FOREWORD

This publication is intended to inform all persons involved with the learning process in the Beggs School system of the guidelines for behavior, as well as rights and responsibilities for students, faculty and administrators.

Policies stated in the publication are subject to review and change periodically as the standards and expectations of the community evolve.

It is hoped this publication will provide a sound basis for understanding between the school, the home and the community.

BEGGS BOARD OF EDUCATION

Dr. Tyson Christy
Matt Lee
Melanie Harvey
Brad Neal
Arielle Allen

The Board of Education is elected by voters of the Beggs community. They are the governing body of the Beggs Public School System. They are charged with the responsibility of determining school policies, hiring school personnel, approving all financial transactions, and many other administrative duties.

It is the duty of the students and all concerned to respect and obey school policies. The Board hires the Superintendent and charges her/him with responsibility of selecting teachers and in general the entire operation of the school.

The local board meets in the evening at 6:00 p.m. the second Monday of each month to transact school business. The time may vary because of conflicting interest, but community members may contact the Superintendent for the time of the monthly Board meeting.

In response to the Asbestos Hazard Emergency Response Act P.L. 99519, and EPA regulations, we have completed the three year re-inspection of our buildings that contained asbestos building materials.

As a result of our re-inspection, we are pleased to announce that areas that contain asbestos pose no health problems.

The management plan and the results of the re-inspection will be available for viewing during office hours Monday through Friday in the office of the Superintendent. Please call for an

appointment.

PHILOSOPHY

The philosophy of the Beggs School is based upon the following rules:

Just as citizens of the total community have rights and responsibilities, so also do classroom citizens have rights and responsibilities.

The student does not divest himself of his constitutional rights on entering the schoolhouse.

So long as the student does not disrupt the educational process, impose upon, endanger or deprive others of their rights, the student will enjoy his freedoms of expression, orderly assembly, privacy of person and freedom from discrimination. Fair and reasonable procedures will be followed to assure the student/students' rights.

The student, in turn, needs to recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority by school officials is necessary.

All persons connected with our school must demonstrate respect for the rights of the students and students must accept their responsibilities toward others and toward the school system.

Rules of discipline are guidelines for behavior, so that all may know what is expected of them in the school community.

There are circumstances and/or conditions under which employees are permitted to touch students appropriately; maintaining a safe and orderly school environment, administering first aid and attending to health needs.

Typical examples of these circumstances include:

- 1) Intervening in fights
- 2) Preventing accidental injury
- 3) Protecting oneself
- 4) Providing care for a disabled student
- 5) Moving through a crowd to reach a situation

MISSION

The Beggs Public School District is committed to excellence through its students, curriculum, staff, facilities, and community. This commitment, we believe, will ensure the opportunity for all students to become successful, contributing world citizens.

TEACHER QUALIFICATIONS

As parents, you have the right to know the qualifications of the teachers who instruct your child and Federal law requires the school district to provide you this information in a timely manner if you request it:

- Whether the teacher meets the state qualifications and licensing criteria for the grades and subjects they teach.
- Whether the teacher is teaching under emergency and provisional status because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees, and the fields of discipline of the certification or degree.
- Whether paraprofessionals provide services to your child, and if so, their qualifications.

FREE EDUCATION

Beggs...All children have the right to a free and appropriate education. This is mandated by Public Law 94-142. This federal law provides for all handicapped children from birth to age twenty-one who may be in need of special education services. This may include children who are: Mentally Handicapped, Learning Disabled, Hearing Impaired, Blind or Partially Sighted, Emotionally Disturbed, Speech or Language Handicapped or Physically Disabled.

Beggs Public Schools are interested in locating and identifying handicapped children who are not currently receiving services. We offer such services as educational and psychological evaluations, counseling, speech and language evaluations in addition to basic services provided by the schools. All services are provided at no cost to the parent.

CHILDREN'S INTERNET PROTECTION ACT OF 2000

Beggs Public School has adopted a policy according to Public Law 106-55, Children's Internet Protection Act of 2000, which requires schools to teach online safety to students in order to educate minors about appropriate online behavior, including interactivity with other individuals on social networking websites and in chat rooms and cyber bullying awareness and responsibility. Please reference Beggs Public School Policy EFBCA.

INTERNET/TECHNOLOGY POLICIES:

- There is no legitimate expectation of privacy in the use of the school district's technology. Please see the technology contract with the enrollment paperwork and/or on the school's website.
- This includes the school's wireless capabilities. The school district will discipline students for cyberbullying.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Beggs Public Schools would like to hereby notify parents of students currently in attendance and eligible students currently in attendance, at the Beggs Schools of their rights under the Family Educational Rights and Privacy Act. The parent or eligible student has a right to:

1. Inspect and review the student's educational records.
2. Request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.
3. Consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that the Act and regulations in this part authorize disclosure without consent.
4. File with the U.S. Department of Education a complaint under the Act concerning alleged failures by Beggs Schools to comply with the requirements of the Act and this part; and obtain a copy of the policy adopted under the Act.
5. The district will arrange to provide translations of this notice to non-English speaking parents in their own native language.

PARENT BILL OF RIGHTS:

- The school district is in compliance with the Parents' Bill of Rights. Additional information is available for parents in the school policy manual on this subject. Parents may submit written requests to obtain the specific information listed in the Parents' Bill of Rights law during regular school business hours by contacting the building principal or the superintendent. 25 O.S. Section 2001

NOTICE FOR DIRECTORY INFORMATION:

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Beggs School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Beggs School district may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow Beggs School District to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets
- Directory information, which is information that is generally not considered harmful or an invasion of privacy is released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEA's) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Beggs School District to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by September 1st. Beggs School District has designated the following information as directory information:

Student's name	Participation in officially recognized activities and sports
Address	Weight and Height of member of athletic teams
Telephone Listing	Degrees, honors, and awards received
Email address	Major field of study
Photograph	The most recent educational agency or institution attended
Date and place of birth	
Dates of attendance	
Grade Level	

HATCH AMENDMENT:

The school district is committed to enforcing the Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. 1232h, included in the Goals 2000 Educate America Act of 1994. PPRA applies to all funding provided by the United States Department of Education and seeks to protect the rights of parents to inspect survey or instructional materials if these materials or surveys are funded by the United States Department of Education.

