Extra-Curricular Activities - Rights, Conduct, Rules and Regulations

Extra-curricular programs

Extra-curricular programs enrich the curriculum of the school by making available a wide variety of activities in which a student can participate. The Kimball Public Schools will adhere to the rules and regulations set forth in Title IX guidelines on sex discrimination as well as other pertinent rules and regulations.

Activity Philosophy

Activities are considered an integral part of the school's program of education and provide experiences that will help boys and girls physically, mentally and emotionally. The element of competition and winning, though it exists, is controlled to the point it does not determine the nature or success of the program. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. Students are stimulated to want to win and excel, but the principles of good sportsmanship prevail at all times to enhance the educational values of contests. We believe that participation in activities, both as a player and as a student spectator, is an integral part of the students' educational experiences. Such participation is a privilege that carries with it responsibilities to the school, to the team, to the student body, to the community and to the students themselves. In their play and their conduct, students are representing all of these groups. Such experiences contribute to the knowledge, skill and emotional patterns that they possess, thereby making them better people and citizens.

Safety

The District's philosophy is also to maintain an activities program that recognizes the importance of the safety of the participants. To ensure safety, participants are required to become fully familiar with the dangers and safety measures established for the activity in which they participate, to adhere to all safety instructions for the activity in which they participate, and to exercise common-sense. In addition, the District requires that activity team members travel to and from out-of-town events as a unit. Any exceptions to this rule must be approved by both the parents and the coach/sponsor and should be done in writing prior to the departure to the event or prior to releasing the student with the parent/guardian. The note should be given to the Principal, Activities Director, or their designee. Only

those people involved with the activity will be allowed to travel in the school vehicle.

Warning for Participants and Parents

The purpose of this warning is to bring your attention to the existence of potential dangers associated with athletic injuries. Participation in any intramural or athletic activity may involve injury of some type. The severity of such injury can range from minor cuts, bruises, sprains and muscle strains to more serious injuries to the body's bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck and spinal cord. On rare occasions, injuries can be so severe as to result in total disability, paralysis or death. Even with appropriate coaching, appropriate safety instruction, appropriate protective equipment and strict observance of the rules, injuries are still a possibility.

Activity Code of Conduct

Participation in extracurricular activities is a privilege and not a right. Students who choose to participate in extracurricular activities are expected to serve as positive representatives of Kimball Public Schools and to uphold the standards outlined in both this handbook and the Student-Parent Handbook.

Participation in extracurricular activities provides opportunities for leadership, personal growth, teamwork, and school pride. Students who represent Kimball Public Schools through activities are expected to demonstrate good citizenship, integrity, sportsmanship, responsibility, self-discipline, and respect for others at all times.

Because extracurricular participants serve as representatives of the school and community, violations of school rules may result in extracurricular consequences in addition to disciplinary consequences assigned under the Student-Parent Handbook.

The conduct expectations outlined in this handbook apply regardless of whether the behavior occurs on school grounds, at a school-sponsored activity, in a school vehicle, or off campus when the conduct substantially impacts the school environment, activity program, or the reputation of Kimball Public Schools.

Grounds For Extracurricular Discipline

Students participating in extracurricular activities may be subject to extracurricular discipline for:

1. Attendance violations as outlined in this handbook.
2. Behavioral violations resulting in intervention through the Progressive Restorative Process outlined in the Student-Parent Handbook.
3. Any disciplinary offense resulting in the assignment of ten (10) or more disciplinary points under the Student-Parent Handbook, regardless of whether restorative interventions have been completed.
4. Consequences for Level 1-4 Reset after each quarter.
5. Serious Activity Code Violations, including but not limited to:

    - Possession, use, sale, distribution, or being under the influence of alcohol, controlled substances, narcotics, inhalants, or drug paraphernalia;
    - Possession, use, or transmission of firearms, dangerous weapons, or prohibited objects;
    - Sexual assault or attempted sexual assault;
    - Physical assault resulting in injury or conduct that substantially threatens the safety of others;
    - Major theft, extortion, or significant vandalism;
    - Serious violations of local, state, or federal law; or
    - Other conduct determined by administration to substantially interfere with school purposes or endanger the health, safety, or welfare of students or staff.

Consequences reset every quarter for both JH and HS students

Consequences

<u>LEVEL 1 – ATTENDANCE VIOLATIONS</u>

Students are expected to maintain regular attendance in all classes.

