Speakers are requested to register by completing the sign-in sheet if in person, or by indicating their desire to speak through the "chat" function online. Public comment is limited to 30 minutes total; however, the Board Chair may, at their discretion, recognize additional speakers even if they have not been able to pre-register. During the meeting, the board's rules for public participation apply: Individuals who address the Independent Authority are to abide by direction given by the Chairman, and are to limit their comments to three (3) minutes. It is the practice of the Independent Authority not to address issues pertaining to individual students or specific employees in open session.