- With respect to survey activities, survey materials, evaluation materials, and instructional materials used by students and funded by the United States Department of Education, the school district will:
 1. Make such materials available for inspection by parents.
 2. Obtain written parental consent if students are required to participate in a survey, analysis or evaluation that reveals information such as
 - Political affiliations
 - Mental and psychological problems potentially embarrassing to the student and his/her family
 - Sexual behavior or attitudes
 - Illegal or self-incriminating behavior (such as use or possession of tobacco, alcohol, or other drugs)
 - Critical appraisals of other individuals with whom respondents have close family relationships
 - Legally recognized privileged or analogous relationships, such as those of lawyers, doctors, and ministers
 - Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such programs.
 - Religious practices, affiliations, or beliefs of the student or the student's parent.

Parents/guardians, or students 18 or older, have the right to “opt the student out of participation,” in writing, in the following activities:

1. The collection, disclosure, and use of personal information gathered from students for the purpose of marketing or selling that information. This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to students, such as:
 - College or other postsecondary education recruitment, or military recruitment;
 - Book clubs, magazines, and programs providing access to low-cost literary products;
 - Curriculum and instructional materials used in schools;
 - Tests and assessments;

- Student recognition programs; and
 - The sale by students of products or services to raise funds for school-related activities.
2. The administration of any survey that delves into the restricted sensitive subject areas identified and listed above; or
 3. The administration of any non-emergency, invasive physical examination or screening that is required as a condition of attendance, administered by the school not necessary to protect the immediate health or safety of the student or other students and not otherwise permitted or required by state law.

Parents/guardians of a student shall also have the right to inspect, upon request, any instructional material used as part of the educational curriculum.

It shall be a violation of this policy for any pupil, teacher, administrator or other school personnel of the School District to harass a pupil, teacher, administrator or other school personnel through conduct or communication of a sexual nature or regarding religion and race as defined by this policy.

It shall be a violation of the policy for any pupil, teacher, administrator or other school personnel to the School District to inflict, threaten to inflict, or attempt to inflict religious, racial or sexual violence upon any pupil, teacher, administrator or other school personnel.

The School District will act to investigate all complaints, formal or informal, verbal or written, of religious, racial or sexual harassment or violence, and to discipline to take appropriate action against any pupil, teacher, administrator or other school personnel who is found to have violated this policy.

Grievance Procedures may be found in all offices and libraries on Beggs School Campus.

IMMUNIZATION

Children in child care must be up-to-date for their age for the vaccines listed.

All measles, mumps and rubella and varicella vaccine doses must be administered on or after the child's first birthday or up to 4 days before the birthday to be counted as valid doses.

If the 4th dose of DTP/DtaP is administered on or after the child's 4th birthday then the 5th dose of DTP/DtaP is not required.

The 5th dose of DtaP must be given on or after the 4th birthday or within 4 days before the birthday.

If the 3rd dose of Polio is administered on or after the child's 4th birthday then the 4th dose of Polio is not required.

Hepatitis A vaccine must be administered on or after the child's second birthday or within 4 days before the birthday.

Hepatitis B may be administered in a two (2) dose series to children 11 thru 15 years of age. All other age groups will receive the three (3) dose Hepatitis B series.

A parental history of a child having varicella disease is acceptable in lieu of varicella vaccine.

Hib vaccine is not required for students in pre-kindergarten through grade twelve, but is required for children in child care.

Longer than recommended time periods between doses of multi-dose vaccines do not diminish the effectiveness of these vaccines. It is not necessary to restart the series of any vaccine due to extended time periods between doses.

Children may be allowed to attend school if they have received the first dose in the series of any multi-dose vaccine but must complete the series on schedule.

Pneumococcal vaccination (PCV or PPV) is not required for school or child care.

Doses administered 4 days or less before the minimum intervals or ages, will be counted as valid doses; applies to all children including those already enrolled.

HEALTH SERVICES

SICK CHILD POLICY

Any student with a temperature of 100 degrees or over will be expected to stay home until he/she is free of fever for 24 hours.

Students with vomiting or diarrhea are also expected to stay at home until free of all symptoms for 24 hours. This will insure a more complete recovery of your child and help control the spread of communicable disease at school.

MEDICATION POLICY

Children are not to transport medication to school.

Every effort should be made to administer medication at home, as it does represent a disruption in the student's school day. If your child's physician feels it is necessary for him/her to take medication at school, the following policy will be enforced.

By Oklahoma State law, the school nurse or other designated school employee may administer a prescription or non-prescription medication to a student during the school day.

A prescription medication must be contained in its current prescription vial. A non-prescription medication must be in its original container. **NO MEDICATION WILL BE GIVEN UNLESS IT IS IN ITS PROPER CONTAINER.**

Written parental/guardian permission must accompany the medication indicating:

1. Student's Name
2. Name and Strength of medication
3. Amount to be given
4. Time to be given
5. Parent/Guardian signature

Any medication given on a daily basis must have a parent/guardian and a physician written authorization on file.

If a student has asthma, please make the school aware by filling out an Asthma form that allows you to indicate if the student must carry his/her own inhaler. A doctor and parent must both sign for a student to self-administer asthma medication.

Medication Permission forms and Asthma forms are available in the school office and nurse's office. A detailed Medication policy is also available upon request.

ENROLLMENT AND RESIDENCY

All students between the ages of Five (5) years and eighteen (18) years of age residing in the geographical area of the Beggs Public School District, I-4, have a right and responsibility to be enrolled in the Beggs Public Schools. All children between the ages of five (5) years on or before September 1, and twenty (20) years on or before September 1, shall be entitled to attend school free of charge in the district in which they reside, provided that children who have reached the age of five (5) years on or before September 1, of the school year shall be admitted to kindergarten classes approved by the State Board of Education. Except as otherwise provided by law, no child shall be enrolled in the first grade unless he or she will have reached the age of six (6) years on or before September 1, of the school year and completed kindergarten. A Social Security number should be on file for students.