After four (4) unexcused absences in any class during a single activity season, the student will be ineligible for participation in extracurricular activities for one (1) week.

Each additional unexcused absence will result in an additional week of ineligibility.

Three (3) unexcused tardies in any class shall be counted as one (1) unexcused absence for purposes of activity eligibility.

Ineligibility shall begin on the first school day following notification of the violation.

LEVEL 2 – PROGRESSIVE RESTORATIVE PROCESS CONSEQUENCES

Behavioral violations addressed through the Progressive Restorative Process outlined in the Student-Parent Handbook shall result in the following extracurricular consequences:

First Offense during a single activity season (Corresponding to Level 1 of the Progressive Restorative Process)

- Conference with Coach or Sponsor.

Second Offense during a single activity season (Corresponding to Level 2 of the Progressive Restorative Process)

- Completion of an Accountability Project assigned by the Dean of Students which must be completed before returning to eligible contests; and
- Ineligibility for the next scheduled contest, performance, or activity. The

Third Offense and Subsequent Offenses during a single activity season - (Corresponding to Level 3 of the Progressive Restorative Process)

- Completion of an Accountability Project assigned by the Dean of Students, which must be completed before returning for contests ; and
- Ineligibility for the next two scheduled contests, performances, or activities.

LEVEL 3 – POINT-BASED ACTIVITY CONSEQUENCES

Kimball Public Schools utilizes a Disciplinary Point System as outlined in the Student-Parent Handbook. Because participation in extracurricular activities is a privilege, certain disciplinary violations may result in additional activity consequences.

Any disciplinary offense resulting in the assignment of ten (10) or more disciplinary points under the Student-Parent Handbook during a single activity season shall automatically result in Level 3 activity consequences unless the offense is specifically identified as a Level 4 Activity Code Violation.

Examples may include, but are not limited to:

- Disrespect to Staff

- Bullying or Harassment
- Fighting
- Theft
- Vandalism
- Possession or Use of Tobacco, Nicotine, or Vaping Products
- Repeated Insubordination
- Other conduct resulting in ten (10) or more disciplinary points

Consequences:

- Completion of an Accountability Project assigned by the Dean of Students which must be completed before returning to eligible contests; and
- Ineligibility from extracurricular participation for two (2) calendar weeks; and
- Missing a minimum of two (2) contests, performances, or activities.

If fewer than two contests, performances, or activities occur during the two-week period, the student shall remain ineligible until the minimum activity requirement has been satisfied.

The assignment of a restorative intervention, behavior contract, accountability project, or other school-based consequence does not eliminate or replace activity consequences under this section.

Multiple Level 3 violations within the same school year may result in more severe consequences as determined by administration.

<u>LEVEL 4 – SERIOUS ACTIVITY CODE VIOLATIONS</u>

The following violations shall result in Level 4 consequences:

- Possession, use, sale, distribution, or being under the influence of alcohol, controlled substances, narcotics, inhalants, or drug paraphernalia;
- Possession, use, or transmission of firearms, dangerous weapons, or prohibited objects;
- Sexual assault or attempted sexual assault;
- Physical assault resulting in injury or conduct that substantially threatens the safety of others;
- Major theft, extortion, or significant vandalism;
- Serious violations of local, state, or federal law; or
- Other conduct determined by administration to substantially interfere with school purposes or endanger the health, safety, or welfare of students or staff.

NOTE: If the offense involves alcohol, controlled substances, narcotics, inhalants, or drug paraphernalia and the student has previously received a positive drug test under the Random Drug Testing Policy, consequences shall be cumulative.

Consequences for the first and second violations will be doubled if the violation occurs on school grounds, at a school-sponsored event, or in a school vehicle.

First Violation

Completion of an Accountability Project assigned by the Dean of Students which must be completed before returning to eligible contests ; and

Suspension from participation in all extracurricular activities and school-sponsored events, including dances and prom, for three (3) calendar weeks and a minimum of two (3) activities.

Second Violation

Completion of an Accountability Project assigned by the Dean of Students which must be completed before returning to eligible contests ; and

Suspension from participation in all extracurricular activities and school-sponsored events, including dances and prom, for four(4) calendar weeks and a minimum of four (4) activities.

