Welcome

The faculty, staff, and administration of Bradie Shrum Elementary welcome you to our school. It is our goal to provide an equal opportunity for all students to advance educationally and to do so in an orderly and safe environment. Staff members will make every effort, individually, collectively, and cooperatively, to work with appropriate and available community resources to help each student gain acceptable self-discipline and academic skills appropriate to his/her ability. **Please read this information carefully and be knowledgeable of its contents**. If you have questions or concerns about any of the procedures outlined here, please contact the teacher, school counselor, or the administration for an explanation.

Bradie Shrum Counselors

School counselors are available at Bradie Shrum Elementary. Both students and parents should feel free to consult with the counselors about classroom concerns, plans, and decisions or personal problems. Students may be referred to our counselors by themselves, parents, teachers, other students, or administrators. Counselors may also request conferences.

Transportation/Dismissal Information

Students will be dismissed at 2:35pm. Parents picking students up early are required to sign their students out in the office on the Chromebook.

After 2:00pm those changes are not able to be made and your student will go home how they are reported to go home on Pickup Patrol for that day.

Medications

All medications must be brought to the main office by a parent/guardian. No medications will be given without parental/physician consent. A form will be provided for over the counter medication provided by the school, as needed. For daily prescription medication to be administered at school, a doctor provided note is mandatory due to state requirements.
Forms are available in the health center or front office.

Illness and/or Injury

Should a student be involved in an accident or injury at school or a school-related activity, the school nurse or nearest medical facility will be notified. The nurse will evaluate the incident and determine the necessary procedure to follow and notify the parents.

Tardy to School

Students who arrive at school after 8:15 a.m. are considered tardy. **Parents must accompany their child to the office to sign in when arriving after 8:15 a.m.** When a student is late, it creates such concerns such as instruction time is interrupted, students are distracted and an inappropriate example is set for all students.

Attendance

Beginning in kindergarten, high attendance rates are predictive of future academic achievement as well as high school graduation. Because we want to see our students succeed in life, Salem Community Schools has designed a uniform policy we believe will ensure good attendance. At all ages, regular attendance promotes the continuity of the instructional process allowing the school to provide the best possible education to each student.

We do acknowledge there are certain circumstances that require a student to be absent. We ask that parent(s)/guardian(s) call the school by 8:30 a.m. to notify the attendance clerk of an absence. If parents do not contact the school, the school will attempt to contact the parents to check on the absence.
Below are reasons an absence will be excused or verified

Excused Absences

1. Personal Illness verified by a written doctor excuse, when a student is sent home by a school nurse, or at the principal's discretion with parent verification.
2. Death in the family.
3. Absences excused by law as noted in Indiana Code 20
4. Court appearance with documentation upon return.
5. Religious observance with prior notice and documentation upon return.
6. Additional absences maybe excused at the discretion of the principal or his/her designee. Planned absences for any reason must be PRE-APPROVED.

All other absences will be considered unexcused or unverified.

Corporation Procedures for Excessive Absences

If a student reaches 6 or more days unexcused the building Attendance Clerk will notify the parent/guardian of the importance of school attendance. In addition, a referral may be made to the corporation Attendance Officer.

If a student reaches 8 unexcused or unverified absences the Administration will make contact with the student and/or parent/guardian to determine what can be done to ensure that the student attends school. In accordance with habitual truancy as defined by Indiana State Law (I.C.20-33-2-11) when a student reaches 10 days unexcused or unverified the Attendance Officer will refer a middle or high school student to the Washington County Probation Department and an elementary student to the Child Protective Services. Chronic absenteeism is defined as missing 10% or more of the school days. In Indiana, this equates to 18 days or more of school during one school year. Chronic absenteeism also qualifies as truancy under Indiana Code 20-33-11 as described by the Indiana Department of Education.

Home visits will be made at the discretion of School Personnel and Attendance Officers.