Exceptions to the responsibility include those students who have completed four years of high school work, are in attendance at some private or other school where other means of education are provided, or where the student has been excused by reasons of law as provided in Section 153, or other sections of the School Laws of Oklahoma, 1974.

Students enrolling in Beggs Middle School or High School will enroll in 8 periods each day. Seniors participating in extracurricular activities, such as basketball, football, band, cheerleaders, FACS, FFA, etc. must enroll in 7 continuous subjects unless concurrently enrolled or taking online classes. Students enrolling in the Area Vocational School will have to follow the enrollment guidelines set up by Vocational School officials. When a student has graduated from high school, he/she cannot enroll for any following semester.

- **Enrollment Documents Required**

- Birth Certificate
- Social Security Card
- Shot Records
- Current Transcript
- Proof of Residency such as deed to home, lease agreement, or utility bill (water or electric) in parent/legal guardian's name. If parents/guardians refuse to provide proof of residency, Beggs Schools can deny residency after conducting an investigation such as the house is empty, no utilities hooked up, or other substantial findings. Students new to the Beggs District will also need to complete the Beggs Public Schools Proof of Residency Form. Please see the Beggs Public School policies for further information.

SENIOR'S 7-PERIOD DAY (per enrollment forms):

For the BHS senior student to be enrolled only in 7 periods a day, the student must have taken or be enrolled in all necessary classes to graduate at the end of the current school year. He/She must also have the permission of the school and the parent/guardian. All the parties must agree to the terms of this agreement stated below. Students will only be allowed to apply to the 1st or 8th period. The student agrees to only be on campus during the assigned times according to their schedule.

Parent/Guardian releases Beggs Public School from any responsibility for their student's actions during the time of the school day when he/she is not enrolled in classes. I hereby give my permission for my child to only be enrolled in 7 period hours each school day.

Agreement to this statement is found on the senior's enrollment form.

ALTERNATIVE SCHOOL POLICY

Beggs High School will offer an alternative school if it becomes necessary during the school year.

The school hours will be 8:15 a.m. – 12:30 p.m., Monday – Thursday.

If a student has been permanently suspended from the regular classes of the high school

because of behavior problems, that student may be offered the opportunity to attend the alternative school. Once a student has entered the alternative school, any further behavior problems will be grounds for permanent removal from school.

No new students will be admitted to alternative school three weeks prior to the end of school. If a student is absent during the final three weeks and this puts them over the allowed number of absences, the child will not be able to attend alternative school and will not pass. Students and guardians must complete all required paperwork before starting coursework in Alternative School. (See Enrollment Office)

VIRTUAL SCHOOL AND ONLINE COURSES

Beggs Public Schools uses an online program for students called Edgenuity. This program is used for our virtual students, credit recovery, and/or when the current year's master schedule will not allow for specific core courses to fit in the student's individual schedule. Students are monitored as they work in the Edgenuity program, and student progress in courses is tracked weekly. Please see the following for further explanation:

Terminology:

- **Virtual:** Students are enrolled in virtual classes only and complete coursework from home.
- **Blended:** These students have a mixture of online and at-school classes.
- **Credit Recovery:** These students are making up a class they have either failed or did not complete.
- **First Time Credit:** These students may be move-ins and need certain courses for graduation, either semester or year-long courses.
- If a student is a Virtual Student, he/she will complete ALL coursework online from home. However, once a student begins a semester on campus at Beggs schools, that student cannot change to a Virtual Student until the semester is completed. Virtual students are required to enroll each year. Students defined as Virtual should only be on campus for a legitimate educational purpose such as meetings with his/her teachers. Students need to check in with the main office when they arrive on campus. Students who do not log in and regularly participate in their Edgenuity course work will be withdrawn from school. Virtual Students must meet the due dates of assignments. Students are always allowed to work ahead in the Edgenuity program.
- Students must make every effort to pass and complete all scheduled classes. However,

students who have failed classes for high school credit or did not complete a class may be eligible to pursue their academic requirements through Edgenuity coursework. If make-up credits are needed to meet graduation requirements, a counselor will be available to assist the student in determining an appropriate method for completing these requirements. If you fail a class that is required for graduation, you will be pulled out of an elective to complete the required course during the day.

- As a last resort, students may be placed in an online class when the master schedule of the school does not allow for the student to have the course in his/her schedule. For instance, if a student is in high school band (1st period) and athletics (8th period), his/her schedule now has limitations on where to place other core classes such as math, English, science, or history. To ensure that the student is able to continue to earn credits to graduate on time, he/she may be placed in an online course at the administration's discretion.
- If a student's schedule **DOES** allow for the core class to fit in his/her schedule, being in a classroom with a teacher is the priority over taking the course online. A student **cannot** take a course online to avoid a specific classroom.
- All Edgenuity classes are subject to eligibility requirements. If a student is not passing his/her online class, they will not be eligible to compete in extracurricular activities for the week of ineligibility.
- Students who have a full eight period school day may request to work on **ONE** additional course online at home.

CONCURRENT CLASSES (OSUIT)

Students enrolling as a Junior or Senior at Beggs High School have the opportunity to attend Oklahoma State University Institute of Technology (OSUIT) in Okmulgee to earn high school credit and college hours at the same time. Beggs High School students need to be enrolled in at least 2 classes at BHS to be eligible for concurrent enrollment.

Juniors who choose to take concurrent classes along with high school courses must be enrolled in at least six classes total with one hour of travel time. **Seniors** must be enrolled in at least five classes total with one hour of travel time.

OSUIT revises their policy occasionally regarding how much they will waive in tuition.

Parents/Guardians need to check with OSUIT prior to enrolling about the cost to attend OSUIT.

Currently, Juniors receive a tuition waiver for up to 9 hours PER YEAR (Summer, Fall, Spring), and Seniors receive a tuition waiver for up to 18 hours PER YEAR (Summer, Fall, and Spring).

