FAMILY NIGHT

Our 26-27 Family Night is just around the corner! We hope to see you on Thursday, September 17th at 5:00p.m.

This is a night that you do not want to miss. This is the 2nd year of our Parents vs. Students Family Night. Last year, the parents took home the win so our students are ready to claim their victory!

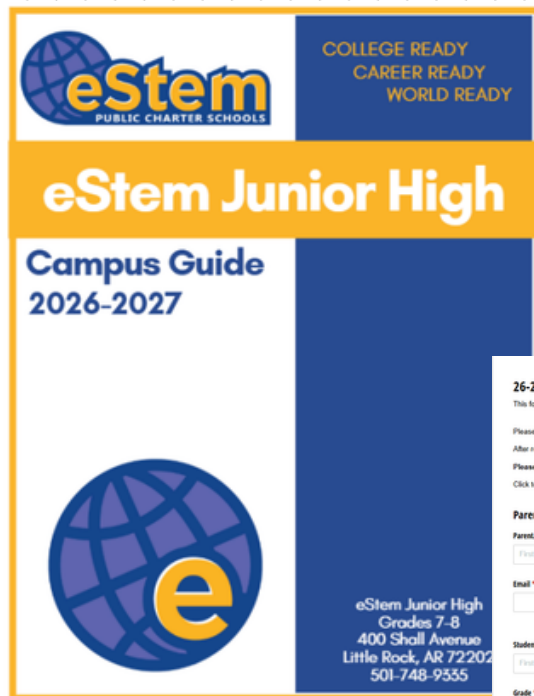

How it works:

- Families will rotate through different classrooms to test their knowledge on 7th and 8th grade skills/standards.
- Each family should attend at least two core course rounds (English, Math, Science, etc.) and at least one elective round (Art, PLTW, etc.).
- The more rounds you attend, the greater your chances of winning points for your team!

What makes this night special?

- We have special guest speakers at 6:00 p.m. to talk with you and your family about internet safety from the Attorney General's Office.
- Our Book Fair will be open!
- This is an opportunity to drop off gently used uniforms to donate to our building.
- You get to hang out with your student(s) and show them that you've still got the knowledge!

We look forward to seeing your family! Please [RSVP](#) to let us know you're coming.

Hall Sweeps

Students have three minutes to transition to each class, and we want to help our students understand the importance of punctuality. When we conduct hall sweeps, students are made aware well in advance to make sure to be on time to avoid an automatic detention. **Should your student experience an issue during a certain transition, please email Cody.Jefferson@estemschools.org about that particular transition time.**