Third and Subsequent Violations

Completion of an Accountability Project assigned by the Dean of Students which must be completed before returning to eligible contests ; and

Suspension from participation in all extracurricular activities and school-sponsored events for one (1) calendar year.

Additional requirements related to chemical dependency evaluation, treatment programs, counseling, drug testing, and successful completion of those programs shall remain in effect as outlined in the Random Drug Testing Policy.

ADMINISTRATIVE DISCRETION

Administration retains the authority to assign a more or less severe consequence when circumstances warrant and may consider the nature of

the offense, student history, intent, cooperation, safety concerns, prior activity violations, cumulative disciplinary points, and other relevant factors when determining consequences.

Nothing in this handbook limits the authority of school administrators to assign disciplinary consequences under the Student-Parent Handbook in addition to extracurricular consequences.

Procedures for Extracurricular Discipline

Students may be suspended from participation in extracurricular activities by the Principal, Activities Director, or designee for violations of the standards outlined in this handbook.

Prior to assigning extracurricular consequences, the student will be informed of the alleged violation and provided an opportunity to explain their version of events.

Parents or guardians will be notified of extracurricular suspensions and provided information regarding the violation and resulting consequence.

Students and parents may request an informal conference with administration regarding extracurricular consequences. Requests for review must be made within five (5) school days of notification.

The assignment of extracurricular consequences shall not be delayed while a review is pending unless otherwise determined by administration.

Nothing contained in this section prevents the student, parent, guardian, coach, sponsor, Activities Director, or administration from discussing and resolving matters informally whenever appropriate.

Attendance and Academics

Student participants are expected to apply themselves academically by following these expectations:

1. Attend school regularly and show evidence of sincere effort towards scholastic achievement.

2. Be on time for all scheduled practices, contests and departure for contests. In the event a participant is unable to attend a practice or contests he/she should contact the coach or sponsor in advance.

3. Attendance, for at least half a day, the day of a contest is required to be eligible for the contest that day. Arrangements in advance for

extenuating circumstances, such as doctor/dentist appointments, funerals or other activities, can be made with the building Principal in writing. Every attempt should be made to be in attendance the day of a contest. Sleeping in to rest up for the game will not be considered an extenuating circumstance, nor will going home ill and then returning to play in the contest later that day.

4. Appearance: Participants will dress appropriately for the activity in which they are involved and will at all times maintain a neat, clean and well-groomed appearance.

Homework Expectations

At least one day before participating in a school activity that causes the student to miss any part of the school day, the student must complete an Activity Form. This form will include all classes and assignments due on the date of the absence. Each teacher must fill in the work due for their class and sign in the designated area. The form must be completed for every period the student will be absent. The student must submit the fully completed form to the coach or sponsor before departing. If the form is incomplete or missing, the student will not be allowed to attend the activity. Additionally, any homework due during a period the student is absent must be turned in by that period to avoid being counted as late. Paper-pencil assignments should be given to the coach, who will place them in the teacher's mailbox upon returning to school. Electronic assignments must be submitted by the beginning of the period in which they are due to avoid being counted as late.

Student Manager Travel Policy

Objective:
To address the issue of extensive classroom time missed by junior high students participating in multiple activities, this policy aims to provide guidelines for student managers' travel with varsity teams, reducing the burden on teachers and coaches while promoting responsible attendance.
Policy:
Junior high student managers are not permitted to miss class or practice for travel with a varsity team during regular school hours.

Exceptions:

Travel occurring after 7th period, which does not involve missing practice, allows student managers to accompany the varsity team.

End-of-year tournaments will be evaluated on a case-by-case basis, requiring approval from all classroom teachers and administrators.
    - Grades and classroom behavior will be considered for approval

Alternate Transportation:
If alternative transportation methods are available, student managers are encouraged to utilize them to attend games. They are also welcome to travel with the team for the return journey.

Please ensure any alternate transportation is communicated to and approved by parents.

Parental Involvement:
While parents may choose to call students out for travel, the administration will handle any disputes or concerns. However, such absences will not be considered excused or exempt, and students will be subject to attendance policy ramifications.

Parent call out would include the expectation that they are arranging transportation to the event. Student managers would be welcome to travel home with the team.

