ABOUT OUR PROGRAM

We believe young children possess a curiosity we must nurture to develop confidence and independence. When children enter school, they are developing an identity about what it means to be a learner. We want your child's first school experience to be positive and memorable, forging the path of success for many years to come and creating lifelong learners.

Waldron Elementary School's Little Mohawks Preschool is a Level 3 Paths to Quality Childhood Education Program. We follow the Indiana Early Learning State Standards for Kindergarten Readiness by using the curriculum, Early Learning Matters (ELM) along with other age-appropriate resources. We accept Child Care and Development Fund (CCDF) Vouchers and On My Way-Pre-K Vouchers for qualifying families.

Our Mission is to shape, empower and support the minds of tomorrow.
We believe that early childhood education is the foundation for long-term success.
Our goal is to work together as a team to provide high quality childcare in a nurturing environment that is safe and secure.

CURRICULUM, INSTRUCTION, ASSESSMENT

At Waldron Elementary's Little Mohawks Preschool, we believe in the development of the whole child including academic, social, motor, self-help, and social-emotional skills aligned with Indiana's Early Learning State Standards. We utilize the Early Learning Matters (ELM) curriculum for our lessons and skills focus. ELM was developed by reviewing scientific evidence on lasting outcomes and effective practices in early education programs combined with standards of developmentally appropriate practices. The curriculum provides resources for parents that we share each week.

Each classroom follows a schedule that includes the following areas: direct instruction, free play, learning centers, and Minds-in-Motion (physical movement). There are many opportunities for children to explore in the classroom, engage with others, and enhance their learning. We work hard to align our classroom experiences with age appropriate play and instruction while also fostering a love, desire, and passion for learning. Activities will be developmentally appropriate with hands-on learning experiences, through a play based approach to teaching. Children will be offered plenty of opportunities to learn through play and choices, balanced with structured experiences led by an instructor.

For assessments, we will send home reports using Educational Software for Guiding Instruction (ESGI) three to four times a year, indicating where your child is currently performing based on the Indiana Early Learning Standards.

TRANSPORTATION POLICY

Transportation is not provided by the school for Little Mohawks Preschool students unless they hold an Individual Education Plan (IEP) and live in our school district. See our district's special education transportation policy for more information on our district website. (shelbyeastern.org)

Only parents, guardians, or authorized individuals listed as an emergency contact will be able to pick up students from school. Should someone else need to pick a child up, we will require advance notice from the parent and the individual will be required to present an ID.

Arrival: Morning drop-off is from 7:55-8:15 Monday - Friday. You will utilize the car rider line at the front entrance of the building (Door 1). Please stay in line and have your child ready to exit the passenger side doors when a staff member approaches your vehicle. They will open the door and assist your child exiting the vehicle. They will NOT unbuckle your child. Once the line moves, or you are motioned by a staff member, you can proceed to leave the parking lot.

Dismissal: Afternoon pick up begins at 2:30 (2:00 on Wednesdays) unless other arrangements are made with the Director. A teacher will assist your child entering the vehicle. Please pull forward, past the cone, once all students are in vehicles, to buckle your child in their car seats. Do not get out of the line or out of your vehicle until you are past the cones.

Half-day Dismissal: Please meet your child's teacher outside Door 1 to pick up your child. A teacher will walk them to you. You may take your child and help them into the vehicle at that time.

COMMUNICATION EXPECTATIONS

At Little Mohawks Preschool, we have a variety of ways we can communicate. Our school phone number is 765-544-3331. Email can be used for contacting the director, classroom teachers, or other staff members in the building. The best way to reach a Little Mohawks Team member is through our communication app - Brightwheel. All Lead teachers and the director will have access to it during the school day. They will also send photos, messages, announcements and updates through the app. We will also send newsletters and/or parent tips indicating the focus skills in the classroom. Please make sure to contact the school via phone and Brightwheel if your child will be absent.

OTHER IMPORTANT INFORMATION

Staffing: Our program's team members are highly skilled and trained professionals. We require over 20 hours of specialized training prior to working with early learners. It is very important that a child's development is nurtured through caring, patience and understanding. However, while caring for your children, we may have to respond to your child's misbehavior. Hitting, kicking, spitting, hostile verbal behavior and other behaviors which will hurt another child are not permitted.

In response to these behaviors, we will not use:

- Threats or bribes
- Physical punishment, even if requested by the parent
- Deprive your child of food or other basic needs
- Humiliation or isolation

In response to misbehavior, we will:

- Respect your child
- Establish clear expectations
- Be consistent in enforcing rules
- Use positive language to explain desired behavior
- Speak calmly while bending down to your child's eye level
- Give clear choices
- Redirect your child to a new activity
- Move your child to a time-out chair for no longer than one minute per year of your child's age, if necessary

If your child's behavior is very disruptive or harmful to himself or other children, we will discuss the issue with you privately. If the situation can be resolved, the child may remain enrolled. If we are unable to resolve the issue, you may be asked to make other child care arrangements.

As a parent, you may have some concerns or wish to offer suggestions. Please contact your child's teacher and/or the program director. By signing the handbook, you agree to our program's discipline and guidance policy.
