Eunice, Louisiana 70535

Office: (337) 457-2215
Fax: (337) 457-2257

East Elementary School will prepare students to be educated and successful citizens.

Parent and Family Engagement Action Plan

1. Students selected for Title 1 Learning Center.
    - Parent letter to notify parents of selection to attend the Learning Center.
    - Progress monitoring within the Learning Center with the use of Dibels.
    - Progress monitoring by classroom teachers through assessments.
    - Progress reports issued mid-nine weeks (4 times per year).
    - Report cards issued every nine weeks (4 times per year).
2. The school will involve parents in other activities to enhance their child's education.
    - Teacher Meet & Greet held at the opening of the school year.
    - Come Learn with Me held twice a year. Parents participate in an interactive lesson with the classroom teacher related to the curriculum of the content.
    - Special Celebrations held every quarter. Parents are invited to celebrate the positive behavior and other achievements related to improvements in the classroom.
3. Title 1 staff development related to the implementation of iReady and Amplify.
4. Learning Beyond the Bell – Academic and Enrichment Program – a yearlong after school learning program designed to enrich the academic and extracurricular life of our 2nd, 3rd & 4th grade students. Instruction will be provided after school Monday – Thursday, 3:15 pm – 5:15 pm.
5. In relationship to the six types of involvement, East Elementary is addressing each type in the following ways:
    - Parenting – Helping Children Learn newsletters are distributed to parents.
    - Communicating with families – Use of Thrillshare, weekly and monthly newsletters, and a monthly parent calendar to notify parents of important classroom lessons and school activities.

- Volunteering – Families are involved as volunteers in Picture Day, Santa Pictures, Book Fair, and fundraiser collection and delivery.
- Learning at Home – Parents are involved in student learning through the use of student planners and weekly teacher newsletters which provide lesson guidance.
- Decision Making – Parents are involved in school decisions such as the re-writing of the school's vision and mission statement. Also, a Parent Action Team meets to discuss areas of growth to campus and the instructional processes
- Collaborating with the Community –
    - The Eunice Firemen visited the students and provided fire safety training.
    - Dads with Kids group visits to promote parental involvement and assist with promoting academics by donating pizza to students who have reach honor roll.
    - Donations from St. Anthony's Catholic Church with annual Christmas gifts for students.
    - Eunice News promotes student growth through publication of student events and awards in the bi-weekly editions of the paper.
