MISSION STATEMENT

*Since "Children
are our Greatest
Resource" we
strive to educate
and prepare them
for the future.*

Our school recently kicked off LEAP testing season with an exciting and high-energy pep rally designed to motivate and celebrate our students! The event began with a special recognition ceremony honoring students who achieved Mastery and Advanced levels on last year's LEAP assessment. These students were celebrated for their hard work and dedication, serving as an inspiration for their peers as they prepare to take on this year's test.

The excitement continued with a variety of fun, interactive games that had students and teachers fully engaged. Laughter and cheers filled the school as participants showed off their teamwork, focus, and school spirit. One of the highlights of the rally was the chant and spirit competition, where grade levels competed to see who could be the loudest and most spirited. The energy was contagious, and our students truly showed what it means to have Bronco pride!

To top it all off, teachers performed a hilarious and memorable skit that reinforced the importance of being prepared, staying focused, and doing your best during testing. The skit had everyone laughing while also delivering an important message about test-taking success.

Overall, the LEAP pep rally was a huge success—building confidence, boosting morale, and reminding our students that they are ready to conquer the challenge ahead. We are proud of our Broncos and can't wait to see them shine!