Parents/Guardians are responsible for paying all of the fees associated with their student's concurrent classes.

For more information on enrollment procedures with OSUIT, please see the Academic Advisor or visit our website.

ATTENDANCE

Accomplishing our goal of providing the best, most appropriate education to every one of our students requires that we all work together to achieve that end. One of the things that we need from our students is regular attendance. In other words, we need you in school every day so that we can provide the instruction you need to be successful.

Students with good attendance will be rewarded with the following *semester test exemption*:

- A.a.No more than three (3) absences (AE, AU, and/or AD) in a class with A or B average. School sponsored activities (EE) do not count toward these three (3) absences. Doctor verified illnesses/injuries lasting 2 or more days will only count as **ONE** absence for exemption purposes.

Certificates of perfect attendance will be awarded to students who have maintained perfect attendance during the school year. (Missing more than one period during either the morning or afternoon session will be recorded as a one-half day absence.) For high school and middle school students: If a student misses 15 minutes or more of a class period, they will be counted absent for that class period.

B. ATTENDANCE REQUIREMENT

The underlying guideline for the attendance policy is that students **must be in attendance a minimum of 90% of the time to receive credit**. Students will receive an "NC" for No Credit if attendance does not meet the state requirement. We understand that sickness or family obligation occasionally necessitates an absence from school. When this occurs, we request that your parent/guardian call the office each day of your absence to inform the school of the absence. **NOTES FROM HOME WILL NOT BE ACCEPTED.** Parents are encouraged to request

homework if the child's absence exceeds two days. Students will be provided make-up work within 24 hours of request. We also understand that extenuating circumstances may result in the student missing more than the allowable days. As a result, an appeals process has been established so that the minimum attendance policy can be waived on an individual basis. The appeals process consists of the following step: When there are extenuating circumstances, the student and parent should request a hearing with the principal. **Students who are absent 10 consecutive school days will be dropped from Beggs Schools.**

****For OSSAA sponsored extracurricular activities:**

OSSAA Rule 2 states "A student who has not attended classes ninety percent of the time for the semester in a school district becomes ineligible."

Fall Semester 2025-2026: 80 days taught = 8 days allowed for AE/AU absences

Spring Semester 2025-2026: 82 days taught = 8 days allowed for AE/AU absences

C. PARENTAL NOTIFICATION

Since the purpose of this attendance policy is to encourage good attendance, the school will strive to help prevent any student from losing his/her grade(s) solely on the basis of absenteeism. The attendance office will inform the parents/guardians of any student whose attendance is becoming a problem. The following steps will be utilized:

1. Notification will be made periodically for students with attendance issues. The parent/guardian will be informed at the **fifth and/or seventh** absences.

2. The parent/guardian will be informed at the fifth and/or seventh absence **regardless** of when it occurs during the semester. Parents/Guardians are expected to call the office by 9:30 am if a student will be absent. Parents/Guardians are encouraged to call so that the AU can be changed to AE (excused absence).
 - 5th, 7th, and 10th consecutive AU with NO CONTACT from parents/guardians, a visit will be made to the student's residence. The principal and/or designee, and school officer will be present.
 - On the 10th consecutive AU, the student will be dropped from Beggs Public Schools
 - When three (3) home visits are conducted and recorded, all attendance information will be provided to the District Attorney along with a written referral for an investigation into the student's nonattendance.

NOTICE: PENALTIES OF LAW FOR NON-ATTENDANCE. (Section 381.D) Any parent, guardian, custodian, child or other person violating any of the provisions of this section, upon conviction, shall be guilty of a misdemeanor, and shall be punished as follows:

1. For the first offense, a fine of not less than Twenty-five Dollars (\$25.00) nor more than Fifty Dollars (\$50.00), or imprisonment for not more than five (5) days, or both such fine and imprisonment;
2. For the second offense, a fine of not less than Fifty Dollars (\$50.00) nor more than One Hundred Dollars (\$100.00), or imprisonment for not more than ten (10) days, or both such fine and imprisonment; and
3. For the third or subsequent offense, a fine of not less than One Hundred Dollars (\$100.00) nor more than Two Hundred Fifty Dollars (\$250.00), or imprisonment for not more than fifteen (15) days, or both such fine and imprisonment.

D. ABSENCE CATEGORIES: EE, AD, AE, or AU

- **1. SCHOOL RELATED ABSENCES (EE):** Absences for school sponsored activities will not be counted against the minimum attendance requirement. According to OSSAA rule 2, “a student who has not attended classes ninety percent of the time for the semester in a member school becomes ineligible.” The State Board of Education Rules state “the maximum number of absences for activities whether sponsored by the school or outside agency/organization which removes a student from the classroom shall be **ten** for any one class period of each school year. Excluded from the number are state and national levels of school-sponsored contests. State and national contests are those for which a student must earn the right to compete.” (If a student is participating in a progressive tournament and misses more than one day of school during that tournament, only one day's absence will be counted against the ten.) *STUDENTS WILL BE RESPONSIBLE FOR OBTAINING AND COMPLETING ALL ASSIGNMENTS PRIOR TO THE ACTIVITY OR MAKE PRIOR ARRANGEMENTS WITH THEIR TEACHERS TO COMPLETE ASSIGNMENTS AT THE TEACHER'S DISCRETION.*
- **2. DOCTOR VERIFIED (NON-CHARGEABLE) ABSENCES (AD):** Absences for hospitalization and/or doctor verified illness or injury will not be charged against the minimum attendance requirement. **DOCUMENTATION WILL BE REQUIRED FOR THESE ABSENCES.** If grades are taken during the absence, the student must make arrangements with the teacher to complete the missed assignments within the designated time period. (A designated time period is defined as one day to make up work for each day missed. An example is if a student missed Monday and Tuesday and is back in school on Wednesday, he/she would have until Friday afternoon to complete all assignments and tests.) No penalty will be assessed to work made up on time. Zeroes will be recorded permanently for any work not made up on time.
- **3. ABSENCES with an EXCUSE/REASON (AE):** If a student is absent with the approval of his/her parent/guardian for any reason except an approved school activity, ***the absence counts as one of the student's allowable days.*** If grades are taken during the absence, the student must make arrangements with the teacher to complete the missed

assignments within the designated time period. (A designated time period is defined as one day to make up work for each day missed. An example is if a student missed Monday and Tuesday and is back in school on Wednesday, he/she would have until Friday afternoon to complete all assignments and tests.) No penalty will be assessed to work made up on time. Zeroes will be recorded permanently for any work not made up on time.

