_____

_____

4. **Available Time:** _____

_____

_____

No member of the Budget Committee may receive compensation from the School District for serving in this capacity. In-service training will occur to assist all parties in understanding the budget process. The amount of time the Budget Committee needs to accomplish its duties will vary from year to year, but would be approximately 25 to 40 hours during the year, which would be spent in a series of meetings and home study.