Unverified refers to absences where contact has not been made between the school and a parent/guardian to establish the reason a student is absent.

Unexcused refers to absences where contact has been made between the school and a parent/guardian to establish the reason a student is absent but no formal documentation is provided.

Excused absences refer to absences when the reason has been established and the student is excused through formal documentation.

Visitors

Parents/Guardians that are chosen to chaperone a field trip are required to complete a background check no more than 4 weeks prior to the field trip. The background check will be completed online at the following link:
https://salem-community-schools-new-employees.school-background-checks.com
Once this is completed and approved, it will be good for 3 years for all field trips/volunteer opportunities.

Homework Policy

Responsibility of the parent:

While the student should assume the major responsibility for completing homework assignments, parents are encouraged to take an active interest in the student's homework by:

- Providing a study area that is quiet, comfortable and free from major disturbances.
- Provide a definite time for study or other activities.
- Making available, if possible, whatever resources are needed, such as an appropriate dictionary.
- Assisting your child with drill (spelling words, multiplication table, etc.).
- Checking the student's work for neatness and legibility.
- Help your child work to find the answer; do not provide the answer for them.
- Be supportive when your child gets frustrated with challenging projects.
- See that your child puts their homework in a consistent place to return to school on time.
- Sign notebook to confirm that you received information from the teacher/school that the work was checked/completed.

Responsibility of students:

- Write down assignments in planner or homework folder.
- Be sure all assignments are clear and you understand what to do; ask questions if necessary.
- Set aside a regular time for studying.
- Work on homework independently asking for support only when needed.
- Place homework in backpack or homework folder when completed and see that it is returned the next day.
- Turn in assignments reflecting high standards of quality and completeness.

Students will be expected to return homework on a daily basis. If a student does not complete or turn in the assignment the following school day it will be completed in study hall. If three assignments are missed, a note will go home for the parent and student to sign. If the student misses one or more assignments during the grading period they will miss the next special activity.

Make-up Work and Homework

Students who miss school are encouraged to make up schoolwork in order to keep up with their classes. Parents are asked to call the office for assignments before 10:00a.m.and to pick up the work at the office between 1:30 & 3:30 p.m.

Free/Reduced Applications for Meals

Breakfast and lunch are free for all students at Salem Community Schools. However, by filling out an **Alternate Household Application for Free and Reduced Eligibility**, you may qualify for Sun Bucks if they are available this summer in the State of Indiana. Applications are available at the school office and should be completed the first week of school (or as soon thereafter as possible). You may also apply later in the year if your circumstances change.

Severe Weather—School Closing

When severe weather occurs, students will receive an automated phone call from the school about school closings or delays. This information will also be on the Salem Schools Facebook page, WSLM radio and Louisville, Kentucky, television stations. Please do not call the principal, teachers, or the school to request this information. There may be times during the school year that school may be dismissed early due to inclement weather. Early school closing will be announced via Facebook, WSLM radio and Louisville, Kentucky, television stations. **Please keep dismissal information updated in pick-up patrol for your students in the event we have an early release.**

Emergency Drills

Emergency drills are held regularly. During the first week of school, teachers will brief their students on procedures to follow during these drills. Move *quickly* and *quietly* during drills. STUDENTS MAY NOT TALK DURING DRILLS. Law requires Salem Community Schools to administer the following:

Fire Drill: 1 time monthly

Tobacco/Alcohol/Illegal Drugs

Salem Community Schools believe that a more educational environment and a more healthy body and mind can be achieved through the prohibition of tobacco, alcohol, and illegal drugs. The possession, sale, use of, or being under the influence of any alcoholic beverage or illegal substance or look- alike while on school grounds or in any school-related area, activity, or function may result in suspension or expulsion from school. Salem Community School is a smoke free campus.

Profanity

Subject to the lawful exercise of First Amendment rights, participating in any activity or using spoken (or written) language which substantially disrupts or materially interferes with, or is likely to so disrupt or interfere with, any school function, activity, or purpose may lead to disciplinary action.

