I have said this to you,
so that in me you may have *peace.*
In the world you face persecution.
But take courage;
I have conquered the world!

Where Holy Moments Happen Every Day

Veterans Day Celebration 2026 – America 250

On Wednesday, November 11, 2026, St. Dominic School students and staff celebrated the observance of Veterans Day by calling to mind the sacrifices of all those who served in our nation's military for the past 250 years. Our program was a gift to our Veterans to show our respect for their service and love for our country. This program was made possible by our students and teachers sharing their God-given talents, especially Mrs. Nan Wood, our music teacher, for leading us with her musical talent. Thanks be to God for all our Veterans who have served with patriotism and protected our freedom in America for over 250 years!

Holy Moment of the Week

During the month of November at Morning Assembly, our fifth-grade leaders along with their teacher, Mrs. Joann Ellerman, will guide our school across the Atlantic Ocean to Europe, and continue our pilgrimage by taking us to England. Did you know? England was once called "Our Lady's Dowry." Many English manor houses were originally monasteries or convents that were seized from religious communities during the Protestant Reformation. Our pilgrimage stop for November is the Basilica of Our Lady of Walsingham, Houghton, St. Giles. This church has been a place of pilgrimage since the fourteenth century. Pilgrims would walk the last mile barefoot, then pray before the image of Our Lady in the "Slipper Chapel." When our fifth-grade students share their understandings about pilgrimages of faith with our entire school, they are servant leaders who enjoy sharing **FAITHFULNESS** at St. Dominic School, **where Holy Moments happen every day**.