Random Drug Testing Policy for Students in Grades 7-12

Policy Statement

The Board of Education for Kimball Public Schools values students' participation in extracurricular activities. Such students, as role models for other students, are a key to our goal to provide the best possible educational program for our students. To achieve our goal and to maximize the skills and talents of our students, it is important that each student understands the dangers of drug and alcohol use.

Participation in extracurricular activities is a privilege which can be taken away for failure to comply with this policy. The purpose of this policy is as follows:

- To provide for the health and safety of all students;
- To undermine the effects of peer pressure by providing legitimate reasons for students to refuse use of illegal drugs and/or alcohol;
- To identify students who use illegal drugs and/or alcohol; and

- To encourage students who use illegal drugs and/or alcohol to participate in appropriate treatment programs.

Definitions

TPA: A Third Party Administrator, which shall use a certified laboratory in testing of samples.

Drugs: Any substance considered illegal by state or federal law, including but not limited to the Nebraska Uniform Controlled Substances Act, 28-401 *et seq.*, or which is controlled by the Food and Drug Administration unless prescribed to the student by any licensed medical practitioner authorized to prescribe controlled substances. For purposes of this policy, drugs shall include the illegal use of alcohol and any "look alike" substances, drugs, nicotine, or paraphernalia. This policy is intended to cover the maximum amount of substances permitted by law.

Drug Program Coordinator: Designated school officials who help administer the drug testing program and communicate with Third Party Administrator and Parents.

MRO: Medical Review Officer.

School Year: From the first day classes commence in the fall, unless the activity begins prior to the first day of classes, in which case it shall include the first day of practice through and including the last day of classes or the last day of the activity in the school year.

Activity Programs: Any activity that meets the guidelines of an extracurricular activity at Kimball Public Schools, which shall include the following:

Basketball	Cheerleading	Cross Country	Instrumental Music	Vocal Music
Golf	Dance Team	Football	Flag Corps/Drill Team	FFA
Manager	Student Trainer	Honor Society	One Act Play	Marching Band
Quiz Bowl	Musical/Play	Speech	Yearbook/Publications	Wrestling
Track	Volleyball	Student Council	Academic Decathlon	ESports

Participant and Participant Pool: Any student who participates in any extracurricular activity as herein before set forth shall be a participant and his/her name shall be included in the participant pool. A participant shall enter the participant pool upon signing the attached consent form EXHIBIT A and returning said signed consent form to the Activities Director. A participant shall remain in the selection pool for an entire year (365 days) from the date the consent form is returned to the high school Activities Director. A participant may be subject to testing at any time during said 365 day period. Any student who tests positive will continue to be tested through the summer as a "Participant" if that student desires to participate in extracurricular activities in the following school year.

Sample Collection: Samples will be collected as directed by the Drug Program Administrator on the same day the student is selected for testing, or if the student is absent an alternate will be selected, in sequential order, from an alternate list provided by the Drug Program Administrator. If a urine sample is required, all students providing samples will do so alone in an individual bathroom or stall with the door closed.

Drug Program Administrator: The Board will choose a Third Party Administrator (TPA) for the purpose of determining through random selection the student(s)/ participant(s) to be tested. This will be accomplished by the use of a "Student List," compiled by the district. The TPA, by use of a SAMHSA certified laboratory, shall also process sample results and maintain privacy with respect to test results and related matters.

Medical Review Officer "MRO": Kimball Public Schools will utilize an MRO to review all laboratory-reported positive tests. The role of the MRO is critical to protecting the interest of the students. The MRO serves a critical role in determining whether the use of a substance identified by the sample analysis is from illicit use or a legitimate medical use. The MRO will demonstrate his/her knowledge by being certified by an MRO Accreditation body. The parent or the guardian will be contacted by the MRO or his/her assistant. The MRO will report results of verified positives and/or warrant health and safety issues to the student and to the designated school representative through the TPA.

Scope of Tests: The drug screen tests for one or more illegal drugs, nicotine, and/or alcohol. The Drug Program Coordinator shall determine which illegal drugs shall be screened, but in no event shall that determination be made after selection of students for testing. Student samples will not be screened for the presence of any substances other than an illegal drug or for the existence of any physical condition other than drug use.