Rules of Conduct

Every student should strive to be considerate of others. Making boisterous noises, slamming doors, running in the halls, marking on the desks, walls, or floors, jumping to touch the tops of doors, and talking while someone else is speaking are examples of behavior that good school citizens avoid. Strive to show that you are responsible. Nuisance items, such as radios, MP3 players, tablets, electronic games, baseball and like cards, toys, and other expensive items, should be left at home. Also, nuisance items, such as water pistols and other water devices, will result in immediate disciplinary action. Students may not bring soft drinks of any kind to school unless they are bringing them for a special classroom party. White and chocolate milk are part of the lunch program and available at the school. Guns and gun look-alikes, non-prescription drugs and drug look-alikes, knives, alcohol, and other items that may be used as a weapon are forbidden. Should a student bring them to school, he/she will be subject to immediate

administrative action.

Teachers will determine the penalty for classroom violations. Accumulations of violations or more serious violations will result in further action by the administrator. The administrative handling of a situation may include, but not be limited to, in-school suspension, out-of-school suspension, and in extreme cases, recommendation for expulsion.

In-School Suspension

In an attempt to provide a more constructive program and an alternative to corporal punishment or out-of-school suspension, students with behavior problems may be assigned in-school suspension for breaking certain rules. When a student is assigned in-school suspension by an administrator, he/she will spend the assigned time in a designated area under a very strict set of rules. Students will not have a chance to socialize with other students and will not be allowed to participate in the school functions during the school day.

Out-of-School Suspension

Out-of-school suspension is used only for severe discipline problems. Students must take the responsibility for doing their make-up work and will ask for work on the day that they return to school. The missed work should be completed promptly. In some cases, the work will be given to the student before he/she is sent home.

Criminal Gangs and Gang Activity

The Board of School Trustees of the Salem Community School Corporation prohibits gang activity and similar destructive or illegal group behavior on school property, on school buses, and/or at school-sponsored functions and prohibits reprisal or retaliation against individuals who report gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or other people with reliable information about an act of gang activity and similar destructive or illegal group behavior.

The following definitions apply to this policy:

- Criminal Gang means a group with at least three (3) members that specifically:

1. Either:
    a. Promotes, sponsors, or assists in; or
    b. Participates in; or
2. Requires as a condition of membership or continued membership; the commission of a felony or an act that would be a felony if committed by an adult or the offense of battery. Gang activity means a student who knowingly or intentionally actively participates in a criminal gang, or a student who knowingly or intentionally solicits, recruits, entices, or intimidates another individual to join a criminal gang.

Per state law, a school employee shall report any incident of suspected criminal gang activity, criminal gang intimidation, or criminal gang recruitment to the principal and the school safety specialist. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including providing appropriate intervention services. Appropriate consequences and remedial actions are those that take into consideration the severity of the offenses and consider both the development ages of the student offenders and the students' histories of appropriate behaviors per the code of conduct. Field Trip Participation/After School Activities and Student Conduct

Field trips/after school activities are school-sponsored activities and are considered an extension of the regular school day. Participation in these activities is a privilege, not a right, and is contingent upon a student's ability to demonstrate appropriate behaviors and comply with school rules and expectations.

Students who engage in misconduct resulting in In-School Suspension (ISS) or Out-of-School Suspension (OSS) may be excluded from participation in field trips/after school activities. Decisions regarding field trip/after school activity eligibility will be made by school administrators, based on considerations including, but not limited to, student safety, supervision requirements, the nature and severity of the misconduct, and the student's overall disciplinary history. When a student is excluded from a field trip, the school will provide appropriate supervision and instructional activities during the regular school day.