- **4. TRUANCY (AU):** A student is truant when he is absent without prior permission from the school and the parents/guardians. Examples of truancy include: simply missing school without permission, obtaining a pass to go to a certain place and not reporting there, becoming ill and staying in the restroom instead of reporting to the office, leaving class without permission, leaving school without permission, etc. ***IF A STUDENT IS ABSENT WITHOUT AN EXCUSE, HE/SHE WILL BE INELIGIBLE TO PARTICIPATE IN ANY SCHOOL ACTIVITY THAT DAY OR NIGHT.*** Truant students will be dealt with according to the following penalties:

E. TARDINESS (T) - A student not in the classroom and seated when the tardy bell rings is considered tardy. If a student is detained by a teacher, administrator, or counselor, the student must have a note from that faculty member to be considered excused (not tardy). Any student who has excessive unexcused tardies (3 or more) will be referred to the principal for discipline. Parents must call before 8:20 am to excuse a tardy. No tardies will be excused if the call is made after school starts. High School students' tardiness will be assessed for each class hour. If a student is tardy to class 15 minutes or more, it will be considered an absence.

F. HALL PASSES - Students must have permission to be in the halls during class time. Students will be given a hall pass as evidence of permission. The hall pass must be visible or disciplinary action will be taken.

BUS BEHAVIOR

The School Laws of the State of Oklahoma stipulate that transportation by bus may be furnished by the school district but that the district is not required to do so. Therefore, by law, it is a privilege to ride a school bus and not a right to such transportation.

Bus transportation is provided for students enrolled in the Beggs Schools as follows:

1. For students residing at a distance greater than one and one-half miles from the school of record.
2. For any other purposes designated as being of benefit to the total program of the school and as approved by the Principal/Superintendent.

Bus rules and regulations shall be enforced by each building principal.

Students who become ill during the day, or who find it necessary to leave for any reason, must have parent/guardian permission to check out. Parents/Guardians must CALL the front office and speak to office staff.

If a parent calls to check their student out at lunchtime, **the student will not be allowed to return to campus that day** unless they have **prior approval from the Principal or provide a doctor’s note**. In such cases, the student will be **counted absent for the remainder of the day**.

CONCURRENT COLLEGE ENROLLMENT

(Information from the Oklahoma State Regents for Higher Education)

Information for Parents and Students

Concurrent college education provides eligible high school students with an opportunity to enroll in college classes while still attending high school. College transcripts are permanent records. It is imperative that the student and parent/guardian understand the benefits and risks associated with concurrent college enrollment.

1. Paperwork and Signatures Required
 - An enrollment form from the college/university with either the high school principal's, academic advisor's, or counselor's signature is required along with a parent/guardian signature.

- Up-to-date transcript
0. Cost of Tuition
 - Eligible high school seniors will receive a tuition waiver for a maximum of eighteen (18) credit hours of concurrent college enrollment. The senior tuition waiver may be divided over the three senior semesters: summer, fall, and spring. The nine (9) hours of funding for juniors is dependent on the appropriation for the current year and may be divided over the three junior semesters: summer, fall, and spring. The college/university will have more information about the current status of funding for high school juniors.
 - High school students are required to pay for fees, books, supplies, etc.

 0. Grades on Transcripts
 - High schools are required to include concurrent courses on a student's high school transcript.
 - Pursuant to 70 O.S. 628.13 (OSCN 2019), Fiscal Policy for Higher Education, when a student earns college credit through concurrent enrollment, school districts shall provide academic credit for any concurrently enrolled higher education courses that are correlated with the academic credit awarded by the institution of higher education. Academic credit shall only be transcribed as elective credit if there is no correlation between the concurrent enrollment higher education course and a course provided by the school district.

 0. Student Workload
 - A concurrently enrolled student may enroll in a combined number of high school and college courses per semester not to exceed 19 credit hours. For purposes of calculating workload, one-half high school unit equals three credit hours. Non-academic high school units are excluded from the workload calculation (e.g. office aid, athletics, band, ag, etc.). Students wishing to exceed these limits may petition the selected higher education institution.
 - High school students concurrently enrolled in college courses may continue concurrent college enrollment in subsequent semesters if they achieve a college grade point average (GPA) of 2.0 or above on a 4.0 scale. Therefore, a concurrent student who fails to achieve the requisite 2.0 college GPA shall not be eligible for concurrent college enrollment at any State System institution.

Oklahoma State Regents' Academic Affairs Procedures Handbook (PDF):
<https://bit.ly/OSRHEProcedures> 21.

Concurrent enrollment and approved internet classes (with Principal approval) will be approved for study and will be allowed to count for regular course work during the regular school term.

Certain concurrent classes could be allowed to take the place of high school classes listed in the graduation requirements above. Please see the principal, academic advisor or counselor for further information or visit our website.

MIDTERM AND SEMESTER TESTS FOR HIGH SCHOOL STUDENTS

Tests will be given at the end of midterm and/or semester periods. There will be no opportunity for “make-up” exams. If a situation occurs that requires a student to take his/her tests early, the student must make arrangements with classroom teachers and the principal (**AT LEAST**) 48 hours **PRIOR** to the scheduled test dates. All midterm and semester tests will be cumulative.

REPORT CARDS AND/OR TRANSCRIPTS

Report cards and/or transcripts will be handed to students the week following the nine-week or semester examinations. This report card/transcript is for the parents’ records, and the school official does not request that you return them (except in elementary school). Grading system is as follows:

An early graduation plan must be completed and approved by the student, the parent, the counselor, and the principal. Failure to meet the October 1 deadline may result in the student being unable to graduate early.

