
    - **ENG201-Introduction to Fiction** (3cr)
    - **HIS102-History of Modern America** (3 cr) *Meets SUNY-GE US History & Civic Engagement*
    - **MAT103-Finite Mathematics** (3 cr) *Meets SUNY-GE Mathematics & Quantitative Reasoning*
    - **MAT161-Elementary Statistics** (3 cr) *Meets SUNY-GE Mathematics & Quantitative Reasoning*
    - **PSY101-Introduction to Psychology** (3 cr) *Meets SUNY-GE Social Sciences*
- Full course descriptions can be found in our online catalog at https://catalog.clinton.edu/courses

Summer CAP Registration Information:

- **CAP students who are interested in taking a summer course should complete the online summer course selection form found at:** https://www.clinton.edu/degrees-and-programs/college-advancement-program/registration/Summer%20CAP.aspx

  This will place students on a waiting list until CAP summer registration officially begins. Students can fill out this online form beginning today.

- CAP and/or high school transcripts will be checked to ensure that students have met the prerequisites for the course(s) they selected.
- Current CCC students will have first opportunity to enroll in summer classes. CAP students will be enrolled, if seats are available, starting on **May 15, 2026.**
- CAP students will be enrolled in the order in which they submitted their online course selection form until the class max is reached; however, graduating seniors will receive priority over current 11th graders.
- Students are limited to taking **two** summer classes at the CAP rate.
- If the student is new to CAP and has never submitted a **CAP application**, they will need to submit an application before they can be enrolled. https://application.clinton.edu/login.asp

Summer CAP Payment Information:

- Summer CAP students pay $90 per credit hour ($70/cr CAP tuition + $20/cr Distance Learning fee)
  - The cost to CAP students for a **3-credit course is $270** (a savings of $609 on the non-CAP rate)
  - The cost to CAP students for a **4-credit course is $360*** (a savings of $812 on the non-CAP rate)

    * *Students taking BIO204-Microbiology will pay an additional $25 lab fee because they will be provided with lab materials for the course.*

- The payment due date for CAP summer courses is **Friday, May 22**.
- Students will access their tuition bill through their student portal. Paper statements **will *not*** be mailed to the students' homes.
- Students who did not take a CAP course in FA25 or SP26 will need to submit a Certificate of Residence.

If you have any questions about the Summer CAP program, contact Daniel Parker at daniel.parker@clinton.edu or (518) 562-4175.