Use of Metal Detectors

A principal may decide to conduct a random metal detector check on all students before entering the school at the beginning of the school day, or he or she may select a group of students to be checked at random on a neutral, non-discriminatory basis. The group selected for a random check may be a classroom(s), a bus(s), or any other group of students determined by the principal in accordance with these procedures and board policy. Metal detector checks of groups of individuals may not be used to single out a particular individual or category of individuals.

- Before conducting the metal detector checks, the participating administrator or law enforcement officer ("officer") will explain the scanning process to students, emphasizing that the checks are intended to maintain safe schools.
- An administrator or officer will escort each student with his or her personal effects into a designated area to proceed with the metal detector check. An adult will closely observe students to make sure no objects are removed from pockets or personal effects.
- The administrator or officer will ask the student to remove all metal-containing objects from his or her clothing and personal effects. The administrator or officer will then scan the student without touching his or her body and scan the outside of the student's personal effects. The metal detector scan of the student's person will be done by an adult who is the same sex as the student. If the student refuses to cooperate, the administrator or officer may proceed with the check in the presence of another adult.
- If the metal detector is activated during the scanning of the student's effects, the administrator or officer will ask the student to open the bag, purse, etc., and the officer will proceed to look for weapons. If the metal detector is activated during the scanning of the student's person, the student will be given a second opportunity to remove any metal-containing object from his/her person. A second scan will be conducted and if the metal detector is activated again, an administrator or officer of the same sex will conduct a pat-down search of the student's outer clothing in the area where the metal detector was activated. The pat-down search will be done in a private room or area and in the presence of an adult witness, when feasible. If the administrator or officer feels an object on the student's person, the student will be given an opportunity to remove the object. If he or she refuses, the administrator or officer will remove the object from the student in the presence of an adult witness of the same sex.

Before conducting a metal detector check of an individual student, the administrator or officer must have individualized reasonable suspicion that the student is in possession of an illegal or unauthorized metal-containing object or weapon. The provisions of the Board policy regarding personal searches and the use of metal detectors shall be followed under these circumstances. If a properly conducted search yields a weapon or any other illegal material, it shall be turned over to the proper legal authorities for disposition.

Parental Custody

If there are disagreements between parents and a situation arises where there is a question to which parent may pick their student up from school, or both parents are attempting to retrieve their students at the same time and are unable to agree and/or there are no court orders provided to the office staff, local law enforcement will be contacted and this matter will be handled outside of BSE.

Change of Address/Phone Number

All address and phone number changes must be reported to the front office staff. Proof of address is required to be turned into the front office before the change will be made in PowerSchool. Accepted documents include:

1. A current utility bill (dated within sixty (60) days of student enrollment/reported changed of address)
2. A current tax return (dated within sixty (60) days of student enrollment/reported changed of address)
3. A current mortgage statement (dated within sixty (60) days of student enrollment/reported changed of address)
4. A current rental/lease agreement (dated within sixty (60) days of student enrollment/reported changed of address)
5. Proof of residency on company letter-head, sign by landlord.

Copies of these documents shall be retained by the corporation in each student's cumulative file.

Valuables and Toys

Students may not bring toys, valuables, etc., to school unless an item is directly related to a classroom project. Parents are asked not to allow their child(ren) to bring large sums of money to school. The school will not be held responsible for lost, stolen, or traded items.

Computer Vandalism

Computer vandalism will result in cancellation of system use privileges and possible additional administrative action. Vandalism is defined as any malicious attempt to destroy school equipment, materials or data. This includes, but is not limited to, uploading or creating computer viruses or any software intended to obtain user passwords or data.

Cell Phone Policy

Bradie Shrum Elementary will follow the SCS cell phone policy pursuant to SB185

There will be a three strike system in effect;

1st Strike: The phone will be taken to the office and be able to be picked up at the end of the day by the student.

2nd Strike: The phone will be taken to the office and will be picked up by a parent/guardian

3rd Strike (and any following strike): In-school Suspension assigned and parent/guardian will be required to pick up student phone from the BSE office. (Administration reserves the right to adjust discipline based on parent communication).