Seniors who graduate in December will not be allowed on campus after the completion of their last semester and cannot participate in school athletics, activities, and/or organizations according to school policy. The only exceptions to this policy are Prom, Senior Assembly, Awards Assembly, and Graduation.

NOTE: Students and parents should be aware that a decision to accelerate their graduation sequence **may affect whether a student receives some recognition/awards or participates in some activities** which are available to students at certain grade levels. According to OSSAA Rules Governing Interscholastic Activities in Senior High Schools Rule 4 Section 1A states: "A student who has completed all requirements for high school graduation in an Oklahoma school district or who has graduated from high school or its equivalent shall be considered a graduate and not eligible for competition."

DISTINGUISHED GRADUATES

- In cases where a transfer student's prior school provided academic opportunities (e.g., courses or AP tracks) **not available at BHS**, and that coursework significantly contributes to their top GPA standing, **Co-Valedictorian or Co-Salutatorian titles may be awarded** to honor the highest-achieving student(s) who completed the majority of their education at BHS.

4. Co-Valedictorian / Co-Salutatorian Status:

- This status will be considered if:
 - A transfer student ranks highest in the graduating class,
 - Their GPA is based in part on coursework unavailable to students at BHS, and

SCHOOL SPIRIT

School spirit is an intangible something that makes the student try to excel in order to reflect credit upon his school. It is school spirit that makes a student work willingly with his fellow students and teachers. This spirit teaches him to respect and honor the rights of others. To work hard so that his school might excel in any endeavor is the reward for good school spirit.

School spirit is devotion to a school and its traditions; it is a steady and loyal force riding the uncertain waves of victory and defeat; it is the principle guiding him who seeks through study and intelligent thinking and doing to benefit his school.

School spirit is the willingness to be true to high ideals, to be loyal, to cooperate, and to serve.

It is the best evidence of inherent manhood or womanhood.

Student's records are considered by people in industry as the best criteria for judging the probable success in future life. When a student applies for a position, the company representative writes the school for your record. They want to know how well you can work with others, academic achievement, attendance, reason for absences, etc. We are always happy if we can give a good report, but remember you are making the record during your high school days. We can only report the record as it is.

ELIGIBILITY REQUIREMENTS FOR EXTRACURRICULAR ACTIVITIES

STUDENT DISCIPLINE

The school's primary goal is to educate, not discipline; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions are necessary for the benefit of the individual and the school. By Oklahoma statutes, the teacher of a child attending a public school shall have the same right as a parent or guardian to control and discipline such child according to local policies during the time the child is in attendance or in transit to or from the school or any other school function authorized by the school district or classroom presided over by the teacher. The goal of this disciplinary policy is to correct the misconduct of the individual and to promote adherence by that student and other students to the policies and regulations of the district. Faculty response to student misconduct is a matter directly influencing the morale of the entire student body. As such, all students will be treated in a fair and equitable manner. Disciplinary action will be based on a careful assessment of the circumstances surrounding each infraction. Examples of these circumstances are: the student's attitude, the seriousness of the offense, and its potential effect on other students. In administering discipline, consideration will be given to alternative methods of punishment to ensure that the most effective discipline is administered in each case. In all disciplinary actions, the faculty will be mindful of the fact that they are dealing with individual personalities. The faculty will consider consultation with parents on disciplinary measures that might prove most effective in particular instances.

The applicable law provides that any student in possession of a firearm while on any public school property or while in any school bus or other vehicle used by a public school for transportation of students or teachers shall be suspended out-of-school for a period of not less than one year. This is in contrast to the maximum period of suspension that can be imposed for other offenses, which is the current and succeeding semester.

PUPILS SEEKING ENROLLMENT IN AN OKLAHOMA SCHOOL WHILE UNDER SUSPENSION

Oklahoma school districts frequently are asked to enroll students who have been suspended out-of-school from a public or private school in Oklahoma or another state. If the student has been suspended from another school (whether in Oklahoma or outside of Oklahoma) for a violent act or an act showing deliberate or reckless disregard for the health or safety of faculty or other students, that student shall not be entitled to enroll in an Oklahoma school and no Oklahoma school shall be required to enroll the student until the terms of the suspension imposed by the Oklahoma school district or the out-of-state district have been met or the time period applicable to the suspension has expired. Moreover, if a student who seeks to enroll has been removed from another school district for a violent act or an act showing deliberate or reckless disregard for the health or safety of faculty or other students, the receiving school district is not required to accept that student until the school has determined that the student no longer poses a threat to self, other students, or faculty. In this event, the school is not excused from providing any services; however, it is excused from providing education services in a regular school setting such as home-based instruction or other appropriate setting.

*NOTE: All rules concerning discipline apply to student behavior in school buildings, on school grounds, all school sponsored functions and/or trips at all times.

EMERGENCY SUSPENSION

The principal, or his/her assistant in charge, is authorized to invoke an emergency suspension when the presence of the student at school is disruptive or threatening. In cases of emergency suspension, the parents should be contacted immediately by telephone, if possible, followed by written notification by certified mail. Regular due process procedure should follow this action, except that the student is not permitted to return to class during the hearing procedure.

CELL PHONE POLICY (in effect 06/13/2022)

Cell phones, smart watches, and any other communication device(s) may not be used while on Beggs campus *during the school day*. If you feel your child must have a cell phone, it must remain in their backpack, TURNED OFF while at school. Texting and video recording are not permitted anytime during the school day. STUDENT LOCKERS

Student lockers remain the property of the school and are only assigned to the student for the storage of school and personal property for the convenience of the student; however, because of the personal nature of such an arrangement, the lockers will not be opened for inspection by the administration or other members of the faculty, except when approved by the principal for reasonable suspicion. There should be a second party witness to the inspection.

If there is reasonable suspicion to believe drugs or weapons are stored in a student's locker, the principal should give serious consideration of notification of the police in order that the search should be conducted in keeping with accepted police procedures and with the principal or a designated faculty member present.

