Mrs. Green's classroom turned into a restaurant! Students practiced real-life math skills by ordering food, using coupons, and calculating percentages and sales tax—learning has never been so tasty!

CLASSROOM INSIGHT

Today, Mr. David White, came and spoke to Mr. Jackson's Career Development class. During his speech he discussed the importance of mindfulness and self discipline. He also mentioned how it is important to never give up on self. Students were drawn to Mr. David as he discussed his life trials and how he overcame them to succeed. He is now a student at Clark Atlanta University and has multiple internships!

STUDENT ID BADGES

Hall Sweeps

Students have three minutes to transition to each class, and we want to help our students understand the importance of punctuality. When we conduct hall sweeps, students are made aware well in advance to make sure to be on time to avoid an automatic detention. Should your student experience an issue during a certain transition, please email Cody.Jefferson@estemschools.org about that particular transition time.

ALL Students should have received their Student IDs.
Please ensure that your student brings their ID with a lanyard each day. The expectation is that students wear their IDs around their necks every day while on campus. The cost to replace a lost Student ID is $11 via MySchoolBucks.
Your support in reminding them to bring their ID daily is greatly appreciated!

NOTES FROM THE NURSE

If your child has any cold or flu-like symptoms, please keep them home.

- **Our district-wide policy states:**
  - **Any student who has 2 or more symptoms of illness including headache, sore throat, runny/stuffy nose, cough, diarrhea, fatigue, body aches, shortness of breath, chest pain, fever, etc. will be sent home. A fever does not have to be present in order to send a student home.**
  - **Any student that has these cold/flu symptoms must be picked up from school. Students should remain home until symptom and/or fever free for 48 hours without fever-reducing medication or as directed by their physician. The parent should consider contacting their physician for further instructions and notify the Director of any test results they may receive.**
  - **We encourage all students and family members, medically able, who are 12 years old or older to get their Covid vaccination.**

Please call or email with any concerns or questions.