Non-Punitive Nature of Policy: No student shall be penalized academically for testing positive for illegal drugs or alcohol, unless otherwise permitted by law and the district's student discipline policies, rules, and regulations. If an outside activity is a graded assignment, the student will be provided an alternate assignment. The results of drug tests pursuant to this policy will not be documented in any student's academic records, unless otherwise required by law or district policy. Information regarding the results of drug tests will not be disclosed to criminal or juvenile authorities absent legal compulsion by valid and binding subpoena or other legal process, which the district shall not solicit. In the event of service of any such subpoena or legal process, the student and the student's custodial parent or legal guardian will be notified as soon as possible by the district.

Drug Screening

General Policy: Practical experience and research have proven that even small quantities of narcotics, abused prescription drugs or alcohol can affect judgment and reflexes which can create unsafe conditions for students, especially those involved in any activity covered in this policy. Even when not readily apparent, the effect can have serious results for students engaged in activities. Drug-using students participating in extracurricular activities are a threat to co-participants, other students, and themselves, and may make injurious errors. For these reasons, the Board has adopted a policy that all students participating in extracurricular activities must remain substance-free.

Prohibitions: All students participating in extracurricular activities are prohibited from using, possessing, distributing, manufacturing, or having controlled substances, improperly used medications, or any mind/mood altering or intoxicating substances present in their system unless otherwise prescribed by a licensed physician. This includes all "look alike" substances, paraphernalia, and any other such item. The district will not screen items which appear to be in violation of this policy. If a student has a question as to whether a substance, item, or any other thing may be subject to this policy, the student should ask the principal or activities director.

Alcohol Use/Possession: All students participating in extracurricular activities are prohibited from possessing or use of alcohol.

After School Hours Conduct

After-school-hours use of drugs, alcohol, or any other prohibited substances is not permitted. This includes all "look alike" substances or items of any kind. All students participating in extracurricular activities should realize that

these regulations prohibit all illicit drug use during and away from school activities.

Procedure

All current students participating in extracurricular activities or students that have voluntarily been placed in the pool at the request of their parent/guardian

Random Testing

The Board authorizes random unannounced screening of all students participating in extracurricular activities. The list of students participating in extracurricular activities contained in the random pool will be updated upon receipt of a signed consent form. Students participating in extracurricular activities who have been selected will be required to report to the designated collection site for testing.

Consent

Each student wishing to participate in any extracurricular activity and the student's custodial parent or legal guardian shall consent in writing to drug testing pursuant to the district's drug testing program. Written consent shall be in the form attached to this policy as EXHIBIT A. No student shall be allowed to participate in any extracurricular activity absent such consent.

Removal from the Random Testing List

A student may be removed from the testing pool if he/she has quit or been cut from an activity and a request form is signed by the student and his/her parents to be dropped. This must occur prior to being selected for testing in order to be removed from the testing pool of students. However, students are encouraged to remain in the pool throughout the school year as removal affects student participation in all school activities (e.g., Homecoming, Prom, etc.). Students may volunteer to remain in the pool even though he/she is no longer involved in the activity.

Summer Testing

There is an obligation to continue support for students who test positive. Drug testing during the summer will provide another reason for a student to refrain from the use of drugs or alcohol. Any student who has tested positive during a random test will continue to be tested through the summer months under the guidelines established herein. The Drug Program Coordinator will contact the student to establish a location and time for the test to take place.

Testing Procedures

General Guidelines

The Board shall rely, when practical, on the guidance of the Medical Review Officer in developing a consistent collection and testing protocol.

Substances

Substances that students participating in extracurricular activities may be randomly tested for: alcohol, nicotine, amphetamines, cannabinoids, cocaine, opiates, synthetic opiates and PCP, and other substances, such as but not limited to steroids, barbiturates, and benzodiazepines, without advance notice as part of tests authorized by the Board for safety purposes. Such tests will be coordinated with the Drug Program Coordinator.

Testing Procedure

The Board reserves the right to utilize breath, saliva, urinalysis, and any other testing procedures permitted by law. Urine and oral fluid samples which screen positive will be confirmed by GC/MS.

Collection Sites

The Drug Program Coordinator will designate a collection site(s) at Kimball Public Schools where individuals may provide specimens.

Collection Procedures

The Board and the TPA have developed and will maintain a documented procedure for collecting, shipping and accessing all specimens. The Board and the TPA will utilize a standard Custody and Control Form for all students participating in extracurricular activities testing. A tamper-proof sealing system, identifying numbers, labels, and sealed shipping containers will be used for specimen transportation. Collection sites will maintain instructions and training emphasizing the responsibility of the collection site personnel to protect the integrity of the specimen and maintain as proper a collection procedure that is reasonable.