In compliance with section 5145 of the Drug-Free Schools and Communities Act (as added by section 22 of the Drug-Free Schools and Community Act Amendments of 1989, P.L. 101-226) the Beggs Board of Education adopts drug prevention programs for all students K-12 and employees. Age, appropriate, developmentally, based drug and alcohol education and prevention programs (which address the legal, social and health consequences of drug and alcohol use and which provide information about effective techniques for resisting peer pressure to use illicit drugs or alcohol) for all students in all grades of the schools operated or served by the Beggs Board of Education.

Further investigation will determine specific action. A copy of this drug policy will be delivered to every classroom teacher. Any suspension and/or search shall be subject to the school law book.

A student is required to know the law about drugs and is required to obey the same laws on school grounds as elsewhere. Schools are a part of the society. Accordingly, students and school authorities have the same responsibility as every other citizen to report violations of law. It should be noted that school discipline will be imposed

independently of court action.

MEDICAL MARIJUANA CARD

Beggs High School has a zero tolerance policy for drug and tobacco use within the district or during any school related activity.

No student will be allowed on campus if they appear to be under the influence.

A copy of the state issued medical marijuana card must be on file/in the student's cumulative folder. Note: Card will be verified through the State of Oklahoma.

In accordance to Oklahoma State Law and the Oklahoma State Board of Education regarding the Medical Marijuana Card:

A student cannot self-administer medical marijuana on school property

There is not a current Oklahoma law authorizing a student to use, possess and/or self-administer medical marijuana on school property. Oklahoma laws authorizing students to self-administer medication are limited to sunscreen, inhaled asthma medication and anaphylaxis medication. See 70 O.S. §§ 1-116.2 - 1-116.3.

No school personnel, including but not limited to a school nurse, possess (on behalf of) and/or administer medical marijuana to a student.

In Oklahoma, there is not a current law authorizing school personnel to administer medical marijuana. Oklahoma laws authorizing a school nurse, or other designated school employee in absence of a school nurse, to administer are limited to a filled prescription medicine (defined by 59 O.S. § 353.1), assisting in the application of sunscreen and administering a nonprescription medicine. See 70 O.S. § 1-116.2.

No parent/guardian may administer medical marijuana treatments to a student license holder while on school property.

Marijuana (in any form) remains a controlled illegal substance under federal law, and federal program assurances that are signed in exchange for the receipt of federal funds remain unchanged and continue to require that districts assure that they are compliant with the Safe and Drug Free Schools Act and the Drug Free Workplace Act.

Beggs School district will conduct random drug testing programs of students participating in interscholastic competitions and extra-curricular activities.

Consistent with the U.S. Supreme Court ruling in *Board of Education of Independent School District No. 92 of Pottawatomie County et al v. Earls et al*, 536 U.S. 822 (2002) and other court decisions, a school district may implement and conduct a random drug testing program of students participating in interscholastic competitions and extra-curricular activities requiring registration with the Oklahoma Secondary Schools Athletic Association (OSSAA).

A school district conducting a random drug testing program for such students should adopt a policy relating to the scope of such drug testing program, the activities within the scope of the random selection method, what substance(s) are included as being in violation of the policy and any consequences of violation(s). This policy is found on the school website.

Medical Marijuana and Extracurricular Participation

While Oklahoma law permits the issuance of medical marijuana licenses to minors, Beggs Public Schools prohibits the use, possession, or being under the influence of marijuana for all students participating in extracurricular activities, regardless of cardholder status.

Participation in extracurricular activities at Beggs High School is a privilege and subject to a random drug testing policy. A valid medical marijuana license does not exempt a student from consequences under this policy. A positive drug test for THC or other prohibited substances—whether prescribed or not—will result in disciplinary action, including suspension or removal from extracurricular activities, consistent with the district’s drug testing policy.

This position is in alignment with federal law and the requirements of the Drug-Free Schools and Communities Act, under which marijuana remains classified as an illegal substance.

WEAPONS POLICY

This policy **PROHIBITS** the possession and/or use of dangerous weapons, replicas, or facsimiles of dangerous weapons and items or instrumentalities which are used to threaten harm or are used to harm any person.

A dangerous weapons includes, **but is not limited to**, firearms as defined in Section 922 of Title 18 of the United States Code; air gun or spring gun; BB gun; hand grenades; fireworks; slingshot; bludgeon; blackjack; brass knuckles or artificial knuckles of any kind; nun-chucks; dagger; bowie knife; dirk knife; butterfly knife; shotgun shell knife; any knife, regardless of the length or sharpness of the blade; any knife the blade of which can be opened by a flick of a button or pressure on the handle; any pocket knife, regardless of the length or sharpness of the blade; any pen knife; “credit card” knife; laser light; garrote; razor; dart; ice pick; explosive; smoke bomb; incendiary device; sword cane; hand chains; firearm shells or bullets and any replica or facsimiles of any of the foregoing items; or any item or instrumentality which is used to threaten harm or is used to harm any person. The foregoing list of “dangerous weapons” is descriptive and by way of example only and is not to be considered an exclusive or limiting list of dangerous weapons.

Any student who violates this policy will be subject to discipline which may include suspension up to one full calendar year (for firearms) or for any term less than one calendar year (for weapons other than firearms) as determined by the superintendent or the superintendent’s

designee. (See policy FNCGA.)

In cases where Campus Police are notified, they will send a report to the District Attorney's office who will then decide if charges will be filed. In cases of a firearm, such firearms will be confiscated and released only to proper legal authorities.

A student, who has been suspended from another District because of the possession of a dangerous weapon, or replica or facsimile of a dangerous weapon, shall not be accepted as a transfer student into the District.

A student's inadvertent or unintentional possession of a dangerous weapon or replica or facsimile thereof on school property, a school bus, or vehicle, or at a school activity is no defense or excuse to compliance to this policy, but may be considered in determining the length or severity of any punishment for violation of this policy.

