2026-2027 Shelbyville CUSD #4 Student Registration Information

Registration: Shelbyville CUSD # 4 is offering both online and in-person registration this year. All returning students need to be registered by one of these two options. New students to the district must be registered at in-person registration or at one of the school offices. Please make sure you are aware if your child needs a physical, dental exam, vision exam, and so on.

Online Registration: Online registration is currently open for returning students. Below are links that will assist with online registration:

In-Person Registration (Moulton): In-person registration is Tuesday, August 4th from 2:00 PM – 6:00 PM at Moulton.

Direct Certification and Free or Reduced Meals/School Fees:
Families that are currently assigned as Direct Certification due to SNAP/TANF or Medicaid eligibility should have received an emailed letter from the district recently with this information. In most cases all students within a household are considered Direct Certification if one student in the household is assigned this classification. If you did not receive an emailed letter and believe your child should qualify as Direct Certified, please contact Faith Alvis at the Unit Office (alvisf@shelbyville.k12.il.us) 217-774-4626.

Free/Reduced Applications based on income guidelines can be completed either within online registration or at in-person registration. Families are encouraged to review the fiscal eligibility guidelines for Fiscal Year 2027 at the link below and apply if eligible. When registering online, if you are expecting to receive a waiver, please hold off on paying for the Registration Fee until August. All other fees (e.g., sports fees, class fees, etc.) still must be paid.

If you have already registered online for the 2026-2027 school year, please go back online and complete the recently added free/reduced application if you believe your student qualifies. If you are experiencing any difficulties with the free/reduced application, please contact one of the school offices.

Class/Course Schedules:
Class/course schedules for students in 6th-12th grade are currently available on TeacherEase. Elementary students will be able to see their classroom teacher's name by July 31st.

First Day of School:
The first day of school is Thursday, August 13, 2026. It is a 2:00 PM dismissal.

If you have any questions, please contact one of the school building offices:

Main Street (PreK-3rd Grade): 217-774-4731
Moulton (4th Grade-8th Grade): 217-774-2169
SHS (9th Grade-12th Grade): 217-774-3926

Enjoy the rest of your summer!

Sincerely,

Shelbyville CUSD Administration