Return of Results

The TPA will transmit by a secure method the results of all tests to the DPA's MRO. The MRO will be responsible for reviewing test results of students. Prior to making a final decision, the MRO shall give the individual an opportunity to discuss the result either face-to-face or over the telephone.

The DPA shall then promptly tell the principal of the high school which student(s) tested positive.

Request for Retest

A split specimen will be collected for all testing methods, with the exception of alcohol testing. A positive alcohol test will be confirmed with an EBT device. Students involved in the program may, upon a non-negative test result, request that the split sample be tested (within 72 hours of being notified of the final testing result) at a second nationally certified laboratory from a list provided by the MRO. The request for the test must be submitted in writing to the MRO. Students participating in extracurricular activities are required to pay the associated costs for an additional test in advance. However, the costs will be reimbursed if the result of the split sample test is negative.

Positive Results

Whenever a student's test results indicate the presence of any of the substances prohibited (positive test), the following will occur: If the sample tests positive, the custodial parent or legal guardian will be notified by TPA and a meeting will be scheduled with the Kimball Public School Activities Director (Drug Program Coordinator), the student, and the custodial parent or legal guardian.

Note: If a student has previously engaged in the selling, using, possessing or dispensing of alcoholic beverages, tobacco, narcotics, nicotine, controlled substance, inhalant or being under the influence of any of the above and has been assigned consequences accordingly, the consequences are cumulative. For example, a single prior offense will result in consequences concurrent with a second positive test (see below). If there have been two prior offenses, the first positive drug test will result in an activity suspension for one calendar year.

First Positive Test upon lab confirmation:

DPC & Principal meeting with parent/s and student;

Consequences for the first and second violations will be doubled if the violation occurs on school grounds, at a school function or event, or in a school vehicle.

Suspension from participating in the extra-curricular program and all school activities (including all organizations and special events such as prom) for 15

(fifteen) school days and a minimum of two activities. The first day of the suspension will be the day of the conference with the student.

If all activities in which the student participates cease before the end of the suspension, the remainder of the suspension will carry over to the following year's activities so the student completes the required number of days; and

Student must complete an approved drug and alcohol education class at the student's expense during the next available session. A district-administered negative test must be provided before the student may return to the activity; and complete follow up testing as required.

The student will be expected to attend and participate in all scheduled practices during the suspension.

Second Positive Test (Grades 7-12):

DPC & Principal meeting with parent/s and the student;

Suspension from participating in the extra-curricular program and all school activities (including all organizations and special events such as prom) for 30 (thirty) school days and a minimum of four activities. The first day of the suspension will be the day of the conference with the student.

Student must complete an approved drug and alcohol education class at the student's expense during the next available session. A district-administered negative test must be provided before the student may return to the activity; and complete follow up testing as required.

Mandatory drug testing, a minimum of once a month, will commence after the first parent meeting for the next 12 months or end upon graduation from Kimball Public Schools.

The student will be expected to attend and participate in all scheduled practices during the suspension.

Third and Subsequent Offenses (Grades 7-12):

DPC & Principal meeting with parent/s and student;

Upon finding of a subsequent violation, the student will be suspended from participating in the extra-curricular program and all school activities (including organizations and special events such as prom) for 1 (one) calendar year. The first day of the suspension will be the day of the conference with the student.

Student must complete an approved drug and alcohol education class at the student's expense during the next available session. A district-administered negative test must be provided before the student may return to the activity; and complete follow up testing as required.

Mandatory drug testing, a minimum of once a month, will commence after the first parent meeting for the next 12 months or end upon graduation from Kimball Public Schools.

SELF-REPORT OPTION:

If a student voluntarily reports, prior to being selected for random testing, to the coach, sponsor, activities director or principal within three (3) school days of the rule violation, the consequences for first and second violations will be reduced. In the case of a first violation, the suspension would be reduced to 7 school days and one (1) activity. A second violation would be reduced to 15 school days and two (2) activities. This applies to first and second offenses only.

Refusal to Submit to Drug Use Test: A participating student who refuses to submit to a drug test authorized under this policy, or fails or refuses to comply with any other provision of this policy (including counseling requirements or recommendations), shall not be eligible to participate in any activities covered under this policy including all meetings, practices, performances and competitions for 12 months from the date of the violation and qualifies as a positive test.