A student's previous discipline reports, student's history, parent/guardian and teacher input, and other relevant circumstances may be considered in determining disciplinary consequences.

THREATS

Threats towards the school, staff and students will be taken very seriously. All threats whether written, spoken or posted on social media will be thoroughly investigated and may result in criminal charges being filed by campus police along with the Okmulgee County District Attorney's Office.

Oklahoma statute § 21-1378 **states** that it is unlawful to attempt or **threaten** an act of **violence** that is intended to cause severe bodily harm or death to another person. An attempt of this nature is considered a felony, while a **threat** to kill or harm someone is charged as a misdemeanor.

Any threat of violence towards the school, staff and or students including but not limited to:

Shooting or possession of dangerous objects or weapons to cause harm

Explosives/bomb threat

Assault or abusive behavior on or towards school staff and or students

Based on the severity of the threat and after the investigation has been completed, in-house disciplinary action will be taken along with any criminal charges that are warranted.

GANGS AND GANG ACTIVITY

Beggs High School, in an effort to enhance a safe, secure learning environment and to help foster an attitude of respect for the rights of others, has a zero tolerance policy towards gang activity and/or involvement. The presence of gangs and gang activities can cause a substantial disruption of the educational process. Therefore, the policy prohibits not only gang membership, but also any gang-related involvement and activities at school, during school-related functions, or on any school district property. The school district will impose discipline, including suspension, for such behavior by students. Beggs High School has identified gang activity and/or involvement as:

- 1.** Wearing, possessing, using, distributing, displaying, or selling any clothing, jewelry, emblems, badges, symbols, signs, graffiti or other items that are evidence of membership in or affiliation with a gang.
- 2.** Committing any act or using any speech, either verbal or nonverbal (gestures, handshakes, etc.), showing membership in or affiliation with a gang.
- 3.** Using any speech or committing any act to further the interest of any gang or gang activity, including but not limited to:
 - A.** soliciting and/or initiating others for membership to any gang;

 - C.** committing any illegal act or violation of school district policies;
 - D.** inciting other students to act with physical violence upon any other person;
 - E.** engaging in concert with others in intimidating, fighting, assaulting, or threatening to assault others.

Through a process that included teachers, families, students, and community representatives, the following are agreed upon roles and responsibilities that we as partners will carry out and to support student success in school and in life.

As a STAFF MEMBER, I will provide your child with every opportunity to learn and grow by:

- Maintaining a quiet and organized workplace;
- Having a high expectation of myself and my students;
- Giving instruction and assignments appropriate for the skill and development required by state and district standards;
- Monitoring student work on a daily basis to ensure success and progress; and
- Reporting regularly to parents with returned work, written notices, and conferences.

As a STUDENT, I will keep my focus on what is important in meeting my goal of learning by:

- Being in class on time, every day, with my homework in hand and prepared to work;
- Allowing the teacher to teach and everyone in class to learn;
- Completing my work on time and accurately;
- Keeping my hands, feet, objects, and comments to myself; and
- Respecting others and their property

As a PARENT/GUARDIAN, I will support Beggs programs and activities that give my child the optimum opportunity for learning by:

- Expecting my child to complete daily homework assignments independently and discuss his/her results for improved learning, and check for a timely return to school;
- Accentuating the positive events at school and help my child resolve issues of concern and conflict;
- Supporting the discipline policy and reinforcing the highest expectations of the staff;
- Reading to and listening to my child read daily as a way of building a lifelong interest and joy of reading;
- Seeing that my child gets adequate rest and is in school on time with a positive outlook;
- Attending conferences to discuss my child's progress and attending events which showcase my child's work and learning experiences; and
- Providing and maintaining accurate information on my child's records for contact.

Beggs Extracurricular Activities Contract

STUDENT EXTRACURRICULAR ACTIVITIES CONTRACT

Statement of Purpose and Intent

Participation in school-sponsored extracurricular activities at the Beggs school district is a privilege and not a right. Such privilege is governed by the district policy on Student Possession or Use of Alcohol and Illegal Drugs and Participation in Extracurricular Activities (policy FNCFD). Alcohol and illegal drug use of any kind is incompatible with participation in extracurricular activities on behalf of the Beggs Public Schools. Students who participate in these activities are respected by the student body and are expected to hold themselves as good examples of conduct, sportsmanship, and training. Accordingly, student participants in extracurricular activities carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of alcohol or illegal drugs.

Participation in Extracurricular Activities

For the safety, health, and well-being of the students of the Beggs Public Schools district, the district has adopted the attached policy on Student Possession or Use of Alcohol and Illegal Drugs and Participation in Extracurricular Activities (policy FNCFD) and this Student Extracurricular Activities Contract, which shall be read, signed, and dated by the student participant, parent or custodial guardian, and coach/sponsor before such participant shall be eligible to practice or participate in any extracurricular activity. No student shall be allowed to practice or participate in any extracurricular activity unless the student has returned the properly signed Student Extracurricular Activities Contract.

Student's Last Name _____ First Name _____ Middle Initial _____

I understand, after having read the policy on Student Possession or Use of Alcohol and Illegal Drugs and Participation in Extracurricular Activities and this Student Extracurricular Activity Contract, that, out of care for my safety and health, the Beggs school district enforces the rules applying to the consumption or possession of alcohol and/or illegal drugs. As a member of a Beggs Public Schools organization, I realize that the personal decisions that I make daily in regard to the consumption or possession of alcohol and/or illegal drugs may affect my health and well-being as well as the possible endangerment of those around me and reflect upon any organization with which I am associated. If I choose to violate school policy regarding the use or possession of alcohol and/or illegal drugs any time during the school year, I understand, upon determination of that violation, I will be subject to the restriction of my participation as outlined in the policy.

Signature of Student _____ Date _____

We have read and understand the policy on Student Possession or Use of Alcohol and Illegal Drugs and Participation in Extracurricular Activities and this Student Extracurricular Activities Contract. We desire that the student named above participate in the extracurricular activity programs of the Beggs Public Schools and we hereby agree to abide by all provisions of the policy.
