

2026-2027 FROID REDHAWK REPORTER

AUGUST 2026

SCHOOL BOARD MEETS

The Froid School Board will have their regular monthly meeting on Tuesday, August 11 at 7:00 p.m. The school board agenda will be posted at the post office, bank, Kaitlyn's, and Agland.

FROID MEDICINE/LAKE CO-OP

The Co-op will meet Wednesday, August 12th, at 6:30 in Froid.

SCHOOL RESUMES

Teachers will be here on August 13th and 14th for their orientations and to prepare their classrooms. The school day for students will begin at 8:15 Monday, August 17th and will dismiss at 3:42.

IMMUNIZATIONS

The law states that before entering Kindergarten, the following vaccines are required: polio (3 doses with at least one dose after the student's 4th birthday), DtaP (4 doses with at least one dose after the student's 4th birthday) and 2 doses of MMR. As of July 1, 2006, the law states that if it has been at least 5 years since students entering 7th grade have had their Td, they will have to have that before starting school this fall. It is especially important for **high school** age students to be current on their immunizations, as all colleges will require a complete immunization record. The Hepatitis B immunization is not a requirement yet, but is highly recommended.

SCHOOL PICTURES

This year we will once again be having Erin Dell of Plentywood take our school pictures. A date has been set for September 10th. Younger children can also have pictures taken that morning. Envelopes with pricing and information will be sent home with students and it will be on Erin's online site as well.

SCHOOL SUPPLIES FOR STUDENTS

Class supply lists were mailed out earlier with the parent's letter. The office also has lists available if anyone would like one. Please call the office or text Kim if you are in need of one.

BREAKFAST AND LUNCH NEWS

We will once again offer free and reduced meals. **Applications will again have to be filled out for anyone interested in this service.** Please stop by the school and pick up one, otherwise you will be charged full price for breakfast and lunch. Prices will be \$2.00 for breakfast and \$3.00 for lunch. Some families still have money on their child/children's accounts. Call the school if you have questions.

**The Froid Redhawk Reporter is published periodically free of charge. A free copy may be obtained by calling the Froid School at 766-2342.*

STUDENT INSURANCE

Student insurance will be offered again this year. Remember this is a secondary policy and your primary insurance company must be notified first. Also, it is strictly an accident policy and does not cover other medical problems. The coverage does not extend to football participation with students in the 10th grade or above.

FHS ACTIVITIES

The 2026-27 fall sport season is approaching quickly! Anyone who participates in any sports will need to get a physical turned into the school office before beginning practices. Just so you're aware, Roosevelt Memorial from Culbertson will be at the school to do physicals on Monday, August 3rd from 9:00-4:00 with lunch at 12:00-1:00. Practices for football, volleyball, and cross country will begin on August 14th. The schedules are included in this newsletter.

OPEN HOUSE

There will be an Open House on Thursday, August 13th from 12:00-4:00 for students and parents (or anyone interested). This is a great opportunity for students and families to bring in school supplies, find your classrooms, and get lockers and desks set up and to meet teachers. We would like the Junior High and High School students to attend as well so they can receive their class schedules. See you there!!

SUPERINTENDENT

As of this writing, a new superintendent is needed. We do have a person of interest and he will meet with our Board. Next month's newsletter will have better information on this.

Dear Froid Community,

As I reflect on my time serving as your Superintendent of Schools, I want to express my deepest gratitude for the trust you placed in me. It has been an incredible honor to serve the Froid School District and to be a part of this remarkable community.

Froid is truly a special place. It is a community filled with caring people, an outstanding staff dedicated to students, and young people who make coming to work each day a joy. Together, you have created an environment where education is valued, relationships matter, and every student is supported.

During my time here, I have grown tremendously as a leader. The experiences, challenges, and successes we have shared have shaped me both professionally and personally. I will always carry the lessons I learned in Froid with me.

Perhaps my greatest takeaway is this: a community can make an immeasurable difference in education. Schools do not thrive because of one person—they thrive because of families, staff, students, board members, and community members who believe in working together. Froid has demonstrated that every day, and I have been fortunate to witness the power of a community united in support of its children.

Thank you for the countless memories, the friendships that I will cherish for a lifetime, and most of all, for welcoming me as one of your own. Being a part of the Froid community has been one of the greatest privileges of my career.

Although this chapter is coming to a close, Froid will always hold a special place in my heart. I will forever be grateful for the opportunity to serve this extraordinary community, and I look forward to watching your students, staff, and community continue to achieve great things.

With heartfelt appreciation,

Steve Mayhue
Superintendent of Schools