Adulteration/Substitution: A participating student found to adulterate/substitute a sample or with paraphernalia that would be used in an attempt to adulterate/substitute a specimen will be treated as a positive test.

Prescription Drug Error: A student that is determined to have used a prescription drug without a legal prescription in their name will be given a positive test result by the MRO. If in meeting with the Parent/Guardian it is determined that this is the result of a parent/guardian error and not an intended abuse of the substance, the following will occur: The parent will submit, in writing to the designated official, an explanation of the error and recognition of the law in regards to prescription drugs. Upon receipt of this document and recognition as a reasonable explanation by the Designated Official, the suspension from driving and activities will be lifted and no assessment or intervention will be required. The student will undergo a follow-up drug screen at the parent’s expense to ensure the banned substance(s) are gone or in decay. Upon completion of these requirements,

this positive test will be removed from the student's record. This rule may only be applied one time in a student's enrollment within the school district.

Further errors ruled positive by the MRO will constitute the actions listed above.

Appeal: A student participating in extracurricular activities who has been determined by the principal or Drug Program Coordinator to be in violation of this policy shall have the right to appeal the decision to the Superintendent or his/her designee(s). Such request for a review must be submitted to the Superintendent in writing within five (5) calendar days of notice of the positive test. A student requesting a review will remain eligible to participate in any extracurricular activities until the review is completed. The Superintendent or his/her designee(s) shall then determine whether the original finding was justified. No further review of the Superintendent's decision will be provided, and his/her decision shall be conclusive in all respects. Any necessary interpretation or application of this policy shall be in the sole and exclusive judgment and discretion of the Superintendent which shall be final and non-appealable.

Record Keeping and Confidentiality: All records pertaining to participants shall be kept separate from the student records. The record keeping and results of all testing will be held in the strictest confidence. These records will be accessible only to the Drug Program Coordinator or his designee. Records pertaining to a particular student will be destroyed upon his/her graduation from Kimball Public Schools, or one year after his/her class graduation.

SEVERABILITY

Should any sentence, clause, provision, or paragraph of this entire policy be deemed unlawful or unconstitutional, it is intended that, insofar as may be practicable, the remaining portions of this policy shall remain in full force and effect.

"Team Selection" and "Playing Time"

"Team selection" and "playing time" decisions are the responsibility of the individual coach or sponsor of the activity. Consistent, however, with the purposes of the activities program, the coaches and sponsors shall follow the following established guidelines for team selection and playing time decisions, along with such other guidelines as each individual coach and sponsor may develop which are not inconsistent with these established guidelines:

1. School Representative. Student participants must demonstrate that they can and will represent themselves and their school in a manner that reflects the development of high ideals and appropriate values, which shall include good citizenship in the school and in the community.

2. Success. Student participants must demonstrate that they can make the activity program more successful, both from a standpoint of competitive success and success in promoting a positive school spirit. Characteristics for purposes of this criteria include the student's: (1) talent or skill, (2) desire to improve the student's own skills or talents as well as those of others in the activity, and (3) attitude of respect towards teammates, the coach, the school, and the community.

Academic Grade Standard for Activities Participation

Participation in extra-curricular school activities is encouraged and desirable for all students. At the same time, the principal mission and responsibility for each student is to establish a firm academic foundation. A student participating in extra-curricular school activities must therefore:

1. Maintain passing grades in all classes. Any student having a grade below 70% in two (2) or more classes when grades are checked is ineligible to participate in extra-curricular activities until the student has worked his/her way off the eligibility list. The first time a student is deemed ineligible for a week, they will be placed on probation for that week. Each junior/senior high school student will be placed on probation only once per semester; each time thereafter the student will be ineligible.

2. Eligibility will be run starting the third (3rd) week of each semester and every week after that for the remainder of the semester. The period of ineligibility runs Wednesday through Tuesday. A preliminary grade will be calculated on Monday and a final grade on Tuesday. A student who is deemed ineligible on Tuesday will remain ineligible until the following Tuesday. Also, any student who fails two (2) or more classes during the first or third quarter will automatically be deemed ineligible for the first week of the following quarter.

   Students who are academically ineligible cannot travel with any team, suit up for any event, or participate in any special school activity (such as prom.)
