Mrs. Mary Brower has been invited to host virtual Think Tank sessions for the American Battlefield Trust, where she will help shape educational resources and lead discussions with fellow educators. We are proud to see her representing MACA on a national level.

MACA Theatre launched its first production of the year with outstanding performances from Jr. High, High School, and Talented Theatre students. Community support and student talent made the night a memorable success.

MACA juniors and seniors attended the St. Landry Parish College & Career Fair at Beau Chene High School, where they met with college, university, and career representatives from across the region. They represented MACA with confidence and curiosity as they explored opportunities for life after graduation.

MACA recently celebrated the retirement of Ms. Phyllis Broussard, the school's beloved PE teacher who has been part of MACA since it first opened 20 years ago. With an impressive 38 years of teaching experience, Ms. Broussard has inspired countless students with her energy, humor, and heart. MACA staff sent her off with delicious cake, thoughtful parting gifts, and plenty of laughter. She will be missed!
