IMPORTANT INFO:

<u>Testing:</u>

- Be on the lookout for a letter informing parents/guardians of the NAEP testing that will take place.
- NAEP stands for the National Assessment of Educational Progress
- For 4th grade students, NAEP:
- Measures achievement in subjects like reading and math
    - Is given to a sample of students, not everyone
    - Does not affect grades or promotion
    - Is used to understand how students are doing across schools, districts, states, and the nation
- In short: NAEP provides a snapshot of student learning–not an individual test score.

<u>HISS ASSEMBLY:</u>

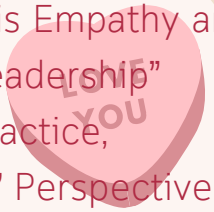

- We recognize our students that are being honorable, showing integrity, staying safe and responsible. We have an assembly planned for 1/30- photos to follow!

LITERACY

Literacy: Why Literacy Matters
Literacy is more than reading–it's the foundation for learning, confidence, and future success.

- Strong readers are better able to understand directions, solve problems, and think critically.
- Reading skills directly impact success in math, science, and all content areas.
- Students who read regularly build vocabulary, writing skills, and resilience.
- Literacy supports emotional growth by helping students understand themselves and others.

I.S.O. GUEST SPEAKERS

- What: Exploring our Careers Wants You
- When: Pick a Wednesdays at 4:00 pm
- How: Share your career with 5th/6th graders
- Why: Students are exploring possible career options and would love to hear from our community members
- Who: Contact Ms. Snapp if interested :)

ATTENDANCE RECOGNITION

Strong attendance helps students learn, grow, and stay connected. This semester we celebrated three groups: students who missed two or fewer days, students with zero unexcused absences, and our superstar group with no absences or tardies all semester! Friday morning we celebrated these dedicated students.

We also want to thank you as parents and guardians for valuing the importance of school!
